HISTORY OF PARK VIEW BAPTIST CHURCH

On a hot Sunday afternoon, July 20, 1952, a group of interested Baptist residents of the Northgate community met at the Barfield Community Center. Led by members of the Durham Baptist Council, a new church of twenty-nine members was organized. The Barfield Center was secured as a temporary meeting place, and on subsequent Sunday afternoons, the name Park View was chosen, and a pastor, The Rev. T. A. Lineberger was called by the church. On September 14, 1952, a departmental Sunday School was organized, with Training Union, W.M.U., and Brotherhood organizations following soon after. Church membership had grown to seventy-three by the time the charter roll was closed. Sunday School classes and departments met in various places for several months. These places included Barfield Community Center, The State Highway Office Building, the parsonage, and homes of some of the church members.

Through the Bapist Council, a building site was secured on Club Blvd., but when the fall rains came, this site was flooded and a new one on Acadia at Ellerbee Streets was chosen. The Rev. Mr. Lineberger resigned to accept a call to the Macedonia Baptist Church in Kings Mountain on July 4, 1954.

In October, 1954, the first unit in the building program was begun, and was dedicated on July 5, 1955. The Rev. John A. Moore became pastor of the church on December 1, 1954, and served until June 2, 1957. Dr. J. Carroll Trotter, a professor at the Southeastern Seminary was the church's interim pastor until January 5, 1958, when the Rev. B. E. White, Jr. became pastor.

The Children's Building was added as a second unit in the building program in 1959. The second floor was left unfinished, and gradually, for the next five years, the present facilities were added. An organ was placed in the sanctuary in 1960. The parsonage at 2513 Wilbon Street was purchased in February, 1962. The Church celebrated its tenth anniversary on July 29, 1962, by launching a building fund for a new sanctuary on which it hopes to begin construction soon. Present church membership is 438.

HISTORY OF WESTWOOD BAPTIST CHURCH

In 1950 the Baptist Council of Churches of Durham recognized the need for a Baptist Church in the Watts Hospital area, and a lot on the corner of Maryland Avenue and Woodrow Street was purchased by the Council as a new church site.

In July 1950 revival services were held in the Clyde Kelly Chapel, now Clements Chapel; and, on August 13, 1950, the Maryland Avenue Baptist Church was formally organized. There were 61 members at the organizational meeting, but charter-member privileges were extended until the first Sunday in September, when the charter membership was closed with 83 members. Rev. George Shore, a student at Duke University, was called as temporary pastor.

Early in 1951 the church recognized the need for a full-time pastor; and, on March 25, Rev. Robert L. Costner of Knightdale, North Carolina, was called as pastor. In

April 1951 the Unified Budget System was adopted, and the church celebrated its first anniversary with a membership of 96. In September 1951 a parsonage, located at 1008 Broad Street, was purchased.

The Church Planning Committee recognized the inadequacy of the Maryland Avenue site for future growth. That property was sold, and, on February 23, 1952, property at the corner of Carolina Avenue and Club Boulevard was purchased. The residence on this property was renovated for use as a sanctuary and quarters for the Sunday School. The congregation moved from the Clyde Kelly Chapel on April 13, 1952, and the name of the church was changed to Westwood.

By November 6, 1955, the church debt had been liquidated, and the Planning and Building Committees made plans for construction of the first educational unit of the permanent church home. Ground-breaking ceremonies were held on April 8, 1956, and dedicatory services were held in the new building on May 19, 1957. At this time there were 272 members on the church roll.

On November 3, 1957, the church regretfully accepted the resignation of Rev. Costner, under whose inspiring leadership the rapid, dynamic, and spiritually solid growth of the church had been attained. Dr. Denton Coker of the Southeastern Baptist Theological Seminary served as interim pastor for the next six months.

The church called as its second pastor, on June 1, 1958, Rev. Hugh Ross Williams. During his ministry, the Music Department came to be recognized as a vital part of the church ministry, and; at the time of his resignation, in September 1960, the church had grown to a membership of 320. Dr. Van Murrell, who is presently on the faculty of Campbell College, and Dr. John Freeman, of Duke University, served as interim pastors until October 1, 1961, when Rev. Wyatt Coley accepted the call as third pastor of the church. An additional lot on Carolina Avenue was purchased on October 8, 1963, to provide additional parking facilities. Rev. Coley submitted his resignation on August 22, 1965, at which time membership stood at 368. Dr. John Freeman was again called, on September 12, 1965, to serve as interim pastor.

On June 15, 1966, a new parsonage, at 2024 Woodrow Street, was purchased; and Rev. Rudolph Pulley, the present pastor, accepted the church's call on June 26, 1966. Present membership is 347.

REPORT OF THE EVANGELISM COMMITTEE

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our larger cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptist's attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

Respectfully submitted,
Malbert Smith, Jr., Chairman

REPORT OF FOUNDATION COMMITTEE

The Foundation Committee has had no further meetings since the report of April 21, 1966 pending appointment by the individual churches of a representative of the Foundation Committee; that the chairman of the committee together with Mr. Mumford are preparing a folder and letter to present to each of the churches for their guidance in the appointing of a representative to work with the Foundation Committee; that the Committee proposes to proceed along the following lines:

1. Prepare folders to be supplied to each of the churches to guide them in the appointing of a Foundation Committee representative from the church.
2. Hold a committee meeting with a dinner and invite all representatives to the meeting for the purpose of outlining to them an educational program of bringing to the attention of each church member the services available to them through the North Carolina Baptist Foundation.
3. To furnish them at said time with a suggested step by step guideline to guide them in their work.
4. Have an attorney address the gathering concerning the legal aspects involved and to be available for open discussion of any questions which any individual foundation representative might wish to take up.

Respectfully submitted,
Lester W. Owen, Chairman

REPORT OF EXTENSION COMMITTEE

In trying to carry out the Constitutional responsibilities and the Command of Christ to preach the gospel, your Extension Committee has been working in the following major projects during the past year:

1. At our January meeting through the courtesy of Fred Herndon, we made a detailed study of projected growth and expansion of our area. Slides were used showing the conditions in 1963 and anticipated changes through 1980. The study revealed several areas where we should purchase future sites for missions and churches. We must have funds as well as foresight to purchase property while the land is still available and the price is reasonable. Mr. Herndon discussed the above with the full Board on January 11, at the Hope Valley Church.

2. At the instruction of the Board, your Committee brought a report to the January 11 meeting on the status of Binkley Memorial Church, and the report was approved.

3. Last year we reported that the Carrboro Baptist Church had agreed to sponsor the mission north of Chapel Hill. They have now elected the Mission Committee composed of John Hoenig, Chairman, Wiley Franklin, James Blake, and Sidney Barker. Your Committee has made every effort to secure an option on suitable property and have had assistance of realtors. However, we regret to report this has been without success. Consideration has been given to renting temporary quarters, but we have not found anything that we could recommend.

4. The Day Nursery and Kindergarten work in the Few Gardens area sponsored by the Edgemont Baptist Church was this year assisted by the association and the State Convention. Great progress has been made in reaching children and their families.

5. The Roberson Grove Baptist Church has voted to withdraw from the Yates Association feeling that it would be best for the church and the association.

6. The association requested and received from the State Convention $1800 for pastor's supplement for Parkwood.

7. Some areas that the Committee feels should have future attention are: Old Chapel Hill Road; Willowhaven Development area; South of Chapel Hill/Carrboro; and possibly the Old Oxford Road.

8. Fieldcrest Church (formerly Fieldcrest Mission), be accepted into full fellowship of the Association.

Respectfully submitted,
W. Jethro Broadwell, Chairman

REPORT OF ANNUITY BOARD

Today, more than 16,660 churches in the Southern Baptist Convention are providing protection to staff members through the Protection Plan. Nearly 11,000 of these churches are paying the 10% dues. More than 28,000 staff members are participating.

There are 7 states with 70% or more of the churches in the Program. In contrast, North Carolina has only 48% of the churches participating. *In Yates Association 40 or 85% of the churches are participating.*

Since 1918 almost $51 million has been paid out in benefits. In 1965 alone, almost $4 million was paid in age retirement, disability or widow benefits.

Churches with pastors participating may also join the Health Benefit Plan. This is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment has already reached over 10,000.

The Rev. Guy S. Cain, 301 Hillsboro Street, Raleigh, is Secretary of Retirement Plans and jointly employed by the Annuity Board and our Baptist State Convention.

Respectfully submitted,
C. M. Hight, Chairman

REPORT OF THE JEWISH NEIGHBORS COMMITTEE

The work of this committee remains to be rather slight within our Yates Association; however, we do believe that some headway is being made, and that His Word will not return unto Him void. We believe the words are "PERSEVERANCE" and "PERSISTENCE."

On February 28, 1966, a State Jewish Neighbors Seminar was held at the Lakewood Baptist Church, Durham, N. C. from 9:30 A.M. until 4:30 P.M., and associations from Mecklenburg to the coast were invited to attend. For this seminar we were privileged to have as our special guests: Rev. Jase Jones, Kansas City Baptist Association, Jewish Evangelism Department, Rev. William Mitchell, Home Mission Board, Southern Baptist Convention, Rev. Lloyd Whyte, Miami City Missions to Jewish peoples, and Rev. Ernest C. Upchurch, Secretary of Church Development Department of our North Carolina Baptist State Convention.

In the evening of this same day, there was a committee meeting at Balentine's Restaurant at 6:00 P.M. and our own Associational Workshop at 7:30 P.M.

On August 16, 1966, at 7:30 P.M., we presented a film, "Let My People Go," a documentary film of hate and prejudice and persecutions of the Jewish people. This film was presented earlier in the year by medium of television, and it was through the generosity of the film company that produced it that we were able to make it available to those who had not seen it.

Pray for this committee. Support this committee. Do what you can to witness in your humble way to these, our Jewish friends. If Christ means anything to you, share Him with your friends, especially to those who know Him not.

Respectfully submitted,
John C. Grant, Chairman

REPORT OF THE CAMP COMMITTEE

Yates Baptist Camp is steadily moving forward. We have really gone over the hump in the use of it and are now moving on toward the top. Interest is growing. More and more churches are finding the facilities ideally suited to the needs and purposes of many of their groups. Twenty-two of our churches have had groups use the grounds and facilities during the past year. Individuals using the grounds approach 4,000.

One needs to see the grounds in order to appreciate what has been accomplished this year. The list of improvements is a long one. Many people have done much work. We are especially indebted to our Superintendent of Missions (whose interest and accomplishments are unequaled), and to our Superintendent of Grounds in carrying out their responsibilities in a most commendable way.

Development of the camp is limited only by the amount of money we have to work with and the help that the committee can obtain from other interested persons. The future is bright and promising.

We were not successful in our attempts to conduct a resident camp this year. We feel certain that our new committee will use the experiences we had in this area to advantage and succeed in having several resident camps this coming year. Then we will see Our Lord using these facilities to an even greater degree in shaping and molding lives in His way.

We invite and urge the churches to use the camp. It exists for the churches of the Yates Association. The facilities may be reserved through the Associational office.

Respectfully submitted,
Russell Barbee, Chairman

REPORT OF MUSIC COUNCIL

The Music Council met five times during the past season in executive meetings to plan the work of the group for the season. There was good attendance of council members at all of these.

A choir was used for the opening of each session (Tuesday morning, Tuesday afternoon, and Wednesday morning) of the 1965 Annual Associational meeting in October. It is planned to have such an associational choir again for this year's associational meeting.

"M" night was postponed from December 6 to December 13. There was an associational choir rehearsing the two Sunday afternoons preceding the service, and singing selected numbers from Handel's "Messiah." Attendance in this choir was small, however, at least partly due to the change in date.

Ernest Byrd, a council member, led an associational male chorus for the Brotherhood Ladies' Night January 18, 1966. Two rehearsals were held prior to the meeting. This group was very well received by those present.

The annual associational choral clinic was held Monday, February 21, at Grace Baptist Church, with Paul Peterson leading it. This was very successful. Over 100 singers and music leaders from over 20 churches attended this session.

An area choral clinic was held on Monday, March 14, at Lystra Baptist Church. This had an attendance of 35, but mostly from 2 churches, Lystra and Mt. Gilead. This included 5 council members and 3 other choir directors.

On Sunday afternoon, May 15, at 3 P.M. the annual associational Hymn Sing was held at Olive Branch Baptist Church. Favorite hymns were used, determined by a poll taken from the congregation. Several choirs participated, and the church was just about filled. This was a most successful festival, as attested to by many of the members of the congregation who expressed themselves.

At the request of Carrboro Baptist Church, conducting classes were led in that church by two council members, Leonard Smith and John Laverty. Leonard Smith led these classes on June 13 and 20, and John Laverty on June 21. Several church members interested in choir leading and song leading attended these sessions.

Respectfully submitted,
John T. Laverty, Director

REPORT ON BAPTIST HOSPITAL

It is almost superfluous to say that the kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt during the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. *Medicare* is not going to change this situation greatly! Our people need to understand this and recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Observe the following statistics: In 1965 we had 19,364 patients and from 30 to 40 per cent of patients were unable to pay full cost of care. The cost of bed patients per day is $39.69 for the entire Hospital. In 1955 the cost of free service was $455,000. In 1965 the cost of free service was $1,293,000. Our offering in 1955 was $193,000 which was forty-two per cent of cost. Our offering in 1965 was $267,000 which was twenty per cent of cost.

In order to do our share in Yates Association, we have divided our churches into 9 groups with a Captain for each group. We are grateful for these leaders who have helped to make possible our increase this year. This year, forty-two of our forty-seven churches contributed to our Mother's Day Offering, giving a total of $5,900.65. This is good! We are suggesting strongly that each church consider raising this offering by ten per cent this next year, whether in the budget or Special Offering.

Respectfully submitted,
J. B. Cash,
Hospital Representative

REPORT OF THE CHRISTIAN LIFE COMMITTEE

Introduction

The Constitution of the Yates Baptist Association states that the duty of the Christian Life Committee shall be "to recommend ways in which the Association can work for the promotion of civic righteousness and social uplift." *The Associational Christian Life Committee Guidebook* says, "The Committee's task involves both a program of education and of Christian social action. It should strive to educate Baptists in the association on the claims of the gospel in their daily lives. It should also initiate or cooperate with efforts to lift the life of the community to the standards of God in Christ."

It is in the spirit of these injunctions that the Christian Life Committee for 1965-66 has undertaken its work. After evaluating the work of the prior year's Committee and, in particular, the Christian Life Conference which was held on November 2, 1965, at Yates Baptist Church, the Committee concluded that the Conference was a worthwhile first effort and that another Conference should be held in 1966. Plans have been completed for the conference to be held at University Baptist Church, Chapel Hill, N. C., on Thursday night, November 3, beginning at 7:00 P.M. The theme will be "A Church's Mission and the Problems of Poverty."

An outstanding feature of this year's Christian Life Conference will be the participation and co-sponsorship with Yates Baptist Association of two other Baptist associations—East Cedar Grove and New Hope. Most of the Negro Baptist churches in the immediate vicinity of Yates Association belong to one of these associations. Representatives from our three associations have worked together during this year in a fine spirit of fellowship and cooperation in planning for the conference.

Why the Theme "A Church's Mission and the Problems of Poverty"?

Those of us who call ourselves Christian cannot allow ourselves to remain insensitive to the presence of large numbers of persons in our local communities and throughout our land who are proverty stricken even in the midst of great affluence. It is a fact that many of us are comfortably sheltered from the poor whether intentionally or not. Indeed it seems very evident that the poorest among our people do not attend any church nor are they often touched by our evangelistic efforts. Because of where we live and work we have little contact with the poor. We therefore find it difficult to believe that poverty involves so many people in the local community. The truth is that 25.6% of the families in Durham County were existing in 1959 on incomes of less than

$3,000 per year (Brooks, *The Dimension of Poverty in North Carolina*, Durham, N. C., The North Carolina Fund, June, 1964). There is no reason to suppose that the situation has greatly improved. The fact that the percentage is twice as high among Negro families than it is among white families lays additional responsibility upon us. But, alas, even when we begin to comprehend the magnitude of the problem, we are very reluctant to become personally involved.

So much has been said about poverty and the so-called war against poverty in recent months that many church-going citizens have "hardened their hearts" in this matter. The Federal government has in effect assumed primary responsibility for the battle with some help from local and state governments and from private foundations. Persons who are somewhat naturally inclined to be sympathetic toward a needy individual have reacted against the government programs for a variety of reasons and, in so doing, have lost sight of the great needs of their fellow citizens.

The problems of freeing people from the cycle of poverty are so complex that it is tempting either to give up before the job is accomplished or to ignore the challenge altogether. Yet it is sobering to hear again the words of John's epistle: "If anyone has the world's goods in abundance and sees his brother in need, yet closes his heart against him, how does God's love abide in him?" (I John 3:17 RSV). Henry Clark in his book, *The Christian Case Against Poverty*, makes "an appeal for clear thinking and aroused commitment based on the conviction that not only the physical welfare of the poor but also the spiritual welfare of the prosperous are at stake in the response which churchmen make to the challenge of poverty in the midst of our affluent society."

Your Christian Life Committee feels there is no more pressing matter than for the Christian people of this area to engage in serious dialogue about what local churches in mission can do to help solve some of the problems of poverty. How can individual Christians and local congregations become involved in a helpful ministry to specific persons and families caught in the web of poverty from which they cannot extricate themselves? It is the purpose of the Christian Life Conference on November 3 to explore these problems freely and openly with specific reference to our local situation. In such exploration our consciences should not only be sensitized but our hearts and minds should be opened to some resources which might be effectively employed in a continuing ministry to the poor. Knowing the compassion of our Lord for the poor and for all persons in need, we cannot afford to pass by on the other side if we are to bear His name and to do His work in the world.

Why Joint Participation by Negro and White Baptists?

In spite of genuine progress that has been made in more effective communication between the races over a period of several years we as Christians are still plagued by racial barriers. Beyond the questions of civic and legal rights which should have equal application to all citizens without respect to race or color, there lie the problems of personal relationships between human beings. If there are those among us who bear hatred or distrust or fear or feelings of disgust toward another person because of his race or skin color, we need rather desperately to get to know that person. Many of us do not have opportunities to meet with persons of other races on a person-to-person level that would permit healthful exchange of thoughts and emotions.

There is no more appropriate setting for such conversations to take place than in the church of Jesus Christ, who is the agent of our reconciliation with God and with one another. Furthermore, since we cannot effectively discuss the problems of poverty in our local communities without consideration of both the white and Negro poor, how unrealistic it is for Christians of the two races to discuss these matters separately but never together.

In our first Christian Life Conference last year the meeting was enriched by the presence and participation of a number of Negro Christians from local churches. It was the unanimous feeling of the Committee that planning for this year's conference would be more effective in cooperation with representatives from the Negro Baptist associations in the Yates Association area. The Committee is pleased with our joint planning endeavors and hopes that the Conference will provide opportunities for meaningful personal relationships while we pursue matters of mutual Christian concern.

Schedule for November 3 Conference

Place: University Baptist Church, Franklin and Columbia Streets, Chapel Hill, N. C.
Date: Thursday evening, November 3
Theme: "A Church's Mission and the Problems of Poverty"
Program Outline:
7:00 Welcome, Worship and Introduction
7:20 Address by Dr. Samuel D. Proctor, Prominent Negro Minister and Educator
7:45 Discussion groups (refreshments within groups)
9:10 Hymn, prayer and offering
9:20 Address by Dr. Claude U. Broach, Pastor, St. John's Baptist Church, Charlotte, N. C.
9:45 Benediction

Everyone is urged to support this Christian Life Conference by prayer, attendance and encouraging the attendance of others. For many people it can be an evening of significant Christian fellowship. The addresses of two distinguished leaders and informal discussion groups will provide opportunities for Christian growth and guidance for more effective Christian action in a highly complex society. Hopefully the Conference will help the local churches of this area to become more acutely aware of the critical nature of their influence and the need to speak and act with conviction concerning the moral and ethical issues of our time. Perhaps some churches will be encouraged to hold Christian Life conferences in their own communities on questions of pressing Christian concern and to develop more significant programs of education and Christian social action in order "to lift the life of the community to the standards of God in Christ."

Members of the Committee who have served this year are: Julius H. Corpening, Mrs. N. B. Lockwood, E. Coye Still and Henry Turlington.

Respectfully submitted,
V. A. Parks, Jr., Chairman

REPORT OF THE SUNDAY SCHOOL

Last year proved to be an outstanding year in Sunday school work in many ways. In the area of outreach, the Director-Led Enlargement Campaign was well received by participating churches and results are already in evidence. Reaching more people for Bible study and church membership continues to be a major task of the Sunday school and these large association-wide campaigns are proving especially helpful.

Training continued to receive strong emphasis. Bill Russ of the Virginia Convention met with pastors and ministers of education to discuss the new Leadership Training materials published by the Sunday School Board. In a joint endeavor with Training Union, L. J. Newton of the Sunday School Board and our own state leadership conducted a conference at Bethesda Church on New Member Orientation, Leadership Training materials, and the Life and Work Curriculum.

The increasing number of churches conducting Leadership Training classes is especially encouraging.

Simultaneous conferences were held at Ridgecrest and Calvary churches, using both state and associational leadership. An action night program with age group conferences was held at Watts Street Baptist Church. Main emphasis was placed upon the Church Growth Plan.

Two Vacation Bible School Clinics were held this year, under the very fine leadership of the Reverend Julian Motley. The first at Bells had an attendance of 75. The second at Edgemont had 119 present for a total of 194.

Last year the association was challenged to reach the following goals:

3% for 1966
4% for 1967
5% for 1968
6% for 1969
7% for 1970

This meant a numerical goal of 588 for the past year. The Sunday schools of the Association reported an enrollment of 19,314 compared to 19,602 for 1965.

We continue to feel that the churches can best be helped by going directly to them when they ask for assistance. Thus we will continue to seek ways to communicate with church leadership in determining needs and how we can help meet them.

Respectfully submitted,
Earl Long, Superintendent

REPORT ON HOMES FOR AGING

During the past year our N. C. Homes for the Aging have served 172 aging people. 170 others have remained on the waiting list. 85% of our aging residents have benefited directly from the offerings from our churches.

We are so thankful to learn that the special offerings this year have shown a 5%

increase over 1964-65. The special offering may reach $100,000 for the first time. Yet costs have advanced 7% which still leaves us 2% in the red.

During the past twelve months there have been fewer deaths and several of the critically ill have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality. The first resident to receive a Medicare card was the oldest resident, 105-year-old Aunt Fannie Drumwright, who never takes any medication or needs to see a doctor.

Construction on our fifth Home at Yanceyville will begin next year. This should relieve the pressure of a long waiting list.

R. T. Howerton, Representative

REPORT OF AUDIO-VISUAL AIDS COMMITTEE

Your Audio-Visual Aids Committee, although not too active, has completed several projects started in 1964-65.

We held two workshops on the use of visual aids in the church—one at Park View and one at Homestead Heights with few in attendance. Of course this was very discouraging to the committee, but it may be that our individual churches are so up to date in their use that they did not feel the need for such instructions. The committee would like to encourage the churches to have their own workshops to present to the new officers the uses of visual aids in all of the organizations of the church.

The committee would like to compliment our Superintendent of Missions for the fine job he has been doing with the new Polaroid camera, bringing in picture form reports of various associational meetings in the NEWS Bulletin, and we also express a big thank-you to Mrs. Emily Warren for doing such a wonderful job bringing the Audio-Visual Aids Catalog up to date with the latest supplementary sheets.

The association's audio visual library has continued to grow through the past year with the purchases of 15 new filmstrips, 10 slide sets, 10 disc recordings, 10 tape recordings, and 2 flip charts.

The library has been as popular this year as in the past with most of the churches in the association taking advantage of the resources there for their use.

The committee is now in the process of arranging a conference with the Audio Visual sales consultant from Broadman Films. Mr. James Wm. Coleman, of Broadman Films, will be in the Association Office on November 1, 1966 between the hours of 2:00 and 5:00 p.m. to talk with all who are interested in the CAVE plan or those who are already in the plan who may have questions about it.

The committee is very happy with the new space in the association's new office and feel that this will help the churches to get the most out of the visual aids that are available for their use.

Respectfully submitted,
Harold Moore, Chairman

REPORT OF DEACON'S COMMITTEE

We met several times during the year and planned the following:

November 23, 1965—Deacons' Night at Gorman Church with Mr. Bruce Little speaking on "The Role of the Pastor and His Deacons."

May 17, 1966—Deacons' Forum at Holloway St. Church with Mr. Bruce Little acting as moderator of a panel of men from several churches. Mimeographed questions on the deaconship were distributed and members of the congregation chose those to be answered by the panel. The discussion went overtime.

Members of the Committee who have served this year are: LeRoy Rigsbee, Coy Watson, Zack Long and Wiley Franklin.

Respectfully submitted,
O. C. Mitchell, Jr., Chairman

REPORT OF THE FINANCE COMMITTEE

The 1966 budget was revised at the January board meeting from $32,000 to $31,080 according to the pledges from the churches.

Several things have forced the Committee to present an increased budget of $36,000 for 1967. Properties must be bought north of Chapel Hill and on the Chapel Hill Road immediately for new churches. The new office facilities will cost twice as much including utilities.

We do hope that each church will consider our suggested goal as a MUST!

Respectfully submitted,
R. E. Broughton, Chairman

REPORT ON BIBLICAL RECORDER

In our accelerated pace we often find ourselves loaded down with mail consisting of letters, newspapers, magazines, soap advertisements and on down the line to the dog and horse racing circulars. So much mail is presently flowing through the postal department that even zip code has become a requirement to insure delivery. With all this mad rush will our Baptist Homes just pass up the golden opportunity to have on our reading list our denominational paper? Shall our members whether men, women, boys and girls be deprived of this one chance to fill our minds with news of churches, associations, colleges, missions, revivals and souls being saved, and, other Christian activity, while the daily press informs us of crime, war and debauchery?

Our asociation is well named for a pioneer Baptist Missionary and it would be most unbecoming for any one to say that we are not mission-minded. How else can we learn about our orphanages, our homes, our schools and colleges except through our State Baptist paper? We think the Biblical Recorder is better than ever and we know that it stands in the forefront of news media when it comes to reporting on our association, our state convention and the Southern Baptist Convention.

Just where are we as an association when it comes to our Baptist Paper, the Biblical Recorder? Who reads this paper and who does not?

A hasty check of the subscribers to this paper reveals the sad fact that our newest mission, Parkwood, has more subscribers to the Biblical Recorder than two of our largest churches.

The every family plan will place this denominational paper at our door for only $2.00 per subscriber. We think the upcoming year will have too many soul-stirring episodes to reach the press for any home in the association to be without the Recorder. New and disturbing clouds are on the horizon elsewhere. Everywhere we hear of a New Morality, the so called, Death of God Movement, and the drastic changes in peoples' attitude toward the church are being widely discussed. Christians need as never before to be informed. How better can we be informed on how to decide the problem of liquor-by-the-drink than through our Baptist press? No other publication can take the place of the Biblical Recorder.

It is refreshing to know that this publication is not out of reach financially—$2.00 per year—the same price it was 100 years ago.

We hope that the number one item in every church budget will be the Biblical Recorder, every family plan.

Respectfully submitted,
B. Ray Olive, Representative

REPORT OF ASSOCIATIONAL BOARD

Yates Baptist Association continued to conduct its necessary business affairs of the associational year through two Council meetings and six scheduled associational Board meetings. These meetings were on November 23, 1965, at Gorman Church, January 11, 1966, at Hope Valley Church, May 10, at Trinity Church, July 12, at Yates Church, September 13, at Rose of Sharon Church, and October 11, at Homestead Heights Church. As moderator, I want to give some summary account of the highlights of the business transacted.

Much of the time in the Board meetings was used in hearing routine organizational and committee reports, but reports which are essential to a continuing and constructive associational program. Involved in these reports were endless meetings, considerations, and actions relative to our associational program.

Coming from Committee, Council, and Board suggestions were the following outstanding actions.

1. That the Association commend to the churches the Five Year Spiritual Advance Program sponsored by the Baptist State Convention.
2. That a committee be named to investigate sentiment in the association for the purchase of the Matthew Tyson Yates homestead buildings, and to consider the cost and wisdom of their removal to the Associational Assembly Grounds.
3. Report of the Extension Committee by Fred Herndon, with color slides depicting population growth trends in the area.
4. The term "Layman of the Year" was changed to "Lay Leader of the Year."
5. Elected as nominees from the association to the Baptist State Convention's General Board were: Ernest Holt, Julian Motley, Ed Clements, and Miss Nannie Mae Herndon.
6. Several reports of extensive improvements and use of the Associational Assembly Grounds.
7. The moving of the Associational Offices to the Yates Church pastorium.
8. Approval of requests for state aid to the association in the amount of $2400.00.
9. Announcements of a Christian Life Conference at University Church, November 3.
10. Approval of application to the Baptist State Convention for $2500.00, to be applied on the property being purchased north of Chapel Hill.
11. Adoption of a recommendation to the annual meeting as follows:
    a. That a committee be set up to make a special study of our associational missions outreach, giving special attention to the growing number of apartment houses in our area, the problems of the inner city, the possibilities of weekday programs in our churches, and ministering to people of special needs, such as juvenile delinquents, the deaf, the non-readers, the aged, and displaced persons;
    b. that the Committee on Committees be asked to submit the names of approximately seven nominees at the annual meeting;
    c. that the committee seek the help of Mr. Ernest Upchurch of our Baptist State Convention and the Metropolitan Missions Department of our Home Mission Board;
    d. that the committee bring a progress report at the May Board meeting and a complete report at the October Board meeting in 1967;
    e. that the present committee on the "Inner-city Ministry" be disbanded in favor of the new "Special Study" committee;

I want to impress on the messengers the need for the Associational Board in transacting associational business between annual meetings. It is, therefore, our privilege and responsibility as pastors and two members from each church, to take our membership on this board as a stewardship.

Respectfully submitted,
Ray K. Hodge, Moderator

REPORT OF THE RADIO AND TELEVISION COMMITTEE

Radio and television activity showed a noticeable increase in this area during the past year.

For the record, and the information of the membership, perhaps it would be well to note the current offerings of the Radio and Television Commission of the Southern Baptist Convention which currently are being broadcast in this area.

They include the following:

DURHAM:	(Radio)		
	WDNC	"MASTER-CONTROL"	Sundays—6:30 p.m.
	WDNC	"NORTH CAROLINA RELIGIOUS NEWS SCOPE"	Sundays—9:55 p.m.
	WTIK	"BAPTIST HOUR"	Sundays—5:30 p.m.
RALEIGH:	(Radio)		
	WRNC	"MUSIC TO REMEMBER"	Time varies
	WRNC	"PATTERNS"	(60-second spots, run of schedule)
	WRAL-FM	"MASTER-CONTROL"	Sundays—11 a.m.
	WRAL-FM	"PATTERNS"	Run of Schedule
	WRAL-FM	"MUSIC TO REMEMBER"	Sundays—10 a.m.
DURHAM:	(Television)		
	WTVD (Channel 11)	"NEWS OF THE CHURCH"	Sundays—7:15 a.m.

(NOTE: This is a locally produced religious news program which is open to all denominations. Members of the Yates Baptist Association are urged to contact Mr. Ted Daniel when they have material for the program.)

RALEIGH:	(Television)		
	WRAL-TV (Channel 5)	"THE ANSWER"	Sundays—9:30 a.m.

As was stated in this Committee's report a year ago, we have been working with Mr. Claud O'Shields, Eastern Representative, and Mr. Theodore Lott, Director of Educational Services, for the Radio and Television Commission of the Southern Baptist Convention.

We have been seeking a format for a weekly radio religious newscast to be prepared by the Yates Baptist Association. The Commission has now taped an introduction for such a program, and the 1966-67 Committee will be meeting in the very near future to discuss the next steps in this effort.

By next year, we hope to be able to report to you a further expansion of the use of radio and television, including the addition of a weekly Yates Baptist Association program of the type indicated above.

Respectfully submitted,

Clarence E. Whitefield, Chairman

REPORT OF THE STUDENT COMMITTEE

Communication and understanding between the churches and the academic community need improvement. During the past year significant numbers of students and church leaders have continued to express serious criticisms of each other. This situation is a cause for prayerful concern to us.

As the significance of this area as an academic center increases, the importance of a meaningful campus ministry will increase correspondingly. The framework for honest endeavor in this area already exists in the student programs being supported by the Baptist State Convention on the campuses of the universities in this associational area. The Yates Baptist Association is seeking to encourage and assist this ministry through some financial support and through its Student Work Committee.

We call upon the leaders of our churches and the directors of student work on the campuses to join together in a serious search for ways to purposefully relate the students with whom they work to the community of the redeemed and the fellowship of the churches.

Respectfully submitted,

Sherrill Stevens, Chairman

REPORT OF WOMAN'S MISSIONARY UNION

Let us review the work of the Yates Association Woman's Missionary Union October 1, 1965-September 30, 1966. We do give thanks unto the Lord for all his manifold blessings unto us and express our sincere appreciation to all those who have rendered service to Him through Woman's Missionary Union during the year as we participated in the emphasis of "Proclaiming and Witnessing."

The Leadership (one night) Institute was held at Grace Church September 28 with 302 members attending and 39 churches represented. There were 96 organizations attaining recognition on Aims for Advancement which was an increase of 8 over last year. W. M. S. and Y. W. A. showed a decrease while G. A.'s and Sunbeams showed an increase. W. M. S. had 20; Y. W. A. had 5; G. A. had 45 and Sunbeam had 26 attaining recognition. One church in the Association had an Honor W. M. U. (that is each organization attaining Honor)—*Lowes's Grove.* This W. M. U. has been very active in the promoting of missions under the capable leadership of its President, Mrs. W. C. Hall and they are to be congratulated not only for attaining this Honor but they have grown in Proclaiming and Witnessing for our Lord. The Yates W. M. U. Association has attained Honor Recognition this year also; 15% each of the organizations have attained some recognition on the Aims for Advancement.

Foreign and Home Mission Study workshops were held in October and January.

Quarterly Association Board Meetings were held with good attendance. The January meeting was held at Temple Church with W. M. U. presidents of the 49 churches invited to attend. The Associational Yearbooks were distributed and Aims for Advancement were discussed in preparation for Mid-year reports.

The annual associational meeting was held at Watts Street Church April 21. Reverend W. O. Hern, Missionary to Jordan, was our guest speaker. We were pleased to have our Moderator of Yates Association, Reverend Ray K. Hodge, and Brotherhood President, Mr. Ed Clements, assist with our program. There were 315 in attendance.

May 26, 15 ladies from different churches in the Association assembled at the Camp Lodge with sewing machines, scissors and other equipment (also lunch for the day). They cut and made drapes for the bedroom windows in the Lodge.

June 11, the Executive Board and representatives from 15 churches assembled at Yates Camp Lake, 5:00-8:30 a.m., for a very impressive and rewarding Prayer Retreat. There were 41 in attendance.

The annual W. M. U. Night was held at University Baptist Church, August 31, with 184 in attendance. Reverend and Mrs. Samuel James, Missionaries to Vietnam, brought the inspirational message. Slides giving information on The Life and Work Curriculum were shown by Mr. Floyd Rhodes.

The records show that there are 49 W. M. S. organizations in the Yates Association with a membership of 2,457. (Temple has 2 W. M. S. and Parkwood Mission 1). These organizations foster the following youth organizations: 22 Y. W. A.'s with 176 members; 73 G. A.'s with 778 members; 82 Sunbeams with 1,032 members—making a total of 226 organizations with a total membership of 4,443.

Hope Valley, Fellowship and First have organized Y. W. A.'s. Ephesus has organized a G. A. Parkwood is beginning Sunbeam and G. A. organizations for the new year.

Mrs. C. P. Fogleman assumed leadership of G. A.'s in the fall after Mrs. Rayburn Harris had to resign because of illness. She was Director of G. A. Camp at Camp Kanata, August 22-28, with 112 in attendance. They have had their four quarterly meetings with an average attendance of 200.

Mrs. J. E. Hughes, Sunbeam Director, reports 82 organizations with 1,032 enrolled and an increase in organizations and enrollment.

Mrs. Donald Whitworth, Y. W. A. Director, reports a decrease in Y. W. A. organizations from 26 to 22 and membership from 222 to 176. Yet there seemed to be more efficient work—with 3 Y. W. A.'s attaining Honor recognition. Several girls attended Y. W. A. Conference in Greensboro in the spring.

Thirty-six W. M. S. engaged in five days of Prayer for Foreign and Home Missions.

The following organizations contributed to the three offerings—Foreign Mission, Home Mission and State Mission: W.M.S—39; Y.W.A.—13; G.A.—53; Sunbeams—36.

1,229 W.M.S. members read one or more books listed in "World in Books."

Seven executive Board members attended W.M.U. Conference at Ridgecrest.

Ten Board members attended Leadership Institute at Campbell College, August 25-26 in preparation for the associational workshop to be held at First Baptist Church September 26-30.

We realize it is impossible to tell the complete story in facts and figures. If anything of lasting value has been accomplished, it will be seen in the lives of individuals—our own and those to whom we minister.

REPORT OF BROTHERHOOD

Since our last report to you many things have been done that we believe will make our Brotherhoods begin to function as real organizations in our churches. Most of our men in the past have been satisfied to let the Woman's Missionary Union take care of the "Missions work" in our churches. But we feel like now, with the new material we are getting that most of our informed pastors and leaders are very enthusiastic about our mens work and will push to make our Brotherhoods the best ever.

We have had laymen from our Associational Brotherhood to speak in several of our churches this past year for "Laymen's Days" and regular Brotherhood meetings.

We have had several Associational Officers' Planning Meetings this year with most of the officers attending. We combined our annual "Ladies Night" with the W. M. U. If you missed this meeting you really missed a treat for this was one of the highlights of the year.

Our Man-Boy night was held at Gorman Church on July 16. Rev. Aubrey Quakenbush, the V. A. Hospital Chaplain, was the speaker. The host church served hot dogs and drinks. This was also a good meeting.

Our Brotherhood workshop was well attended by both pastors and laymen. Many who attended remarked that it was one of the best workshops ever held in our Association.

We have great plans for next year which include every church in the Association. Every church can have a Brotherhood.

Let us thank God for everything accomplished this year and pray for His leadership as we start our new year.

Respectfully submitted,
Edwin B. Clements, President

REPORT ON BAPTIST CHILDREN'S HOMES

Eighty-one years ago North Carolina Baptists launched a Christian ministry of child care. It has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and many are making a significant contribution.

Special attention is being given certain areas of child care. An already strong program of group care is being strengthened. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

A large number of good Christian homes have been enlisted for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life.

Support through both the Cooperative Program and the Thanksgiving offering has increased. In Yates Association however, we gave less—by $1150—in 1965-66 than in 1964-65.

Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area.

M. C. Weaver (by HSM)

"TEARING UP NEW GROUND"

(Report by Supt. of Missions—Revised)

This year I am not giving you the usual prepared report of progress during the last year. Enough will be said about that in other reports. Let me speak to you frankly of the future as I see it.

The City and Metropolitan Missions Special Study is needed very badly. It will consult with the State Convention and the Home Mission Board during its work. The committee may consider the increasing number of apartment houses in our area, work with alcoholics, juvenile delinquents, non-readers, the mentally retarded. It will consider day-care for the elderly, liaison with the Research Triangle Park, weekday programs, urban renewal, Religious Affiliate, B.S.U. and others. Even the upstairs rooms of our office might be used for a weekday program.

We are further behind financially right now than we have been in ten years—not because our churches are behind in their giving but because we have had so many extra expenses in moving into our new office facilities. We have no regrets in moving; it was the right thing to do. But the initial moving cost money. If your churches have any undesignated funds that you can spare, send us a check.

We are proposing a budget of slightly over $36,000 for 1967 but we need to get that budget up to $50,000 in the next year or two. We may be the most strategic area in North Carolina! We are not only a metropolitan area but we have two cities, two great universities, the R.T.P. with industries and housing developments going up everywhere. We need to plan long-range, lay out budgets for the next five years so that our churches can plan ahead.

Our Foundation Committee may have a surprise for us in a few weeks. There are millions of dollars in our area that are going to other objects. The Foundation of our State Convention is set up to handle funds for us. Every Christian should have a will and leave something to the Lord's work. We are not talking about the amounts nor the objects—just the principle.

We also need some philanthropic Baptists who will help us speed up our program of buying lots and paying off the indebtedness on our Camp. Oh, how I wish we could buy and move the Matthew T. Yates Homestead to the Yates Camp. It would break my heart if we were to hear that that old axe-hewn building had been accidentally burned. With all the money lying around why cannot we find a field with a big barn that we can use for baseball, basketball, etc. We spend a lot of money to have these leagues under present conditions.

We need to "contact" individuals in our churches in the interest of the non-readers, deaf, juvenile aid, the three social institutions, the "Quarter per Quarter" campaign, the Foundation, and Stewardship-Cooperative Program.

Our Sunday School department also may have a big surprise in a few days. Our churches ought to tape the Life and Work Curriculum for the blind. Training Union is now on its way. There is no comparison with the organization we had three years ago. This organization may soon be responsible for all the training in our churches. Every church can have a Brotherhood program. Every church should elect a Brotherhood Director.

I do hope we can do some real study through the Fellowship Committee. How can we help churches in trouble? We must work out proper procedures for varying circumstances. I would like to see the Ordination Committee consider recommending that ordination papers be required from candidates.

I would like to see our Association, through the Radio and T. V. Committee, consider having a weekly program on which we can have teacher-training and other similar emphases. Fewer and fewer people come to our meetings. Perhaps we should help more people to stay home more. We have assumed that nothing can be done unless we have a continuous stream of meetings.

Many times we go to meetings and hear the "Same Old Stuff." I doubt if you can say that about many of the things I have just mentioned.

Respectfully submitted,

Article 3. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified, and in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.
(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Article 4. Report Section

HISTORY OF BETHESDA BAPTIST CHURCH

It was on the fifth Sunday in March, 1884, when three ministers and six deacons met at Hayes' School House in Durham County that Bethesda Baptist Church was organized. Twenty-three letters of application were presented. No records explain where or why the name "Bethesda" was chosen.

The church is located on the Old Raleigh Road, five miles east of Durham in the community now known as Bethesda and near the fast-developing Research Triangle Area. It is one of the oldest churches in Durham County.

The first minister was the Rev. J. H. Layton who preached the second Saturday and Sunday in each month. He was old and feeble, however, and served the church only a short while. Sixteen additional pastors have served since that time. Dr. L. E. M. Freeman served eight years, from 1922 to 1930, with the Church holding services on a half-time basis. It was during the pastorate of the Rev. Charles Jollay, who became pastor in 1931, that the Church began full-time preaching. He served 14 years. Pastors who have served since Rev. Jollay include the Rev. John Knight, the Rev. R. C. Lanier, the Rev. A. D. Frazier, and the present pastor, the Rev. Russell Barbee.

Soon after the church was organized, a small wood building was erected. An auditorium was added in 1923. The Rev. Jollay led the church in the construction of a pastorium in 1932. A three-story brick, educational building was erected in 1935; and later in 1940, the present auditorium with a seating capacity of 500 was added to complete the building.

The Rev. Russell Barbee became pastor on September 15, 1957. Since that time, stained glass windows have been installed in the auditorium and the church plant completely air conditioned. In June, 1963, an additional educational building of 12,000 sq. ft. was added, consisting of a fellowship hall, equipped kitchen, completely graded nursery, plus assembly room and classrooms. These facilities have also been used since June, 1965, to operate a day nursery and kindergarten with an enrollment of approximately 65.

Membership in the original church grew steadily for ten years, with records showing a membership of 144 in 1886. Membership reached a standstill for a number of years. A period of growth followed with membership increasing to 345 in 1930 to 694 in 1945 and now has a present membership of 916.

The church has had an interesting history financially. Claiming always to be a missionary people, the church began giving to missions even before it started paying its pastors. Gifts to missions the first year the church was organized amounted to $8.75. In 1959 the minutes read "The church ranks among the top 100 Baptist churches in North Carolina in per capita gifts to Foreign Missions." At this time 23% of its budgeted income is designated to "Outside Mission Causes." Beginning with an annual budget of $21.35 in 1894, the church now operates on a budget of $65,626. Since 1950 the church has paid one-half the salary of the Rev. James P. Kirk, Missionary to Brazil.

The church has produced five preachers of the Gospel: the Rev. Jack Wilder, the Rev. Caleb Goodwin, the Rev. Norman Mitchell, the Rev. Charles Dorman, and the Rev. Bobby Travis, who is now serving on the Foreign Mission Field.

In February, 1967, the church purchased property on Page Road for the purpose of starting a Mission of this church. The mission was organized and the first services held on August 6, 1967.

HISTORY OF YATES BAPTIST CHURCH

In the fall of 1877, the "brush arbor" tent meeting was held on the corner of Cornwallis and Chapel Hill Roads, out of which grew the organization—the following April 20, 1878—of Yates Baptist Church, Durham, N. C. It was a project of the First Baptist Church of Durham, under the leadership of Dr. Columbus Durham, who held the first pastorate in connection with his duties at the First Baptist Church. The Yates Baptist Church was named in honor of Dr. Matthew Tyson Yates, who was North Carolina's first Baptist missionary to go to any foreign land.

There were 31 charter members, and at the present time, membership totals 819. Twenty pastors have served the membership, and at this time the pastor is Ray K. Hodge, who is in his eighth year.

Of course, the brush arbor was temporary and the first building was a small frame structure. In 1923 a larger brick building was constructed. This building was totally destroyed in a tragic fire on December 22, 1946. Following the fire, services were held in the Hope Valley School building for 20½ months. The educational unit of our present structure was occupied in September, 1946. The sanctuary was occupied for the first time in May, 1955, and the present property valuation is approximately $370,000. The church abides by a well-planned constitution and has advanced from a part-time preacher and a $1.00 per month sexton, to a staff of eight, operating on a yearly budget of $96,500.

In addition to the year-round graded teaching auxiliaries of the church, an annual week of camping and study highlights the summer spiritual activities for the young people. A loan fund has been established and money is available to student members of the church who wish to borrow for their education.

Recently, the church underwent an extensive re-modeling of building and equipment, landscaping and paved parking lot. In the fall of 1966 two significant projects were attempted: A successful Forward Program of Stewardship, and Day Care and Kindergarten. There are approximately 60 children enrolled, supervised by a staff of ten.

REPORT ON BAPTIST CHILDREN'S HOMES

Our Children's Homes continue to seek to provide the proper atmosphere, encouragement and supervision to assure the development of the inborn, God-given talents of our children.

This agency offers a variety of quality services to the children. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall a cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in this way. Thus, many boys and girls, are privileged to grow up in Christian homes.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and offer counseling services to distressed families.

This June the first of the new family cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. It is a model for the family approach in group care. A similar cottage is under construction at Mills Home and two buildings of this type are now being built at Kennedy Home.

The Child Development Center at Mills Home was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program for churches in beginning any phase of weekday care and education for preschool children.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care—a program that will merit the undivided support and loyalty of our people.

Robert Frye, Representative

REPORT ON BAPTIST HOSPITAL OF NORTH CAROLINA

The rapid changes that are taking place today are affecting more and more people. During the last 25 years, we have witnessed in medical care a real transformation. No other field of service has advanced any faster than Medical Science.

Today our Baptist Medical Center in Winston-Salem stands as one of the very finest in our country. It is very evident that this progress will continue as we look to the future.

This is a day of increasing specialization, with men and women highly trained in their special fields of medicine. To keep in line with progress in research and other areas of service is very expensive.

The year 1966 closed with a deficit of $400,000. This is how it happened. The hospital gave in Free Service Care a total of $1,511,000 beyond what service patients (those who must have financial aid) and their insurance could pay.

Mother's Day Fund	$277,000
Welfare Funds from all sources	588,000
Gifts from individuals, corporations, etc.	101,000
Other incomes: Soda Fountains, Barber Shop, Pharmacy, etc.	145,000
Deficit equals	400,000

What did this $1,511,000 do? It provided 29,532 days of Free Hospital Care for 4,557 needy patients. It provided free or partly free service for 17,042 patients, who made 98,630 out-patient visits.

Hospitals have been brought under the minimum wage law. Employees (563) are now being paid the minimum hourly wage, and, this will continue to rise. This, plus cost of living being up, plus drugs and other items caused an increase of 40% in operating expenses.

Our records show that only 37 of our 47 churches have contributed to the Mother's Day Offering, January through September but we are already within $28.49 of the complete offering of 1966. The Baptist Hospital is a service institution and the last hope for a great number of our friends, who are seriously ill. They have spent all their money and are asking for help. Pastors, Board Members and Finance Committees give this information to your people. THIS IS OUR MISSION!

Baptist people have always responded when informed. Please may it be known *now* that many of our Baptist churches have not increased their contributions during the past 15 years. It is our hope that our people will become informed and increase that offering next year!

Respectfully submitted,
J. B. Cash, Representative

REPORT OF THE EVANGELISM COMMITTEE

This past year the churches of our association baptized 592 persons. This represents a ratio of one baptism for every 45 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, EVANGELISM. Evangelism is the heart of our churches' existence. If we fail to this point, then we have failed in our purpose and mission.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is much more than a two-week period of revivals. It is an emphasis that should occupy our churches throughout the years of 1968-69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-1969. Some of the challenges in the Crusade of the Americas for our association are:

ASSOCIATION-WIDE SEARCH FOR PROSPECTS—May 5-19 1968
ASSOCIATION-WIDE VISITATION WITNESSING—Jan.-Feb. 1969
ASSOCIATION-WIDE SIMULTANEOUS REVIVALS—March 16-30 1969

Further plans pertaining to this phase of our evangelistic outreach will be brought to your attention in future board meetings and through your pastor who is a major key to the success of this great undertaking.

Respectfully submitted,
Vernon B. McDaniel, Chairman

REPORT OF THE LIBRARY COMMITTEE

The Library Committee has organized the associational library which is located in the associational office. The books are fully catalogued and ready for circulation. We wish to thank Mrs. Noah Brown, Mrs. Ollie Yeargan, and the G.A.'s from Ridgecrest Church for helping with the processing of the books.

Respectfully submitted,
Mrs. W. A. Crabtree, Chairman

REPORT OF THE ORDINATION COMMITTEE

The Ordination Committee of the Yates Baptist Association received requests this past associational year to examine two candidates for the ministry.

These candidates were examined and recommended for ordination by their respective churches.

The two men were Mr. Wayne Minton from Holloway Street Church and Mr. Jim Bock from Cheek Heights Church. Both men have been ordained by their respective churches and are actively engaged in the ministry.

Respectfully submitted,
Malbert Smith, Chairman

REPORT OF THE STUDENT WORK COMMITTEE

This committee has met each quarter during the past year: at the BSU Center in Chapel Hill during the first quarter, at the Westwood Baptist Church during the second quarter, at the BSU Center in Durham during the third quarter, and at the Yates Baptist Associational office during the last quarter.

We have continued to study our task and we have sought to define some specific goals and objectives. We have endeavored to encourage the churches of this Association to show an active interest in the university students and in the campus ministry of the BSU. The financial report shows that the Association has continued its monetary assistance to the program budget of the two Centers with a contribution of $1300. It is a source of great encouragement that several of our local churches have in their own local ministries active programs of student work and helpful support of the BSU campus ministry.

We urge the churches to reach out and embrace the university students, to challenge them and be challenged by them, to walk with them in the frustrating search for self-development, and to share with them their dreams for a better and more thoroughly Christian world. We urge the Yates Association to continue its support of student work through an active committee and by financial assistance to the campus Center programs.

Respectfully submitted,
Sherrill Stevens, Chairman

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925, many do not know what this plan is. The question, "What is the Cooperative Program?" is often heard.

The answer is simple. What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad; it's preaching the gospel; it's healing in the name of Jesus through hospitals and clinics everywhere; it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offering Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . . !"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year, North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available, our association gave $187,740.33 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget;
(2) That special emphasis be given to prayer for cooperative causes during October and throughout the year;

(3) That each church give regularly through the Cooperative Program;
(4) That in response to the special call of the General Board of the Baptist State Convention, we increase our Cooperative Program giving by at least 10% during the coming year, that all may learn of Christ.

Respectfully submitted,
Mrs. G. H. Dickerson, Representative

REPORT OF THE WOMAN'S MISSIONARY UNION

The Woman's Missionary Union of the Yates Baptist Association has had a rewarding year in many ways. One reason for the blessings received was the inspiration received from our watchword for the year: ". . . Grow in grace and in the knowledge of our Lord and Savior Jesus Christ"—I Peter 3:18. Emphasis for the church this year has been "A Church Fulfilling Its Ministry Through Education."

There have been several "firsts" this year for our Associational WMU:

1. YATES WMU NEWS—a quarterly news bulletin with dates to remember, emphasis for the quarter and news of interest. It has been sent to all local WMU presidents, youth directors, pastors, and Associational WMU Executive Board with the hope that they will share the information.
2. February 17, 1967—Associational Y.W.A. chartered a bus to go to the State YWA Convention in Charlotte for an overnight trip. In spite of the inclement weather there were 39 who went from 8 churches.
3. May 15, 1967—Associational-wide study of the WMU Concept Book, THE WOMAN'S MISSIONARY UNION PROGRAM OF A CHURCH by Mathis and Dickson, was taught at Grace Baptist Church by Mrs. Carl Lewis, second vice-president of North Carolina Woman's Missionary Union. Twenty-five churches were represented by 162 persons who attended. Mrs. Lewis, with the help of Mrs. R. E. Gray (mission study director of association), used groups from ten churches to help her present this most interesting and worthwhile study.
4. July 15, 1967—Associational Sunbeam Day Camp for 8-year olds. Mrs. C. D. Johnston, Associational Sunbeam Band Director, with the help of other adults (men and women) worked together to make our first Day Camp very successful. There were seven churches represented with sixty-two attending. Some activities included: Mission study with Miss Laura Frances Snow, missionary on furlough from Chile, teaching WHO ME?; nature hikes; Bible study; creative activity; picnic lunch; rest time; recreation; skits; singing; and inspiration to close a wonderful day of camp at our assembly grounds.
5. Associational Calendar of Prayer was included in the WMU yearbook giving the birthdays of local presidents, executive board members, and superintendent of associational missions in the hope that this would be used in addition to our regular calendar of prayer for our missionaries and would strengthen our ties through prayer.
6. July 22, 1967—G.A. FAIR at Yates Assembly grounds was a festive occasion with singing, food, fellowship, competition among the churches and real group spirit for missions (booths represented different countries). Nineteen churches were represented by 268 GA's and counselors.

7. WMU Room at Associational office—for files, etc. that need to be centrally located for easy access to those who might have the desire to use them. This includes posters, slides, filmstrips, flip charts, etc.

8. A four-night Leadership Institute was held September 26-30, 1966, at First Baptist Church with 264 attending from 33 churches. Those persons meeting requirements for Leadership Cards were 104.

Quarterly Associational Executive Board meetings were held with good attendance, splendid cooperation and genuine interest in seeking the best way to assist our association in carrying out God's will for us. In January local WMU presidents attended also when we met at Grey Stone Church. The meeting in July was held at the Associational office (this is just *one* advantage of the new location of this office).

Our annual associational WMU meeting was held at Temple Church, April 20, 1967, with Mrs. James Moorhead, missionary to Philippines, as guest speaker. Other guests included four visitors from Murdoch Center, Associational Youth Choir, Mr. Bruce Little—vice-moderator of Association, Mr. Aubrey Wheeler, vice-president of Associational Brotherhood. Group II served a delicious meal to 283 people from forty-four churches.

The August 29th associational WMU Night was held at Grey Stone church. Theme for this meeting was "Teach Me" with special emphasis on educating our youth. Guest missionary speaker was Miss Laura Frances Snow, youth worker in Chile. Youth directors gave reports of activities by our YWA, GA, Sunbeam Band organizations. Little Cindy Dorrity gave her ideas of Sunbeam Day Camp and sang "Jesus Loves Me" in Spanish; Susan Rogers gave her impressions of GA camp at Camp Kanata in August as a Junior Counselor. It was an inspiring and challenging evening for the 182 who attended representing 32 churches.

We are thankful for all the dedication on the part of our board members, local church officers, WMU members, and pastors who have made contributions to this year's work. Our prayer is that as we "grow in the grace and knowledge of our Lord and Savior Jesus Christ" that each of us might be more consecrated and more useful to God in the work that He has for us to do.

Some facts and figures are listed below in the hopes that you might know a little of the work that has been done and also the interest shown by our churches:

The W.M.U. of the Yates Association has obtained Honor Recognition for the third consecutive year. This is only attained as the local churches seek to grow and extend their ministries. Lowes Grove WMU also is an Honor WMU for the second consecutive year. We congratulate them on their fine work and pray that more of our churches will follow their fine example.

NINETEENTH ANNUAL MEETING—YATES W.M.U.

APRIL 20, 1967

The 19th Annual Session of the Yates Associational W.M.U. was held on April 20, 1967 at the Temple Baptist Church with Mrs. Carlton O. Couch, President, presiding. The theme of the meeting was "Grow In Knowledge of our Saviour."

Mrs. Robert Helms, with Mrs. A. Clyde Ferrell at the organ and Mrs. W. T. Dorrity at the piano, led in singing "O Master, Let Me Walk With Thee." The invocation was given by Dr. Julius Corpening, Pastor of Temple Baptist Church.

Mrs. Linwood McCullers, President of Temple Baptist W.M.U. extended a cordial welcome to the group and Mrs. A. A. Gregory responded.

Mrs. Mary Whaley, Group Leader IV brought the devotion by giving her personal testimony as to what Christ means to her, followed by prayer.

Choral Selections "O For a Thousand Tongues" and "When We all Get to Heaven" was rendered by the Associational Youth Choir, under the direction of Mr. David Pierceall.

Mrs. Couch recognized the Pastors, visitors, and Mrs. Helen Harper from Mt. Hermon Church who painted the back-drop for the meeting.

Mrs. Robert Helms led in singing "Teach Me to Pray" followed by the Call to Prayer by Mrs. A. A. Gregory, Associational Vice-President.

Individual reports were given by the Executive Board presenting the work of the past year and indicated activities and accomplishments.

A special Feature was presented by Murdock Center, Butner, North Carolina. Chaplain Greene introducted two of the students from the Center. Miss Linda McCoy rendered a musical selection "Breathe On Me." Mr. Charles Holt expressed the gratitude from all the other students for the Sunday Services that were rendered to them each week. Chaplain Cecil also added his thank you for the work that was being done. He stated that our Association gives more voluntary work in any given hour than any other organization in the State. He shared with the group their schedule for Sunday. Chaplain Cecil shared accomplishments and also many needs that were still unable to be met. He said, a way that churches can really help it to get acquainted with individuals and share the love of Christ with them and to meet their needs on special occasions. The greatest thing is for them to know someone cares for them as an individual. There is a unit for the blind and a cottage for old people that have no services and need people to share their love and concern for them. He closed his thoughts with this verse—"When ye have done it unto the least of these my brethren."

Mr. Bruce Little, Vice Moderator for Yates Association, closed the first session with prayer and offered thanks for the meal. Supper was served by Group II. Mrs. Hubert Warren, Leader.

The evening session was opened by singing "We Praise Thee, O God, Our Redeemer." The devotional and prayer was led by Mr. Aubrey Wheeler, Vice President of the Associational Brotherhood.

Mrs. John Waller of Immanuel Church sang "How Lovely are Thy Dwellings" accompanied by Mrs. Lewis Wall.

During the business session, Miss Van Kearney gave the Treasurer's Report and presented the budget for 1967-68 which was approved.

The Time and Place Committee, Mrs. Elbert Murphrey, Chairman announced that the 20th annual session will be at Durham Memorial Baptist Church, April 18, 1968 with Group III as hostess.

Mrs. Hubert Mumford, Chairman of the Constitution Committee presented the following change—Article IV, section 1:

Section 1. (a) The officers shall be: President, Vice-President, Secretary, Treasurer, Group Leaders, Historian, a director for each of the young people's organizations, namely: Y.W.A., G.A., and Sunbeams, and the following committee directors: Mission Study Stewardship, Prayer, Community Missions, Publications and Programs.

Motion was made by Mrs. Hubert Mumford, second by Mrs. Vernon Weaver that the proposed change be adopted. The motion was carried.

Mrs. J. C. Seymour, Chairman of the Resolutions Committee, presented the following resolutions:

"1. We are deeply grateful to Temple Baptist Church of Durham, host church, the Rev. Julius Corpening, pastor, the entire church staff and the Woman's Missionary Society for its gracious hospitality to the annual meeting of our Association.

"2. We thank most cordially Group 2 for the preparation and serving of the delicious supper.

"3. The Associational Youth Choir under the direction of Mr. David Pierceall is commended for the lovely music presented, also thanks to Murdoch Center for the inspirational message.

"4. To all who have had a part in making this meeting a success, "Thank you!"

Director; Mrs. C. E. Brown, Treasurer; Miss Ila House, Community Missions; Mrs. Paul Shoupe, Stewardship Director; Miss Van Kearney, Historian; Mrs. Grady Mason, Publications Director; Mrs. C. P. Fogleman, Camp Director; Mrs. Clyde Terry, Group Leader I; Mrs. Vernon Early, Group Leader II. Officers serving their second term were presented as follows: Mrs. Carlton Couch, President; Mrs. W. T. Dorrity, Secretary; Mrs. J. A. Fogleman, Y.W.A. Director; Mrs. C. D. Johnson, Sunbeam Director; Mrs. W. J. Broadwell, Program Director; Mrs. Robert Gray, Mission Study; Mrs. W. C. Hall, Prayer Director; Mrs. Elbert Murphrey, Group Leader III; Mrs. Mary J. Whaley, Group Leader IV. Mrs. Vernon Weaver presided over the Dedication of Officers who will assume their office in October.

Mrs. W. J. Broadwell, Program Chairman of the Association introduced Mrs.

James Moorhead of Bambridge, Tenn., a Missionary to Philippines. Appointed by the Foreign Mission Board in 1962. Mrs. Moorhead spoke on "Go Ye . . . Learn of Me." She stressed that we must show a concern for others as Jesus did. We in our churches today need more love, compassion, understanding and concern for our fellowman. "Go Ye" What will our witness be? Can we go with the attitude of what makes a difference to you makes a difference to him.

The session was closed with a mixed quartet from Temple Baptist Church singing "O Master, Let me Walk With Thee," as the benediction.

YATES BAPTIST ASSOCIATION MISSION ACTION

MURDOCH CENTER PROJECT

For the past few years our churches have responded in a splendid manner to the Sunday afternoon worship service at Murdoch Center. We appreciate all the help you have given in this most worthwhile endeavor. However, after a thorough study and prayer, we would recommend the following change in our procedure.

Beginning December 31, 1967 instead of leading a formal worship service at the 3:00 hour for the entire congregation at Murdoch Center, we are planning to ask each of our churches in the Yates Association to visit in *one* cottage.

A main purpose of our visit is socialization. One of the greatest needs of the residents is individual attention and companionship from someone who will listen to them and carry on a personal conversation. Loving care from others is most meaningful to these persons, many of whom do not have contacts or visits outside the institution.

In your visit you may wish to include some simple games or singing or some fun activity. If some of your group plays instruments such as the guitar, autoharp or a band instrument, this would be enjoyed. A brief worship of five minutes would be an appropriate close to your visit.

Following are some suggestions for your group as you plan to go to Murdoch Center on your assigned Sunday:

1. Report to Murdoch Center School Building at 3:00 p.m. From there someone will direct you to a cottage.
2. Provide *simple* refreshments for approximately 65-75 residents

A schedule for the churches has been prepared and distributed to every church in our association. If there are further questions contact Miss Ila House, 111 Cherry Grove St., Phone 596-3836.

In your continued cooperation with this important ministry, this committee is sure that you will experience a new sense of fulfillment of the Master's words: "When ye have done it unto the least of these my brethren, ye have done it unto me."

Respectfully submitted,
Mr. Aubrey Wheeler

REPORT OF MUSIC COUNCIL

The Music Council met six times during the past season in executive meetings to plan the work of the group for the season. There was good attendance of council members in most of these meetings.

A choir was used for the opening of each session of the 1966 Annual Associational meeting in October. It is planned to have a similar choir again for the 1967 meeting.

The annual Choral Clinic was held at Temple Church on February 13. About 60 people from 22 churches of the association attended. The guest leader for this clinic was Dr. J. Perry Watson.

One of the council members, Joe McGugan, led a male chorus in the annual Deacons' Night meeting at Braggtown Church in November.

David Pierceall, another council member, has been doing a fine job with a Youth Choir which has sung several times during the year, particularly in connection with Training Union youth meetings.

On March 13 an area choral clinic, led by members of the music council, was held at Ridgecrest Church. There were representatives present from seven churches, with an attendance of 40. Ridgecrest had by far the largest number of those present, and that same church had the largest representation at the Choral Clinic held the previous month at Temple Church.

The music council director attended a rehearsal of the Ebenezer Church choir on July 19, toward the end of giving assistance as requested in certain areas. It should be stated here that members of the associational council are on call (as time and opportunity permit) to give such assistance to churches. We cannot claim to be able to solve every problem, of course, but we will assist in every way possible to the best of our ability. We feel it is helpful just to share ideas among various churches.

On Sunday afternoon, October 15, the seventh annual Yates Association Hymn Sing was held at Edgemont Baptist Church. Choirs from Guess Road, Homestead Heights, Olive Chapel, Grey Stone, and Edgemont took part. The hymns used were favorites of people in the Association, for they were chosen by a poll taken during the previous four weeks in the churches of the Association. First place hymns were: general, "How Great Thou Art"; Christmas, "Silent Night"; Thanksgiving, "We Gather Together"; Easter, "Christ Arose."

Respectfully submitted,
John Laverty, Director

REPORT OF CAMP COMMITTEE

During the past year the camp has been used by 71 groups from 24 churches. Groups on a single week have ranged from one to five. Including associational R.A., G.A.,Y.W.A., and Sunbeam camps, there has been a total registration of 2,182 people. It has been found that once a church uses the facilities it will tend to come back over and over again. Several of our churches, however, have never had a group on the grounds.

The ball field, playground, shelter, pond, tent areas, and lodge have all been improved. A piano was donated by Pearson Music Co. and a wall clock by the Grace Church W.M.U.

Our main problem has been the shortage of water. We have had another unsuccessful attempt at drilling for water, even with the advice of a hydrologist. However, there are plans for providing an adequate storage tank which should alleviate the problem. As soon as this condition is remedied we will be able to complete plans for several weeks of resident camps next summer.

Respectfully submitted,
Walter O. King, Chairman

REPORT OF CHRISTIAN LIFE COMMITTEE

On November 3, 1966, shortly after the Association met last year, a conference on the theme "A Church's Mission and the Problems of Poverty" was held at the University Church in Chapel Hill. The conference was sponsored jointly by the Yates, New Hope, and Cedar Grove Associations. The speakers for the occasion were Dr. Samuel D. Proctor of Washington, D. C., and Dr. Claude Broach of Charlotte. Their messages were recorded on tape and made available through the Yates Association Office.

Follow-up meetings were held, and the work of the conference, including its discussion groups, was summarized. Some of the comments and suggestions were mimeographed and made available to participants and churches. Perhaps it is appropriate to remind Yates Association of some of these comments:

1. Our church buildings are not being used enough for the good of others who are outside our folds.
2. Christians must keep on working and not despair when those who are helped do not come to church or respond gratefully.
3. The poor often do not understand those who try to help them.
4. Churches can provide day care centers, literacy classes, classes for unwed mothers, and similar programs in areas where needed. The LISTEN team that lives and serves within a poverty-stricken area was cited as a good example of a church-sponsored activity.
5. Much of the problem lies in the hearts and minds of people. Christians have trouble even defining the problem and hold widely diversified opinions about what, if anything, churches should be doing. Nevertheless, the church has an obligation to support programs, including those of government, that help the poor break out of the cycle of poverty.

A second jointly sponsored conference will be held at First Baptist Church, Durham, on Thursday, November 2. The theme will be "Christian Family Life and Its Social Implications." The churches of Yates Association need the thoughtful inspiration of these conferences, and the committee earnestly solicits a good and representative attendance.

The committee notes with pleasure that the state convention-sponsored Conference on Christian Social Ministries was held in Durham this year, and that the City and Metropolitan Missions Department is focusing attention on many of the concerns of this committee.

In addition to statements on civil disturbance, housing, and peace, the committee considered the inclusion in this report of statements on abortion and alcoholism. With regard to problems concerning abortion, we are pleased to note that the state legislature dealt with this matter this year and produced legislation which the committee regards as helpful and progressive.

We suggest that the committee for 1968 include among its major interests a study of alcoholism and drug addiction in this area, and that the committee consider what steps, appropriate to Christian concepts of freedom and law, should be taken by the churches of the area in regard to pornographic literature and records.

We also wish to commend the development of the concept of *MISSION ACTION* in the Brotherhood and W.M.U. organizations, especially as it relates to the whole of a church. We note with pleasure that the Temple Church is planning an *Institute on Mission Action* to which our churches will be invited.

The Committee welcomes every sign that the churches of this Association are increasingly conscious of their fellowship with Christian churches bearing names other than Baptist. In view of the changing nature of the community and its needs, and in view of the large number of Baptists here, it behooves us to take the lead in ecumenical relations. By so doing we support current mission action in our communities. The work of the Interchurch Council for Social Service in Chapel Hill and Carrboro is the kind of activity meriting the warm support of all the churches in our metropolitan area.

Statement on Civil Disturbance

The Christian Life Committee of the Yates Baptist Association expresses its deep concern with respect to rioting in our cities in recent months. It rejects without equivocation such expressions as legitimate means of resolving problems and condemns lawlessness, vandalism, and violence.

In so doing the Committee reminds us that much that has gone on is the direct expression of resentment against injustice, deprivation, and the deplorable conditions under which minority groups are forced to live in this nation, conditions which none of us would passively accept for ourselves or for our children. The Committee feels that the time is rapidly running out when we can avoid open rebellion and revolution within the borders of our nation. We, therefore, call upon our churches to involve themselves in creative, constructive ministries to human need in urban and rural ghettos. We further strongly urge that the public and private sectors of our society—local, state, federal—immediately undertake forceful and fair methods to achieve adequate job opportunities, housing, health and education services, and political enfranchisement for all citizens of this nation.

As we call attention to these conditions and call upon churchmen and citizens for constructive action we remind all who hear and read that the crisis whereof we speak exists in our own community and is being intensified almost daily. At the same time we deplore the inaccurate identification in the public media of the demonstrations of the summer in Durham as "riots."

Statement on Housing

Housing that is safe and clean is essential for healthful living both for persons and communities. In the past, as in the present, not all housing provided the residents of our communities has been of such quality. Such conditions must be remedied if we are to live in peace and tranquility.

The Christian Life Committee, therefore, calls upon the owners of rental property to maintain their property in decent, safe, and clean condition, abiding by the housing codes of our municipalities. We call upon the Housing Authorities and City Councils to provide needed public housing units in the light of both massive urban renewal projects and the apparent inability of the private sector of the economy to provide adequate housing. In so doing we urge the appropriate authorities to exercise due care to avoid the intensification of ghetto life by a concentration of housing projects and to be responsibly sentitive to the needs and problems of the residents of such projects.

We note with satisfaction that the Interchurch Council for Social Service in Chapel Hill and Carrboro has taken first steps toward providing low-cost housing for moderate and low income families. We call attention to the fact that such housing may be provided on a non-profit basis with the aid of federally financed programs.

As we address ourselves to the governments of our communities and nation, we call upon our churches to develop an understanding of the problem of housing, to find ways of ministering to the needs of persons forced to live in slum conditions, and to support efforts on the part of government agencies, private agencies, and individuals to remedy such conditions.

Statement on Peace

At the Southern Baptist Convention meeting in Miami this year, the Christian Life Commission asserted in part:

"Extremely complex issues have thrust our nation into armed conflict in Viet Nam. It is our profound conviction that as Christians today we must nevertheless reaffirm and proclaim those eternal certainties concerning peace which are clearly revealed in the Bible: the boundless love of God for all men; the value of human life; the worth of the individual; and the prime importance of justice, mercy, and love in human relationships.

"In view of the precarious balance of terror which exists in this nuclear age, the waging of peace is a responsibility believers can evade only at great cost. The mandates of the Christian gospel, moreover, preclude our evasion of those problems which contribute to our dangerous predicament and make for war.

"While historical situations recur when war seems to be the lesser of two evils, it is generally true that men come to such tragic alternatives because they have neglected the things that make for peace. Christians do well to remember the words of Jesus, addressed to a disciple trying to defend him, 'They that take the sword shall perish with the sword,' as well as his great beatitude, 'Blessed are the peacemakers, for they shall be called the children of God.' The ideas and circumstances which culminate in conflict can never be permanently overcome with military might alone.

"Many factors in history have militated against the peace of the world. Some of the most obvious of these are: totalitarian political systems which claim a monopoly on truth; the ambitions of power figures in expansionistic states; the great gulf between the rich and the poor, both within nations and between nations; and the conflicts based on race, color, religion, and class . . . .

"We believe that any hope for peace and stability in our world will require the creative and redemptive efforts of all Christians in removing these and other barriers to peace."

The recent statement on Vietnam by the Committee on National Affairs of the North Carolina Council of Churches also has much to commend it. The statement affirms the basic Christian theological positions that are so relevant to peace:

1. We affirm God's universal and loving rule over the world. All men and all nations are under His judgment and care. It is our responsibility to prevent our people from worshiping the nation as God. Good people who should know better frequently assume that the God of heaven and earth is always on the side of our nation and our people . . . ."
2. "We acknowledge the universal sinfulness of man. Yet in time of war even good churchmen become guilty of painting the enemy as all evil and our nation as all good. The church should lead the nation to repentance . . . ."
3. "We affirm the Christian's universal obligation to love, even when love is not returned . . . ."
4. "We affirm that the Church is universal, transcending all national boundaries, all racial barriers, and all political conflicts . . . ."

The statement warns that there are three prerequisites before Christians ought to do anything specific in connection with national conflict:

1. "More learning. Too many of us speak out of ignorance and poor preparation. In our reading and study, we should make every effort to look at all sides

of an issue. Some magazines, for example, give only the conservative viewpoint and some speak only for liberals. We should be sure our reading is balanced. We should be familiar with the statements of the official bodies of our own denominations, the North Carolina Council of Churches, the National Council of Churches, and the World Council of Churches."

2. "More hard thinking. It is one thing to read it. It is quite another thing to think. Discussion groups are helpful. We need to talk with persons who can help us think through the implications of our ideas, and better still, who will pray with us for wisdom and guidance. Local church groups should promote dialogue on Vietnam."

3. "More openness. We should be willing to keep in communication with those who disagree with us, seeking constantly to reduce the area of disagreement."

Your committee stands solidly with the Christian Life Commission of the Southern Baptist Convention in its approach to the church's relationship to the government in time of conflict:

"It is not the Christian Life Commission's intent to make specific proposals about government policies, military strategy, or diplomatic approaches to negotiation with our present political adversaries. We recognize that there are vast differences of opinion among Christians about peace in general and about our involvement in Vietnam in particular. We do believe, however, that open discussion of the issues is desirable; and we strongly affirm that public debate is a great strength in our democratic tradition. Such open discussion and public debate are necessary if we are to achieve a sense of moral certainty about the course of our action. We are disturbed both by the large weight of world opinion which questions the wisdom of our current policy and by those here at home who doubt the patriotism of anyone who questions our government's present official position. As Baptists, we understand that the separation of church and state leaves the church free to speak on national issues and impels us as Christian citizens to give our best thought to public affairs. . . ."

"We call upon all the churches not be blinded by distorted appeals to false patriotism so that they lose sight of the personal tragedy, the great sorrow and the fantastic cost attached to the present conflict. A spirit of solemn penitence is in order."

"We urge all Southern Baptist churches and our fellow believers everywhere to unite in earnest prayer for peace and for renewed vision among God's people for the task of declaring and demonstrating His love to the suffering peoples of the earth."

Members of the Committee who have served this year are: Julius H. Corpening, Chris C. Hamlet, Mrs. N. B. Lockwood, and E. Coye Still.

REPORT OF RADIO-TELEVISION COMMITTEE

In the report of this Committee last year, we outlined the various radio and television programs being broadcast in this area after being produced by the Radio and Television Commission of the Southern Baptist Convention. The list is impressive.

It was our hope that, by providing this information to the members of the Yates Baptist Association, many more of us would take advantage of these outstanding programs. We have no way of accurately reflecting the listening and viewing audience of this area, but we hope this has been true.

Also in our Committee report a year ago, we indicated that we were investigating the feasibility of developing a weekly radio religious newscast to be prepared by the Yates Baptist Association and made available to one or more of the local stations.

A careful study of the programming by each of the radio and television stations in this area brought us to the conclusion that we are not making use of the opportunities which already are available to us, and while the development of our own weekly program certainly is desirable it would require a considerable monetary outlay and the services of one individual. The demands on that person's time would be so great as to preclude it being done by a volunteer, unless it was someone both qualified and retired.

Hence, as the next logical step, your Committee recommends that each person in the Association who is concerned with the dissemination of information through these media first make full use of the opportunities which currently are available.

To help acquaint you with these opportunities, your Committee, with the assistance of the Yates Association staff, has prepared a folder which lists current religious programs, including both those prepared by the Radio and Television Commission of the Southern Baptist Convention and locally produced programs which accept announcements and other materials from local churches. The folder, which is being distributed at our Associational meeting here today, not only names the programs, stations and times of broadcast, but also lists the names of the persons to contact and the deadlines for submission of material. Most deadlines are one week in advance of broadcast.

One further word of advice is offered by your Committee: get to know the programs before sending material to them. Nothing can hurt our relations with these stations more than sending materials which, by their very nature, lets the man at the station know that you never watch or listen to his program.

Finally, your Committee urges each of you to make use of the information that is available to you in your own Yates Association office concerning the availability of audio visual materials. These include recorded music, motion pictures, Bible study courses, and literature which offers suggestions to the pastor going on television or to the church whose service is to be televised.

Clarence E. Whitefield, Chairman

REPORT ON THE BIBLICAL RECORDER

In times like these when so much information is being flashed through the air, across the skies and over the printed page we give our humble thanks for the fact that we still have one source of information that is neither polluted by the spoils of profit nor tainted by political pressure.

The $3 annually paid for a subscription to our "Biblical Recorder" is a bargain that cannot be surpassed by any other news media. The Recorder has been the official organ of the North Carolina Baptist State Convention for over one hundred and thirty years and it still remains in the forefront in its battle for righteous living.

With a Christian gentleman like J. Marse Grant to edit this paper and with the assistance of his able staff and board of directors the Baptists of North Carolina naturally expect a great paper and they get it.

In our recent Legislature the Recorder, through its fearless editor, gave our State the cold facts on how near we came to having liquor by the drink and with it sold as easily as a soft drink is sold today. It was this editor who personally and almost single handed went before the various committees and the entire Legislature to fight this deadly sin from our state. We have every reason to believe that this same fight will go on into our next Legislature and we believe that the "Biblical Recorder" with its present staff will be in there fighting our cause.

Again and only recently when our state was being browbeaten by a national politician over the fact that North Carolina raised, sold and manufactured tobacco, the Recorder with blaring headlines proclaimed the fact "that notwithstanding any harm which may come from tobacco we have not heard of it causing any broken homes, divorces and highway deaths." The politician whose family had made millions on whiskey never responded to the statement.

A full page of the Recorder was given recently to the views of a mountain minister, who is one of Yates Association's own sons, and this article gave a formula for using all of the retired and semi-retired ministers in his locality. With the large number of this group alone we may have been able to find how to use this valuable material in a profitable manner.

At the present time one of our own associational ministers, Reverend D. E. Perkerson of the Carrboro Church is giving us the Sunday School lesson from week to week through the Recorder.

The regular reports on our mission fields, universities, colleges, schools, children's homes, homes for the aged, relief and annuity boards and the many and varied activities of our Baptists over the state, the nation, and the world are not available to North Carolina Baptists outside of the "Biblical Recorder."

Our goal for next year is for every Baptist home in the Yates Association to have and to read the "Biblical Recorder."

REPORT OF EXTENSION COMMITTEE

A church site for future development has been acquired at the northwest corner of Cole Mill Road and Sparger Road about one and a half miles northwest from the present city limits of Durham. This site of four acres cost $13,500.00 with $3,800.00 paid down, the balance in three annual installments.

The need exists for church sites around Chapel Hill-Carboro, directly north of Durham in the Roxboro Road area, and between Durham and Chapel Hill. The committee expects to study these and other areas for sites, and make further recommendations as soon as possible and wise.

Fred J. Herndon, chairman

REPORT OF CITY AND METROPOLITAN MISSIONS COMMITTEE

The Minutes of the 1966 Annual Meeting call for this committee to bring a "complete report" at this (1967) annual session. We can only bring a *progress report,* however, for the work of this committee is so vast and far-reaching that we on the committee feel that we are just beginning to do what the Association wants us to do.

Due to the change in the chairmanship of the committee we were late getting started. Our first meeting was held in March, and we met once each month thereafter, with the exception of the month of August.

We first occupied ourselves with an attempt to understand our assignment. It seemed to us to be basic and elemental that if we were going to make a study, we had to have definite and clear objecties before us. Inasmuch as these were not furnished us, we felt it our duty to develop them.

One area of work that we have accepted as our responsibility is that of research into the nature and character of our own urban area. Accordingly, we employed a part-time secretary to get some facts for us from the City Planning office on population trends in Durham, projections of population concentrations, projected land uses, plans for urban redevelopment, church locations and membership, and thoroughfare projections. Similar studies will be needed for Durham County and for Chapel Hill.

Also, we had Dr. Jack Preiss, of the Department of Sociology of Duke University, take one entire meeting and talk with us about the character of Durham. An example of the magnitude and complexity of our situation can be seen in the statement that population shifts within the U. S. will soon result in the U. S. being composed of 10 or 15 large cities, with Yates Association being on the outer rim of a new city with New York at its center.

Another area of study that has occupied us is the clarification of concepts. We find it necessary and beneficial to arrive at a common understanding of such terms as "The Church," "Urbanization," "Ministry," "The Association," "Cooperation," etc. Accordingly, each member of the committee has been requested to prepare a paper on the following subjects: "The Mission of the Church in an Urban Society," "The Mission of the Association in an Urban Setting." Two such papers have already been presented by members of the committee. The remainder will be given at the next meeting.

All in all we feel that only now are we getting into a position to clearly formulate our objectives. In another month or two we expect to be able to offer to the Board a statement of our objectives for their concurrence.

We do feel that the work of this committee is of such nature that its personnel should be continued rather than be changed from year to year. We respectfully request that the Committee on Committees be instructed to abide by this request insofar as it is possible to do so. Also, we would like to request that at least two more laymen be added to the committee as it is currently overbalanced in favor of the preachers.

A very important matter regarding the work of this committee is the relationship to, and the involvement of, our Superintendent of Missions. We who compose this committee realize that the amount of work to be done and the volume of study and research necessary to orderly and expected progress, require much more time and attention than we can give as individuals or as a group. At our request, our Superintendent of Missions attended the "Summer Institute in Urban Planning" held at the Georgia Institute of Technology in Atlanta, July 10-21, 1967. There he received invaluable training that will help equip him to guide us in our transition from a rural to an urban community. It appears to us that he will need to attend other such institutes and conferences from time to time.

Our Superintendent of Missions will also need to work very closely with our Home mission Board in developing guidelines and principles for our urban-ministry-to-be. He will need to work closely with the Department of City and Metropolitan Missions of the Baptist State Convention of North Carolina. More and more we will depend upon him to assimilate, compile, interpret and distribute facts and information pertinent to the work of this committee. It will be necessary for him to give more and more of his time to the vital and important matters with which this committee is concerned.

Therefore, we conclude our report with the following recommendation:

WE RECOMMEND that the Associational Superintendent of Missions make the work of the City and Metropolitan Committee a major focus of his office.

WE FURTHER RECOMMEND that Associational organizations and committees be requested to assume an increasing number of responsibilities heretofore carried on by the Superintendent of Missions.

Respectfully submitted,
Russell Barbee, chairman

REPORT OF THE ASSOCIATIONAL BOARD

Since the 1966 annual Associational meeting, the Association has conducted its business in the four meetings of the Associational Board. The Executive Committee of the Board also met to suggest matters of concern to the Board. The four Board meetings were at Westwood on January 10, Faith on May 16, Mount Pisgah on September 12, and Fellowship on October 10.

As in local church business meetings the majority of the time was spent in hearing reports of committees and organizations and in consideration of the regular programs of the Association.

Among the actions taken in the board meetings were several which are set forth here as significant and worthy of continuing attention.

1. At Westwood, the Finance Committee recommended that the Church expansion figure be changed from $5,660.00 to $2,307.00. This recommendation passed with an amendment that any additional funds received would be added to this account.

2. The board approved a recommendation from the Executive Committee that the Association be authorized to send flowers in case of death, only to the staff in the Associational office and their immediate family.

3. At Faith, the Evangelism Committee's proposal was approved that "the Board recommend to the churches to set up February of 1969 for training and witnessing and March 16-30 of 1969 for simultaneous revivals in cooperation with the Crusade of the Americas." The committee received approval of its request that it be granted necessary funds for honoraria in 1969 with details to be worked out by the Evangelism and Finance Committees.

4. The Extension Committee received approval for its request that "we recommend that the Associational Board at this time authorize the purchase of a church site within the limits of the budget, provided such purchase is approved by the Extension Committee, the Finance Committee, and the Executive Committee." (The motion concerned the area of Garrett and Old Chapel Hill Road.)

5. At Mount Pisgah, pastor Tony Gurganus, newly elected Associational Sunday School Superintendent, recommended that the Association plan for an Associational-wide survey which would be interdenominational and interracial. This emphasis is to be directed by Mr. Ted Williams, of the Department of Survey and Statistics, of the Baptist State Convention, and assisted by approved workers. The survey would be held May 5-19, 1968, in preparation for a Sunday School Enlargement Campaign in September in cooperation with the continuing Metropolitan Study in our Association and in preparation for the Crusade of the Americas.

6. During the year progress reports were made concerning the continuing work of the City and Metropolitan Study Committee.

7. Pastor B. E. White, newly elected chairman of the Fellowship Committee, distributed copies for the Deacons of all the churches asking them to participate in a significant depth study entitled "A Study and Survey of the Relationship Between Pastors and Churches."

8. The following recommendations from the Executive Committee were presented and approved.

a. That the following committees be reduced in number of members as follows: Camp from 11 to 7, Student Work from 11 to 7, Extension from 9 to 5, Audio-Visual Aids from 7 to 5, Finance from 9 to 6 (plus Treasurer).

b. That the Extension Committee be changed in name to the Missions Committee in line with the Southern Baptist terminology.

c. That the Jewish Neighbors Committee be eliminated in favor of the Non-Evangelical Committee, which would broaden the scope of our interests. (World Religions, Sects, Judaism, Catholicism).

d. That the Social Ministries Committee be renamed Institutional Committee.

e. That the Juvenile Aid Committee be eliminated in favor of the Christian Social Ministries Committee, in line with the State Convention and Home Mission Board terminology which would broaden the scope of our interests. (Literacy, rehabilitation of juveniles, alcoholics, ex-prisoners, etc.)

f. That the general policy of this Association be to lend rather than give money in starting new churches, both toward the purchase of land and the erection of first buildings. (Details can be worked out before the October Board meeting.)

g. That the Associational Council be eliminated; that the leaders of Sunday School, Training Union, Music, Brotherhood, W.M.U. and the chairmen of Finance, Camp, Mission, and Activities Committees be combined with the officers to form the Executive Committee. (This would eliminate the necessity of electing "members at large" in the November Board meeting each year; it would also combine the function of the Council and the Executive Committee.)

9. Superintendent of Missions, Hubert Mumford, moved that November 5 be recommended to the churches as a day for observing "Pastor Appreciation Day." This recommendation was approved.

10. At Fellowship, the recommendation of the Executive Committee that the Baptist Student Unions of Duke and U.N.C. be allowed the use of the Associational Camp, with the same privileges and requirements of other users, was approved. A supplementary motion was made and passed that the Executive and Camp Committees be asked to look into the possibility of use of the camp by other religious groups, when the camp is not being used by the Association, and that these committees consider the setting of fees for its use.

11. It was announced that an anonymous donor had given the Duke B.S.U. a new Dodge bus for its use.

12. Mr. Fred Herndon brought a recommendation for the Finance and Extension Committees, and it was approved as follows:

a. That 4.19 acres of land at the northwest corner of Cole Mill and Sparger Roads be purchased as future church sites under the following terms.

(1) Purchase price of $13,500.00
(2) That the Association make a down payment of $3,800.00
(3) That the balance of $9,700.00 be payable in three annual installments
  (a) First installment, $3,233.33 plus interest of $582, due October, 1968, for a total of $3,815.33
  (b) Second installment of $3,233.33 plus interest of $388 due October, 1969, for a total of $3,621.33
  (c) Third installment of $3,233.33 plus interest of $194 due October, 1970, for a total of $3,427.33.
  The total interest would amount to $1,164.
(4) Payments may be made in advance with a saving of interest if the Association so chooses.

b. Regarding assistance in obtaining property and building new churches, we recommend that the Association adopt a general policy in the future of extending aid on some basis of repayment into the Extension Fund by the recipient church.

As you can see, many of these matters are very important and far reaching. Every church should have a part in deciding these issues. This possibility and expectation is provided for in the organization of our Associational Board, which provides for each church to be represented by its Pastor and two members from each church. Churches can help themselves, the Association, and the work of our Lord by making sure they are represented in each Board meeting.

Ray K. Hodge, Moderator

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1966. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1966 on a basis consistent with that of the preceding year.

REPORT OF THE SUNDAY SCHOOL

The Yates Associational Sunday School organization seeks to assist our churches in establishing, conducting, enlarging, and improving their Sunday School program. Various groups of leaders from our churches have taken a serious look at the needs of their Sunday Schools in our association. These needs appear to be three-fold: training, conservation, and outreach. Dedication and proper motivation are basic in seeking to approach these needs. The Associational Sunday School is taking definite action toward meeting these needs.

Already this year we have had a one-night conference meeting on October 2. This was specifically designed as an orientation for new workers using the theme, "The A.B.C.'s of Good Teaching." Other meetings and projects planned for this year are a Sunday School Rally on February 20, a V.B.S. Clinic on April 23.

Probably our most extensive emphasis will be an association-wide survey planned for May 5-19. This will be a telephone survey and will be interracial and interdenominational. The survey will be directed by the Rev. Ted W. Williams, Secretary of Statistics and Surveys of our North Carolina Convention. The Rev. Ray L. Cumbee and the Rev. Vernon B. McDaniel will serve as co-chairmen of the work. This survey will prepare the way in our own association for a Director-Led Sunday School Enlargement Campaign which is planned for September 14-20, 1968.

There is one other aspect of our work planned for this year that promises to be of tremendous proportions. This is the personal assistance the Associational Sunday School workers desire to give the individual churches in their particular needs. Our workers can provide this assistance only as the churches request it, and as the churches are willing to share their best workers as potential consultants. So we deeply desire churches in our association to know we want to be of assistance to them, whatever their needs may be. We feel this can be one of our most valuable methods in meeting the needs of our Sunday Schools in our association. Call on us; we want to assist in any way we can.

Respectfully submitted,
Anthony Gurganus, Supt.

REPORT OF BROTHERHOOD

During the past associational year a Ladies' Night banquet was held on May 2 at Grey Stone Church and the annual workshop for leadership training was held at Guess Road a few days ago on October 16, 17. The Ladies' Night was opened with a social hour for fellowship and the banquet closed with an inspirational message by D. J. Booth.

For the boys, campouts were held on May 5 and 12 at the Yates Camp. The Royal Ambassador Camporee originally set for July 14, 15 at Lake Unity but "rained out" was re-scheduled on July 29. This big event combined the Man-Boy Night and the two campouts scheduled for September.

We are looking forward in Brotherhood work to the years ahead. The new program and the gradual appearance of new vital materials, the emphasis upon mission action outside the walls of our church buildings, the closer cooperation in mission study with the W. M. U. all point to greater success in these areas of endeavor.

Respectfully submitted,
Edwin Clements, Director

REPORT OF DEACONS' COMMITTEE

Two meetings were held during the year. The first one, held at Braggtown Church on November 22, 1966, featured J. Marse Grant, editor of our Baptist state paper, as speaker on the topic "What's Expected of the Deacon?" After the message, time was given for questions.

The second meeting was held on May 9, 1967, at Lakewood Church. This was a continuation of the spring meeting of 1966. It was in the form of a forum. A list of questions was distributed among those in the congregation from which single questions could be chosen and directed to individual panelists or the panel as a whole.

This pattern of meetings each year seems to meet a real need. One is primarily for inspiration and the other for information.

We are looking forward to the Deacons' Rally on November 28 at Calvary Church at which time Mr. J. Marse Grant is coming back to give an analysis of the results of the questionnaires being distributed among our deasons and pastors. We urge our deacon chairmen to complete this project in their churches.

Respectfully submitted,
Paul Burmahl, chairman

REPORT OF FOUNDATON COMMITTEE

1966-67 finally saw a breakthrough in the efforts of the committee to produce the first of a series of tracts on the general subject of wills. The first tract is entitled "Stewards After Death" and deals with basic information: the importance of a will, how to make a will, what can be done through a will, giving to the Lord's work after death.

It is hoped that at least one more may be produced in 1967-68.

Respectfully submitted,
Lester Owen

REPORT OF AUDIO-VISUAL AIDS COMMITTEE

During the past year additional slides, filmstrips, discs, tapes and flip-charts have been added to the audio-visual aids library. In the main they are confined to the general areas of methods and missions.

Since moving from the inner-city to our new office facilities at 2821 Chapel Hill St. next to the Yates Baptist Church, we are able to report a much greater circulation of our various projectors and audio-visuals. There is plenty of free parking, and a carport in case of inclement weather.

We remind our leaders that every church has several copies of the catalog and supplements. There are filmstrips under the headings of Associational, State, Home, Foreign Missions and Cooperative Program; Brotherhood, Music, Sunday School, Training Union and Woman's Missionary Union; Baptist Institutions, Church Administration, Deacons, Doctrine, Evangelism, Stewardship and others.

Our audio-visual equipment includes the following projectors: 1 filmstrip, 2 motion picture, 1 overhead, 1 magnajector, also an easel, a tape recorder, and 2 70" X 70" screens. These are available to the churches by reservation.

We urge our church leaders to keep a copy of the associational catalog in their office or library and accessible to the members at all times. If, perchance, the catalog has been "mislaid" we urge our leaders to ask our associational office for another copy. A "mislaid" catalog in the church will block the reservation of 350 audio-visual aids in the associational office.

Respectfully submitted,
Hunter Hobgood, Chairman

REPORT OF FINANCE COMMITTEE

This year the finance committee has attempted to take a long-range look at associational finances. It has come to our attention that certain inequities exist as a result of simply asking the churches for an increase each year. It was decided to appeal to the churches on the more equitable basis of $2 per resident member. It is gratifying to see that more and more of our churches are including in their church budgets their proportionate share of the associational program.

The Yates Association is performing an increasing service to the people and churches of our fellowship. To meet foreseeable needs it is apparent that we must think in terms of increasing our goals each year looking toward a $50,000 budget in the near future.

Our goal in increasing our budgets from year to year is always more adequate financing of our extension work in the purchase of new properties. It is encouraging that a large percentage of any increase in our new budget will go for this purpose.

Respectfully submitted,

REPORT OF HOMES FOR THE AGING

Last year nearly all of the residents of our four Homes for the Aging in North Carolina benefited directly from the special offerings from the churches. We served approximately the same number of aging people as we did in 1965-66.

The new home in Yanceyville, our fifth, will be occupied next week on Nov. 1. This home will allow us to accommodate 200 residents.

We do hope that more of our churches will remember our ministry to the aging in some substantial way during the coming year.

Respectfully submitted,
W. P. Wells, Representative

REPORT OF RESOLUTIONS COMMITTEE

Be it resolved with grateful and wondering hearts:

That we may sense the splendid significance of this moment of resolution and, thereby, understand that it is a high moment in which with souls sincere we do lift to God, the Servant-Father of all, the glory and the gratitude for the wonders of His marvelous grace to us in all things.

That it is, therefore, no common moment to be kept in a trivial spirit or manner, but that it is far rather a wholly-other moment to remember the grace of Him who "came not to be ministered unto, but to minister, and to give his life a ransom for many."

That the substance and spirit of this session of our Association, therefore, be to give God the glory and the gratitude for the wonder of having "blessed us with all spiritual blessings in heavenly places in Christ."

That we give God the glory and the gratitude for His people who are at the First Church and at the Ridgecrest Church who, after the manner of our Master, took upon them the form of servants and, for His sake, took us in and gave us of their meat and their drink—and of their love for the Lord.

That we beseech the Lord, who so inspired them with his own manner, abundantly to bless them with the glory of knowing that, inasmuch as they did it unto us, they did it unto Him, who is the Servant-Lord of all.

That we give God the glory and the gratitude for each servant-officer of His in this Association. And that to our Moderator, Ray K. Hodge, and our Clerk, Harrell B. Perry, and our Superintendent of Missions, Hubert S. Mumford, and each member of our Program Committee, and each other servant who has labored in love for the Lord in this Association in any capacity, and each who had any portion in making music for the Master, who has put a new song into each of our souls—to each of these servants of His let us, and we do, say, "We are bound to thank God always for you and your toil for the churches of Him who "loved the church and gave himself for it."

That we likewise beseech our Lord, who sees all such service as rendered unto Himself, to cause each of these servants of His to hear Him saying in their hearts, the "Well done, thou good and faithful servant; enter thou into the joy of thy Lord."

That we ask our Father, who suffered the sorrow of His Son on the cross, to shed abroad all the comfort of His glory in each of our homes who have sons in the Armed Forces, and very especially in our homes that have experienced bereavement in the loss of loved one in the Vietnam conflict, and in the churches who have had members called to their Heavenly Home.

That in this world of trouble and travail the love of Christ shall cause the churches of this Association to be channels of peace where there is war, of love where there is hatred, of right where there is wrong, of hope where there is despair, and of forgiveness where there is sin. And that all of this be done in and through His name.

That we give God the glory and the gratitude for the bond of His love which has bound us together, heart to heart and hand to hand, in this Association of love and service and most particularly for the joy and harmony of the fellowship which has been ours in this annual meeting.

And, finally, that we pause in prayer and ask the Father, who has been all the glory of our past, to give us the grace and the glory to go on ahead into the future serving Him with our "last full measure of devotion," who alone is the God of all glory and the fountain-source of all grace—to whom be the glory and the gratitude "as it was in the beginning, is now, and ever shall be, world without end. Amen and amen.

Submitted with glory and gratitude
to God forever and ever,
Mrs. Leo Bridgers
Rev. Henry B. Anderson
G. F. Lipe, Chairman.

REPORT OF THE FELLOWSHIP COMMITTEE

It has been said that the longest distance in the church is the fifteen or twenty feet between the pulpit and the pew. To shorten this distance and to create better understanding the Fellowship Committee has undertaken a study and survey of the relationship between pastors and churches. Much of the year has been spent in working out a satisfactory form for the survey and study which has been mailed to all the deacon chairmen in the association for distribution to the deacons, the finance committee, and the pastor. These are now being returned and compiled. The results of the study will be published and distributed to the association in the new year.

Respectfully submitted,
B. E. White, Jr., Chairman

ARTICLE 2. The Association in session shall be composed of the duly elected messengers from the cooperating Baptist Churches in Durham County and its adjacent territory, the regularly elected officers of the Association, and the members of the Associational Board.

ARTICLE 3. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified, and in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.
(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

ARTICLE 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under the watchcare of the Association. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watchcare of the Association for a period of one year. Report Section

HISTORY OF OLIVE BRANCH BAPTIST CHURCH

In 1875, there was no Baptist Church nearer than the Cedar Fork Church to serve the needs of the Baptists living near the old Dayton Academy in the then Wake County. A group of Baptists, among them: Sol J. Allen, Sandy Penny, George C. Stallings, H. W. Nichols, and others anticipated the need of a church. They consulted Rev. Addison Purefoy, a pastor of country churches, residing in Wake Forest, as to the expediency of forming a church. He investigated the situation, and solicited W. A. Smith, W. R. Cullum, and B. W. Spilman, who were ordained ministers and students of Wake Forest College, to form a presbytery. The organization was affected in the Dayton Academy where the cemetery is now. Rev. Rufus Ford, a student at Wake Forest College, was invited to hold a revival meeting in a Brush Arbor. Many made professions of religion and joined the Church. Eleven charter members, mostly from the Cedar Fork Church formed the nucleus of the new organization. Mr. Ford was called to the pastorate of the Church and remained as pastor until 1878 when he graduated from Wake Forest College, and resigned to go to the Southern Baptist Seminary at Louisville, Kentucky.

For nine years the Olive Branch Church was a member of the Central Association. In 1885, the Church was admitted to the Mt. Zion Association where it remained until a new association, the Yates Association, was formed in 1948, largely from the Mt. Zion Association which had become too large for effective work.

Many good and strong pastors have served the Church during the nearly 93 years of its existence. The following men have been pastors of the Olive Branch Baptist Church from its beginning:

1. Rev. Rufus Ford
2. Dr. J. W. Young
3. Rev. J. C. Hocutt
4. Rev. J. N. Booth
5. Rev. C. J. Thompson
6. Rev. C. B. Williams
7. Rev. W. A. Smith
8. W. Y. Chappell
9. Rev. O. C. Horton
10. Rev. J. W. Atkinson
11. Rev. C. A. Sigmon
12. Rev. W. R. Beach
13. Rev. John E. Lanier
14. Rev. W. L. Griggs
15. Rev. R. K. Redwine
16. Rev. J. L. Martin
17. Rev. J. Louis Price
18. Rev. C. H. Cashwell
19. Rev. Dan T. Hurley
20. Rev. Paul Hartsell
21. Rev. J. A. Brendell
22. Rev. A. H. Porter
23. Rev. A. C. McCall
24. Rev. N. E. Catlett
25. Rev. H. L. Nichols
26. Rev. Wayne Oates
27. Rev. Fred Lipe, our present pastor who has served faithfully and well for twenty-four years.

The first building of the Church was a large one room wooden building. It served the needs of the Church until the new brick building was built in 1925 under the pastorate of Rev. A. H. Porter. Rev. A. C. McCall untiringly labored with the membership to pay off the indebtedness on the building.

The present membership is 194 with total contributions of $11,468.00 as reported to the Association in 1967. The value of the Church building and grounds is $86,000.00. Many of the pastors for the first 48 years were college students. In 1923, the Church decided to call a resident pastor, so Rev. J. A. Brendell, pastor of the Yates Baptist Church, was called. Since then most of the pastors were resident pastors, except for Rev. Wayne Oates, who served only a few months before resigning to go to the Southern Baptist Seminary, where he is now a professor of Sociology. These facts account in large measure for the large number of pastors which the Church has had during its existence.

With the opening of the new John W. Neal Junior High School, and with the many new homes in the Church community, the prospects are very bright for an era of great progress and growth of the Church as a mighty force for Christian influence in the community. The future is as bright as the promises of God.

HISTORY OF TEMPLE BAPTIST CHURCH

In the early 1880s the Durham Baptist Church led in the establishment of afternoon Sunday schools in various sections of the growing city of Durham. One of these met in a building on South Duke Street owned by W. T. Blackwell. Within two years after its beginning the group had grown in size and commitment to begin efforts to organize a church and construct a house of worship. Through the generosity of Mr. Blackwell and W. G. Vickers a building was erected on West Chapel Hill Street. On January 29, 1888, 78 persons constituted a church to serve the growing population in "the western part of the city."

The first elected officers were: Clerk, W. E. Woods; Treasurer, John A. Tatum; Deacons, J. W. Blackwell, W. J. Christian, L. W. Highsmith, J. V. Rigsbee, J. D. Roberts, and W. H. Weatherspoon, C. C. Newton was called to be the first pastor. The congregation selected as a name The Blackwood Baptist Church.

During the early decades of the church's existence remarkable progress was made. Able men such as Will B. Olive, J. N. Booth, A. A. Butler, George J. Dowell, and C. J. D. Parker served as Pastors. For reasons not indicated in the minutes the name of the church was changed in 1890 to The Second Baptist Church. Of far-reaching significance was the number of your people who responded to a call to vocational Christian service during these early years. Among these was Jesse Burton Weatherspoon, long-time professor of preaching at Southern Baptist Theological Seminary.

The period from 1905 to 1922 was a time of progress and change in many areas. A large house of worship using the then popular "Akron" plan of seating was erected during the pastorate of W. C. Barrett (1905-1912) with the original building of 1888 being renovated for use as educational space. The organizational meeting of the B.Y.P.U. Convention of N. C. was held in this new building. Increase in membership and pastor's salary were realized while W. T. Riddick served as Pastor (1912-1917). During the ministry of W. A. Ayers (1917-1919) the name of the church was again changed. This time the congregation adopted the name, The Temple Baptists Church. In the period of 1919-1921 the church had grown sufficiently to add its first full-time secretary in the person of Miss Annie Crutchfield. Miss Crutchfield, along with Miss Mozelle Breeze, later attended the W.M.U. Training School in Louisville, Kentucky. One of the most significant revivals in the history of the church was held by the pastor, Dr. E. D. Poe (1919-1921) with 74 persons being added to the membership.

On September 1, 1922, Trela D. Collins began the longest pastorate in the church's history. During his 14 years of work the church grew significantly in membership and ministry to the larger community. In 1923 Miss M. Wynona Chaney became the Church Secretary and Pastor's Assistant, a position she held with grace and distinction until she retired in 1958. A pipe organ was installed and an educational annex was erected in this period of the church's life. In 1936 Mr. Collins resigned as pastor to become the first Executive Secretary of the newly formed North Carolina Council of Churches.

The years from 1936 to 1950 were years of growth and change as the church lived through the end of the Great Depression, World War II, and the post-war years. Under the leadership of John T. Wayland (1936-1943) the church erected the first unit of a new educational complex and began a ministry to servicemen stationed at the nearby newly established Camp Butner. Following Dr. Walyand's resignation the church secured Horace G. Hammett as pastor. A parsonage was acquired at 1405 Arnette Avenue to replace the one removed to make way for the new educational building on Shepherd Street. A building fund was initiated to enable the church to erect a sanctuary. In March of 1950 Mr. Hammett became the Associate General Secretary-Treasurer of the S. C. Baptist State Convention.

In the decade of the 50s the church realized a number of long cherished dreams. Under the leadership of Charles A. Maddry (1950-1959) the church erected a lovely sanctuary to replace the one constructed prior to 1920. Along with the sanctuary came an increased emphasis on an educational ministry. Foreseeing the need for expanded facilities the church in turn acquired more property and made plans for additional educational space.

With the payment of the indebtedness on the sanctuary building the church reactivated its Building Committee in 1961 to plan for the construction of new educational facilities. This work was completed in 1965. During this time the Rev. Julius H. Corpening, son of the first Church Secretary, became Pastor. Again Temple was host to a convention of young people in 1962 with the presence of the N. C. Baptist Student Union Convention. Continuing the emphasis begun in the 50s on expanded educational ministry, Dr. R. Hargus Taylor, Billy J. Baker, and John M. Keith served as associates in education during this period. In 1967 the church added a staff member in the person of Clyde V. Buckner to expand the church's ministry of music.

Temple Baptist Church throughout its history has shared the life and fellowship of Baptist bodies. Its first affiliation was with the Mt. Zion Association. It continued this relationship until the Yates Baptist Association was organized. Also, it has actively participated in the affairs of both the N. C. Baptist State Convention and the Southern Baptist Convention.

Now at the point of its 80th year, Temple Baptist Church looks back with gratitude upon a great heritage. It anticipated the future with confidence and hope as it contemplated an even more significant ministry in the heart of the city of Durham as it commits itself to the work of God's Kingdom in the world.

REPORT OF THE SUNDAY SCHOOL

During this year of the Crusade of the Americas the Sunday Schools of our churches have an unique opportunity in helping us prepare for revival. To this end the Yates Associational Sunday School organization seeks to assist our churches in establishing, conducting, enlarging, and improving their Sunday School program.

On October 7, at Temple Baptist Church, we had a one-night conference meeting for the Sunday School teachers and leaders. The theme of this meeting was "Developing Concepts of Sunday School Work." There were 83 people from our churches who attended this conference.

In February we are planning an Associational Growth Conference. This conference will consist of an afternoon and evening session at which time principles and methods of church growth will be explored. This study will guide us in developing a continuing program of visitation in our churches. The Sunday School Department of the Baptist State Convention will assist our association in this project. A final meeting planned for this year is a V.B.S. Clinic in April.

The Associational Sunday School workers desire to offer personal assistance to the churches of our association in developing their Sunday Schools. If any of us can help in any way please call on us.

Respectfully Submitted,
Anthony Z. Gurganus, Superintendent

REPORT OF BROTHERHOOD

The year has been rewarding in that concentrated effort, association-wise, has revealed the need of closer relations with the individual churches in their Brotherhood activities.

Last November Durham Memorial hosted the R. A. Conclave with Mr. Lewis Rigsbee officiating at afternoon outdoor activities. Mr. Aubrey Wheeler, Mission Action leader, was in charge of the hot-dog supper and was assisted by the ladies of Durham Memorial. The Rev. Robert Watson Mission Study leader was in charge of the exhibits of ranking provided by various church R. A.'s with the top award going to the Olive Chapel group. An inspiring talk was given by Mr. Vernon Sparrow of Mills Home.

On January 23 the Brotherhood annual Ladies Nite hosted by First Church was, as usual, the highlight in associational activities. Mr. Roy Tunstall from Raleigh provided a spark of mirth among the diners. Mr. Lewis Rigsbee, R. A. leader for several past years, was recognized, and presented a bronze plaque for outstanding service. Mr. John Laverty provided piano accompaniment for the evening and the Rev. Wiley Oakley led the singing. The Braggtown Male Chorus brought renditions of several songs. One of the deepest touching testimonials, ever uttered, was provided through a devout sermon in the sanctuary, following the dinner program. The Rev. Carson Blanton, superintendent of a mission in Roanoke Rapids, N. C., brought the well received message from God.

January 28 was observed as Baptist Men's Day in several churches with men in charge of all church activities. Grey Stone conducted a full week of laymen's services for revival. May the Good Lord send more of this revival spirit through the men.

A Brotherhood forum was held at Yates Camp, April 4 with hambuger dutch supper. The evening was given to questions fired at an associational officers' panel. The evening was pleasant and enlightening. The delegates returned to their churches better informed Baptist men.

The first Friday in May was the occasion of an R. A. Campout at Yates Camp. The session on Friday evening was conducted by Mr. Lewis Rigsbee, and on Saturday morning Rev. Robert Watson was in charge. The occasion was instructional and educational, and all had a good time outdoors.

A weekend R. A. camp at Caraway was enjoyed by all attending in May.

The Man-Boy Rally, planned for July 20 at Bethesda was postponed until September 9 and hosted by Durham Memorial. The outdoor games and activities were led by Mr. Jim Barringer, new associational R. A. Leader. The hot-dog supper was prepared by Mr. Aubrey Wheeler. We were indeed fortunate to have Dr. Eugene Grace, eye surgeon, show his slides of a month's medical mission in Ghana, Africa.

The August 23 Pioneer Campout was enlarged in plan to include both Pioneers and Crusaders and moved to September 6 at Lake Unity. Each group set up its own camp-site, for which judging was made Saturday morning, with top rating going by award to Guess Road, led by Mr. Ray Hertzog, associate R. A. Leader for the new year, with second rating received by Gorman, led by the Rev. Grady Long. Instructional groups were formed by Ray Hertzog, and Lewis Rigsbee, on campcraft. The speaker for the evening, Mr. Edgar Wyatt, from First Church, Raleigh, told of his "Crusade of The Americas" guided tour through South America, traveling altogether by air. It was a true missionary revelation of The Lord.

The Brotherhood Workshop was hosted by Westwood on Sept. 30, Oct. 1 with inspirational messages followed by spirited discussions of the new year's missionary-Brotherhood activities. We're most thankful to the Westwood Brotherhood for their hearty reception.

We're heading into a great new year for the Lord.

Thank you for the part you shall play in this work!

REPORT OF THE MUSIC COUNCIL

The Music Council met six times during the past season in executive meetings to plan the work of the council for the season.

On Sunday afternoon, October 15, 1967, the seventh annual Yates Association Hymn Sing was held at Edgemont Baptist Church. Choirs from Guess Road, Homestead Heights, Olive Chapel, Grey Stone, and Edgemont participated. Hymns used were favorites of the folk in Yates Association—chosen by a poll taken in as many churches as would respond. Those who attended found it most inspiring and enjoyable.

A choir was used for the opening of each session (Tuesday morning, Tuesday afternoon, and Wednesday morning) of the 1967 Annual Associational meeting in October. This group did a fine job, and we plan to have a similar choir this year.

The Annual Choral Clinic was held at Angier Avenue Church on February 19. About 60 people from 19 churches attended. Guest leader for this clinic was Charles Gatwood of the state convention staff.

An area choral clinic, led by members of the Music Council, was held at Mt. Pisgah Baptist Church on March 11, with about 45 present. Twenty of these were from Mt. Pisgah, and 17 from Olive Chapel. This was an excellent clinic. Another clinic was held at Faith Church on March 25, with over 20 present from Faith and Olive Branch combined—the majority from Faith Church. This too was led by members of the Music Council.

One of the council members, Dave Pierceall, led a very fine and large Associational Youth Choir in the Jim Vaus Evangelistic Rally at First Baptist Church on May 7. There were about 200 in this choir, and well over 1,000 attended the Rally.

As this report is being prepared, the Music Council is making final plans for the 1968 Hymn Sing, the 1968 annual meeting (choir for this mtg.), and the 1969 Choral Clinic. We would like to state again that we, the members of the Yates Association Music Council, stand ready to give assistance to any church of the association, as time, opportunity, and ability permit. Call on us, and we assure you that we will help in any way we can.

REPORT OF THE LIBRARY COMMITTEE

The Library Committee held a one night workshop at Westwood Baptist Church in Durham, on April 30. Copies of the Church Library Development Plan were distributed to those present and parts of the plan were discussed. Filmstrips on the Dewey Decimal System and Card Catalog were shown. The emphasis was placed on processing and organization of books and other library materials.

During the year additional books have been catalogued and placed in the Associational Library.

REPORT OF THE EVANGELISM COMMITTEE

"CHRIST THE ONLY HOPE" will be the resounding theme throughout the Western Hemisphere in 1969 during the Crusade of the Americas. This year, 1968, has been a year of preparation for the crusade.

On May 7, approximately 1,600 persons attended our Associational Evangelism Rally, as Jim Vaus from Hellgate Station in New York challenged our hearts, declaring what Christ can do. Again this Fall, on September 24, God moved during the Major Metropolitan Evangelism Rally. From the pulpits of our individual churches has also come the cry to pray and join together in this thrust to reach people for Christ during the Crusade of the Americas.

To move with God this year and next means that we must be diligent in searching the scriptures and that we must walk daily with God in the fellowship of prayer. This done faithfully and successfully day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists in prayerful concern for a Spiritual awakening. The date for this simultaneous out-reach and revival in the Yates Baptist Association is March 16-30. Messengers of this Association are therefore urged to see that their church rightly faces this challenge.

For details on the Crusade consult the GUIDE BOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School superintendents, Training Union directors, WMU presidents and Brotherhood presidents.

Further plans pertaining to this phase of evangelistic outreach will be brought to your attention in future board meetings and through your pastor.

Winston Gattis Perry, Chairman

REPORT OF THE INSTITUTIONAL COMMITTEE

It is the Heart-Throb of the Institutional Committee to inform our people in the Yates Baptist Association. We are indeed proud of our three Institutions—The Children's Homes, The Homes for the Aging and the Baptist Hospital.

In the busy world in which we live today it is difficult to communicate one to another. This committee is young but we are making progress in getting information to our people. When people are informed they are responsive. Our hearts are made happy because of the loving spirit of responding to the needs of our Baptist friends.

"In as much as you have done it unto the least of these my brethern, ye have done it unto me."

REPORT OF THE FELLOWSHIP COMMITTEE

Today one of the acute concerns of our denomination is the future of the ministry. What some of the other denominations have already experienced we are beginning to feel—a shortage of men for the pastoral ministry. In recent years the number of men entering the ministry has declined while the number of our churches has increased. Death and retirement further deplete the ranks. Each year we lose men in the ministry to secular employment and some pastors enter other phases of religious or denominational work. Others are dismissed by their churches and never relocate. Still others join other denominations.

The picture is further complicated by the fact that many pastors are unhappy with their churches and many churches are unhappy with their ministers. In some congregations there is a great deal of tension generated by misunderstandings between the pastor and lay leaders in the church.

The Fellowship Committee has been charged by the Association to "promote a good relationship between pastors and churches." In connection with this responsibility the committee undertook a survey and study of the relationship between pastors and churches with the help of the Deacons Committee. The results of this survey have been published and discussed at an associational deacons' rally as well as at an associational ministers' meeting. Along with this paper the Committee has also made available to churches in the Association three denominational publications about pastors' salaries. A sheet about how your pastor can help you and how you can help him has been distributed.

The Committee has also published a pamphlet about the nature of its work and how it can be of help to the churches when seeking to call a pastor, when reviewing pastoral arrangements, and when the church's fellowship is endangered. Our committee stands ready to help any church or pastor who calls upon us in a time of need.

REPORT OF THE STUDENT WORK COMMITTEE

This committee reports the following activities for the year 1967-68:

1. On November 12, 1967 we conducted a service of institution for Jack Halsell and Jim Greene as Baptist chaplains at UNC-CH and Duke respectively.
2. On November 21, 1967 we had an orientation meeting.
3. On December 1, 1967 we met with the Duke BSU and shared a program and evening with them.
4. On March 8, 1968 we met with the UNC-CH BSU and shared a program and evening with them.
5. On April 5-7, 1968 we shared in the sponsorship of a visit to Durham by Dr. Josef Nordenhaug, Executive Sec. of the Baptist World Alliance. During this visit we sponsored a student open forum with Dr. Nordenhaug and a general meeting at the First Baptist Church with an address by Dr. Nordenhaug.
6. On April 17, 1968 we participated in a denominational dialogue on campus ministries. Denominational representatives present and participating were Dr. Porter Routh of the SBC Executive Committee, Dr. D. P. Brooks of the SBC Sunday School Board, and Dr. Nathan Brooks of the N. C. Baptist State Convention.

During this year Mr. James Greene left the Duke BSU office to serve as state secretary of student work. The Reverend David May has been elected to replace him as Baptist Chaplain to Students on the Duke Campus.

This committee senses a continuing need to interpret campus ministry to our churches, and to strengthen the ties of relationship and involvement between our churches and our campus ministry programs. We urge this association and the participating churches to continue strong and active support of the campus ministry at the universities in our area and across the state.

Respectfully submitted,
Sherrill Stevens, Chairman

REPORT ON THE BIBLICAL RECORDER

Baptists of North Carolina are exceedingly fortunate in having a denominational periodical that reflects an awareness of and concern for the role of the Church in these crucial times in which we live. The *Biblical Recorder* which was founded in 1833 has long been a respected journal providing a valuable source of information about North Carolina Baptists—their churches, institutions and missions.

In recent years the *Recorder* under the leadership of J. Marse Grant has been particularly noteworthy in assisting its readers in relating Christian faith to the critical problems of our society. This able and dedicated editor has been courageous in pointing out to Baptists that the Church must be at the forefront in confronting evil, eliminating prejudice and injustice and increasing understanding among people of all circumstances. While keeping its readers well informed about Baptist activities and problems, the *Recorder* has also published important news concerning fellow Christians of other groups and denominations.

In short the *Biblical Recorder* is an important part of the Christian literature of every Baptist congregation. Local churches should strive to make it available to every church family, preferably by having it mailed to their homes. At a very minimum, churches should send the *Recorder* to their officers, deacons and others in responsible positions of leadership. Churches that provide this valuable service to their members are unquestionably in a more favorable position to strengthen their ministry and mission.

Church members who read the *Recorder* gain much information not readily available elsewhere about what is going on among Baptists and other Christians. They also obtain insights as to what is being done—or perhaps neglected—in important areas of our cooperative effort at the convention levels. *Recorder* readers find detailed information about Baptist-supported colleges, hospitals, orphanages, homes for the aging and other ministeries. They keep abreast of the issues and various opinions on issues that come before our conventions or that confront us constantly in local communities. Information on workshops, seminars and other forums are often publicized in advance and subsequently reported on for the benefit of readers. Through the editorial page, readers will be stimulated to think carefully through the problems of our local and national life and become increasingly aware of the role that Christians and churches must undertake in our society.

As church members become better informed and more aware of the needs of church and denomination, they are more likely to reflect their concern by greater financial support of the church. Churches that have felt they could not afford to send the *Recorder* to their members would do well to investigate the low cost involved. Every pastor has been provided information on the various plans available to churches, but the Yates Association office and the *Recorder* office in Raleigh will be glad to furnish such information upon request. Currently subscriptions to the *Recorder* by churches in the Yates Association are as follows:

REPORT OF CITY AND METROPOLITAN MISSIONS STUDY COMMITTEE

This is our second report to the Association. Again it is a progress "report." In spite of the fact that we have increased our meetings to twice monthly, we have not been able to formulate a "complete report" as we were requested to do. The deeper our studies have taken us, the deeper we have found we have had to go. It must be borne in mind that we are dealing with the very nature and character of an intricate organization. Varied concepts have to be examined and harmonized. There is no pattern to follow. We are "explorers," ploughing forth, blazing trails in a new and unchartered area. This is time-consuming and progress is often slow.

We have made progress, we are happy to report. The research into the nature and character of the city of Durham has been completed. Copies of this report are in the Associational office, the State Convention office, and the office of the Home Missions Board. These were made available through the courtesy of the City and Metropolitan Missions Department of our Baptist State Convention, the Reverend Ernest Upchurch, secretary. The completion of this study has revealed a further need to select certain sections of the city and make similar depth studies of them. We cannot report at this time when such studies will be undertaken. It is our intention to pursue this as vigorously and as expeditiously as possible.

Regarding our objective: Over a year ago we became aware of the fact that God is placing the churches in Durham in a new setting—a rapidly growing urban area. We soon came to realize that our Associational structure originated in the frontier age when the character of nearly all of our churches was rural. The needs of our churches, as well as the needs of our community were greatly different then from what they are now. There is general agreement among the committeemen that our present Associational structure doesn't lend itself to mission. Therefore, we have given ourselves to an attempt at depth study into the nature and mission of an association of churches in the hope of discovering better ways of reaching the people of our area with the message and ministry of the churches. We express our objective in the following way: "to propose to the Association an organization and a program for the implementation of an associational Christian mission in this urban setting."

Regarding our method of study: We have called in a number of "resource persons" who have shared with us, from their vantage points, their knowledge and understanding of areas of need. At other times we have engaged in debate among ourselves, or composed a "buzz group" for the purpose of bringing forth creative ideas.

Regarding our present position: We have arrived at some general conclusion, although we have no definite proposals to make. Like most everybody else in the world, we find it very easy to tell you what we're *against* but it's mighty hard to tell you what we're for. However, we do have some positive thoughts to share. For one thing, we believe the Association should be viewed in a new light. Heretofore, it has been looked upon as the "servant" of the churches, existing for the purpose of promoting and helping to strengthen the programs that are going on in the churches. In other words, it has existed primarily for the benefit of the churches. We feel that it should continue to serve the churches where needed, but that it should be so structured that it will become an instrument through which the churches serve the world. As we now exist every church tries to do the same thing. We feel the Association should become an instrument through which the churches, working together, can pursue mission objectives that they cannot pursue working along. We believe more emphasis should be placed on "mission" and less emphasis on church promotion. In fact the trend is already in this direction. The Association is having fewer promotional meetings and has seen the need for the office of "Associational

Minister in Charge of Juvenile and Adult Rehabilitation." It was the recognition of this need that led this Committee in September to recommend to the Finance Committee that some support for this ministry be carried in the 1969 Associational budget.

As indicated above, we recognize that our thinking represents a new departure in Associational Missions. But however revolutionary it may appear to be, we believe that it is not only practical and needful, but it is also Scriptural.

The most radical conclusion that we have reached is that our Associational organization needs to be re-structured. The present structure has served its day well. Parts of the present structure need to be retained, parts retired, and new features need to be added. If our Association is going to be a potent force in the hands of the churches reaching our urban community for Christ, it must be structured to meet the needs we face today and will face tomorrow.

While we do not have an organizational form in the concrete to suggest at this time, we do have some ideas. It is this end that we will be working in the coming year; that of creating a proposed structure for an associational missions program in our "urbanizing" situation. As indicated, many of our churches will continue to look to the Association for help and strength for local needs. This fact will not be overlooked.

The area in which this Committee works will continue to involve our Superintendent of Missions in much time-consuming attention. Therefore:

We Recommend that the Associational Superintendent of Missions continue to make the work of the City and Metropolitan Missions Study Committee a major focus of his office.

We Further Recommend that associational organizations and committees be requested to assume an increasing number of responsibilities heretofore carried on by the Superintendent of Missions.

Russell Barbee, Chairman

REPORT OF THE CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Christian Social Ministries Committee was formed in 1967 as an action committee. Its duties are: to identify needs in the association in the areas of illiteracy, alcoholism and narcotic addiction, mental health, juvenile delinquency, unwed mothers, the economically disadvantaged; to encourage churches to provide ministries to meet these needs; to enlist and offer training for those with interest in these areas.

The committee on April 9, 1968 identified the general area of juvenile/adult rehabilitation as the field which claims its immediate attention. With the approval of the association and financial help from the Baptist State Convention, Yates Association funds and Baptist laymen and churches we were able to employ Mr. Boyce Kimball to help us with an exploratory project for 7 months. Mr. Kimball is an ordained minister and is a senior at Southeastern Seminary at Wake Forest. His help has been invaluable. He and Mr. Hubert Mumford, Yates Baptist Association Missionary, have made it possible for us to operate as a committee. They have enabled us to crystallize in our minds a ministry for Yates Association.

Our premise for action as Christians is that we must expose the ever present Christ. We help men be free from servitude to false powers and false idols.

All kinds of service are embodiments of the Gospel; they are signs and means. It is not through these acts of service that God established His Kingdom. Rather these acts witness to its present reality.

The Christian Social Ministries Committee sponsored a workshop on alcoholism at Grace Baptist Church on Friday, October 11, 1968. The panel discussion "Who Is An Alcoholic?" was led by Mr. Fred Reid, Chaplain at Memorial Hospital in Chapel Hill. Dr. Thomas Bland, Professor at Southeastern Seminary, and Dr. Peter Holden gave professional information on who the alcoholic is from the sociological, theological and psysiological and physchological side of man. Tapes were made of these presentations.

At the workshop Mr. Kimball introduced us to the personnel of the penal, legal, social, medical institutions of our community who already work with the alcoholic. This gave us insight as to what is needed from us.

Dr. Sherrill Stevens presented a paper on the "Nature of the Church's ministry to the Alcoholic." This helped clear the air and is available for study.

Because we had discussion and comments from most everyone present, we feel, after evaluating the workshop, that there are some special ministries available for Yates Association members because we are proclaimed servants of God. Some of these special ministries for alcoholic which we would like to encourage are:

1. Pastoral counselling and follow up.
2. Providing educational opportunities for ministers and laymen (special school at Butner, Baptist Hospital, and etc.).
3. Upgrading Flynn Home
4. Establishing boarding house for women.
5. Influencing those in court system to use the mandatory sentence to the Alcoholic Rehabilitation Center, Butner, N. C.
6. Establish therapy groups in churches.
7. Encourage churches to work with social agencies more closely.
8. Recognize families of alcoholics with love and acceptance, nurture and support them.

We should aim to keep flexible enough to enable us to go the extra mile that legal technicalities keep the other agencies from doing. The most important ingredient which we have to offer is love and concern.

We therefore recommend that Yates Association employ an associational minister in charge of juvenile and adult rehabilitation on a permanent basis, emphasizing the ministry with the alcoholics, drug addicts and ex-prisoner and their families. This ministry would include pastoral counselling and referral, training for voluntary personnel, and general encouragement to churches to undertake special ministries to the unfortunates.

Respectfully submitted,
Mrs. W. M. Upchurch, Jr., Chairman

REPORT OF THE FOUNDATION COMMITTEE

Your committee has had only one meeting this year. Plans were made at this meeting to have a new brochure printed to be used in publicizing the Foundation. After some investigation, we found that the State Foundation had two pieces of effective literature that we could make use of. We plan to order and stamp the associational name on the folders for distribution. The need is for our people to realize that they can remember our Baptist work through the Foundation. Your ideas on how this can be accomplished will be most appreciated.

Respectfully submitted,
W. J. Broadwell, Chairman

REPORT OF STEWARDSHIP AND COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it's teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As people worship with tithes and offerings Sunday by Sunday and as our churches channel a worthy part of their income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of its churches giving through the Cooperative Program during the calendar year, 1967, according to Convention records.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the deacons, prayer by every church member, and a Weekend Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

In 1967-68 our association gave $194,523 for world missions through the Cooperative Program in comparison with $188,511 in 1966-67 and $183,713 in 1965-66.

We urge each church:

(1) to plan, vigorously promote, and subscribe a worthy budget;
(2) to have a special prayer for Cooperative Program causes during each church service in October;
(3) to give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Mrs. Grady Dickerson, Representative

REPORT ON BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Cooperative Program income through the churches is increasingly important. Last year's Thanksgiving offering was the largest ever—approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family-style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian Homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. Let us covenant with them to do OUR PART!

Our association gave $14,987 to the Baptist Children's Homes last year in comparison with $15,561 in 1967 and $15,315 in 1966.

REPORT ON BAPTIST HOMES FOR THE AGING

This past year has been one of the most eventful in the history of our Homes for the Aging. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people.

The waiting list for admission to our Homes continues to grow. The opening of the Yanceyville Home has relieved, to some extent, the pressure on this waiting list, and persons are encouraged to make application.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents receive assistance through the love gifts of N. C. Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, 22½%, and (2) The Cooperative Program, 12½%. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000. Although the 1968 Special Day Offering is reflecting some increase, our Baptist Homes cannot be maintained at their present level much longer unless these two vital sources of income are increased considerably.

More and more the ministry of the Homes is being extended beyond day to day care to local churches and communities. Experiences have been shared through World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting. With an average age of 80 they sometimes amaze the attendants with their activity. We should be grateful to the Lord for the part we are able to have through our denomination. Our Convention had vision enough to plan for the aging, and is moving forward in meeting their needs.

W. P. Wells, Representative

REPORT OF ORDINATIONS COMMITTEE

The Ordinations Committee received only one request this past year. Mr. Billy Ray Jordan was examined and recommended for the ordination by our committee.

It has been suggested that in the future any candidate examined by the committee submit a paper expressing his views and that such paper be read by the candidate before the committee begins their examination.

REPORT ON BAPTIST HOSPITAL

Nineteen hundred sixty seven-sixty eight represents a full year at our Baptist Hospital with more than 30,000 sick people receiving medical help and Christian ministry, and more than 165,000 visiting the clinics of the hospital. In addition, over 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of diseases.

The Development Program of our Medical Center is progressing on schedule. The new power plant is scheduled to go into operation in October, and the paramedical school building by next April. It will provide the best in teaching facilities and make it possible to double the enrollment of our nine schools and even to add new schools. The Medical School addition will be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which will be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarge office space and facilities for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But 1967-68 has been a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of mounting costs, increasing needs of people, the hospital has had a growing deficit. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, hospital insurance deducted, and the balance paid before the patient is admitted unless he is certified by his county welfare department or some other agency. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost.

The great concern at our Baptist Hospital is for the patients who must have specialized care plus financial assistance. But the hospital cannot continue to operate without the money to cover the cost. We believe the great majority of our people will understand and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission. We want to assure our hospital that it can depend upon us in full measure.

H. L. Ferguson, Representative

REPORT OF CAMP COMMITTEE

Our main projects for the year were the erection of a bath house in the tent area and an outdoor chapel in the general area of the Nichols-Maddry Lodge. The bathhouse provides four cold-water showers and the chapel will seat nearly 200 people. Other improvements include the installation of two 1,000-gal. tanks, one for the bath houses and one for the lodge.

With these two projects completed, thus exhausting the funds from the sale of bonds, we may look forward to a greater use of the camp and its facilities next summer.

All during the year churches have been using all or part of the facilities of the camp week after week. With the electric heat in the lodge groups could "camp" during the winter.

REPORT OF DEACON'S COMMITTEE

On November 28, 1967, a rally was held at Calvary Church with an emphasis on "The Pastor-Church Relationship." Speaker for the occasion was J. Marse Grant, editor of the *Biblical Recorder,* state paper of our Baptist State Convention.

For weeks the associational Fellowship Committee had circulated questionnaires among the hundreds of deacons in our churches. The results were tabulated and Mr. Grant spoke to the results.

On May 21, 1968, highlights of the recent Home Missions study book, "Trumpets in Dixie" were presented at Immanuel Church by our Superintendent of Missions by special request. He used the overhead projector for this presentation.

On November 26 another Deacons' Rally will be held at Yates Church. With the coming "Crusade of the Americas" in mind this promises to be a fitting climax for this calendar year.

Paul Burmahl, Chairman

REPORT OF THE WOMAN'S MISSIONARY UNION

The Woman's Missionary Union has stressed during the year the theme: "A Church Fulfilling Its Mission Through Ministry." A real inspiration to our work this year has been our watchword: "Inasmuch as ye have done it unto one of the least of these . . . ye have done it unto me." Matt. 25:40.

Some of the highlights of a very rewarding year have been:

1. "WMU and the Total Church Program"—a conference for our pastors was held simultaneously with the WMU Leadership Conferences at Yates Church on September 26, 1967. A special guest who led this informative, question and answer period was Miss Miriam Robinson, WMU Executive Secretary of North Carolina. There were 280 people who attended from 38 churches. Classes were provided for all local officers and leaders of the WMU in the churches. These conferences were led by the associational WMU officers.
2. Mission study workshops were held for foreign and home missions for the purpose of aiding the teachers. These classes included Baptist Men, WMS, YWA, GA, and Sunbeam Bands.
3. The Executive Board held regular quarterly meetings to plan, coordinate and evaluate the work of our churches. Without the dedication and cooperation of these women, our work would not have been successful. The local presidents were invited to the January board meeting at Watts Street Church. A special guest at this meeting was Rev. Hubert Mumford, Associational Superintendent of Missions, who spoke in behalf of the work of the WMU and the part it takes in the total program of the church and the association. There were 35 women present representing 25 churches.
4. The annual WMU meeting was held on Thursday, April 18, at Durham Memorial Church, 5:30-8:45 p.m., with supper being served by the host Group III, Mrs. Elbert Murphrey, leader. Special guests were Miss Bernice Popham, N.C. Sunbeam Band Director, and Rev. John Poe, missionary to Brazil. Miss Popham presented in capsule form the plans for "WMU '68". A total of 308 from 45 churches, including eight pastors, two visitors, one missionary, and 297 women, were present.
5. A prayer retreat was held on June 15 at Sun Valley Ranch (home of Mr. & Mrs. Sam Dennis) with 23 present from 14 churches. Rev. Robert Winecoff, pastor of Mt. Hermon, led in a Bible study period. Mrs. W. C. Hall, prayer chairman, planned the inspirational retreat.

6. Conferences at Ridgecrest and Raleigh were attended by members of the executive board in order to train themselves to better assist the local churches. The president attended the State WMU meeting in Asheville in March. Also, it was her rare privilege to be invited to and attend a two-day conference at the Home Mission Board in Atlanta, Georgia, in June. Mr. Mumford and Mr. Aubrey Wheeler also attended this conference which was to study Associational Relationships in Mission Action. Only five associations in the Southern Baptist Convention were invited. Yates Association is honored to have been selected.
7. August 27 at Braggtown Church, the Annual WMU Night was held. Emphasis was given to mission action as we observed the Week of Prayer for Associational Misions. The theme was "By Love Impelled," with Rev. Boyce Kimball speaking on his work with adult/juvenile rehabilitation in Yates Association. The featured speaker was Mrs. James P. Morgan, a clinical psychologist for N. C., who inspired all of us to be more concerned for others. There were 128 in attendance, representing 26 churches.
8. The YWA held four quarterly meetings with increased attendance and interest a "first" for this group of young women was a "dutch" dinner meeting at the Tip Top Fish House in February with 81 attending from 15 churches (during YWA Focus Week). The week came to a climax with the State YWA Convention at Temple Church on February 16-17. Upon resignation of Mrs. J. A. Fogleman, Mrs. Anthony Gurganus completed her term as Director. A citation recognition service was held at Lowe's Grove Church during the year.
9. The GAs also held four quarterly meetings with increased attendance. One of the highlights of this year was the GA Banquet on May 17 at Guess Road Church during GA Focus Week with 435 attending from 25 churches. Guest speaker was Miss Susan Grant, a past president. She led the girls, their counselors, and guests in group singing and gave an inspirational message. Numerous Ga Coronation services were held throughout the association with Mrs. W. M. Blalock, associational GA Director, participating in many of them.
10. The Sunbeam Day Camp for 8-year-olds was held for the second consecutive year at Yates Camp on July 20. There were 59 who attended. The theme for the day was the "Crusade of the Americas." Various countries were studied in the units with nature study, Bible study, and other activities planned in coordination with this theme. Bag lunches were enjoyed and the day was climaxed by Rev. Ned Mathews who related his experiences (via slides) in Colombia, South America, and Rev. James Staples who led in group singing at the close of the camp. These 8-year-olds enjoyed a day of fun, food, fellowship and inspiration that will not soon be forgotten.
11. The response of the churches to our mission action project at Murdoch Center has been a rich experience for all. Those who have planned for the program and those who received the visits are very appreciative for your reception of the new program. More people have been involved than ever before.

Due to the new plans for Woman's Missionary Union for 1968, the president and other associational board members have visited in many of our churches in order to interpret and assist them when we were needed. The joy of serving comes only as we serve our Lord by helping others to know how to serve Him better. It has been our privilege during this year to meet many new friends through this individual contact with our churches.

The work of WMU will continue to grow in quality as long as there are women who will consider their tasks a joy and rare honor as they serve our Lord and Saviour Jesus Christ. We shall long remember the many wonderful opportunities this place of service has afforded each of us. May all of us, men and women alike, remember that Jesus said: "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

TWENTIETH ANNUAL MEETING—YATES W.M.U.
April 18, 1968

The 20th Annual Session of the Yates Associational W.M.U. was held on April 18, 1968 at Durham Memorial Baptist Church with Mrs. Carlton O. Couch, President, Presiding. The theme of the meeting was "Love in Action."

Mrs. Robert Helms, with Mrs. A. Clyde Ferrell at the Organ, led in singing "Great Redeemer We Adore Thee." The invocation was given by Rev. Vernon McDaniel, Pastor of Durham Memorial Baptist Church.

Mrs. Millard Page, President of Durham Memorial W.M.U. extended a cordial welcome to the group and Mrs. Mary Whaley responded.

Mrs. Hubert Mumford, Secretary of the State W.M.U. and former Associational W.M.U. President, brought a very inspiring devotion centered around Mark 12:30. She stated that the most important thing in life is our attitude toward God and that today we must meet God on a deeper level than ever before and that we might carry this word to others. We must stay in rhythm of love guided by the purpose of Christ. The devotion was closed with a very pertinent question "How will we show our love to God?" followed by prayer.

Mrs. Robert Helms of Homestead Heights sang "I Saw A Man," accompanied by Mrs. A. Clyde Ferrell.

Mrs. Carlton O. Couch, President, recognized the Pastors and visitors.

Miss Bernice Popham, State Sunbeam Band Director, presented W.M.U. '68. She stated that these new plans were simplicity and flexibility, also that the basic purpose had not been changed but hoped to be met in a more simple way.

A very inspirational playlet "Me-In Mission Action" was presented by the Angier Avenue Youth.

Mr. Claiborne Ross, Associational Brotherhood President, closed the first session with Prayer and offered thanks for the meal. Supper was served by Group III, Mrs. Lydia Murphrey, Leader.

The evening session was opened by singing "Where Cross the Crowded Ways of Life." The devotional and prayer was led by Rev. Anthony Gurganus, Pastor of Calvary Baptist Church. His devotional was centered around Mark 12:30. "Love the Lord thy God with all thy heart." We can do all things through Christ. Too often we substitute things, or material things in place of Christ. Life comes only when we as individuals are joined together with Christ who can control our lives if we will but surrender our all—May our devotion always be placed in the hands of Christ.

Mrs. Louise Hall, Prayer Chairman, led in the Call to Prayer remembering the missionaries.

Mrs. H. W. Pickett, and Mrs. V. A. Shore from Cresset Baptist Church, sang "Only One Plan," accompained by Mrs. A. Clyde Ferrell.

During the business session, Mrs. Peggy Brown gave the Treasurer's report. Balance on hand as of 10/1/67 was $556.14 with disbursements totalling $188.40 giving a balance of $367.44 on hand as of March 31, 1968.

Mrs. A. A. Gregory, Vice-president presented the proposed budget for 1968 and 1968 in the amount of $1,073.00, which was approved.

Mrs. J. E. Strawbridge, chairman of the Resolutions Committee presented the following resolutions:

It is recorded that in St. Mary's Church in Cambridge, England, several hassocks in a pew were embroided with the words, "Think and Thank." As we think of the experience of the hours we have spent together in this the twentieth annual session of Yates Baptist Association we give thanks to God.

1. We are thankful to Durham Memorial Church and its Pastor Rev. Vernon McDaniel and the Woman's Missionary Society for its gracious hospitality and warm welcome.
2. We thank group three for the preparation and serving of the delicious dinner we have all enjoyed.
3. We thank Mrs. Hubert Mumford, and Rev. Anthony Gurganus and Rev. John A. Poe for the inspiring Message.
4. We thank the Angier Avenue GA girls for the Playlet "Me—In Misson Action."
5. We thank Mrs. Robert Helms, Mrs. H. W. Pickett and Mrs. V. A. Shore for a beautiful message in song.
6. We thank Mrs. Carlton Couch our President, for her untiring work and to all who had a part in making this meeting a success.

The chairman of the Nominating Committe Mrs. Elbert Murphrey, presented the slate of officers for the year 1968-70 as follows: President, Mrs. Robert Gray; Secretary, Mrs. A. T. Carrington; Y.W.A. Director, Miss Frances Nichols; Assoc. Y.W.A. Director, Mrs. G. D. Andrews, Jr.; Sunbeam Director Mrs. C. D. Johnston; Assoc. Sunbeam Director, Mrs. C. L. Kirkman; Program Director, Mrs. W. T. Dorrity; Mission Study, Mrs. W. B. Harrill, Jr.; Prayer Director, Mrs. Carlton Couch; Group III Leader, Mrs. W. A. Lunsford; Group IV Leader, Mrs. L. C. Sears; W.M.S. Director, Mrs. V. J. Chance.

W.M.U. Officers completing term September 30, 1969 are as follows; Vice-President, Mrs. A. A. Gregory; G.A. Director, Mrs. Melvin Blalock; Assoc. G.A. Director, Mrs. Ruth Preddy; Treasurer, Mrs. C. E. Brown; Mission Action, Miss Ila House; Stewardship, Mrs. Paul Shoupe; Historian, Miss Van Kearney; Publications, Mrs. Grady Mason; Group I Leader, Mrs. Clyde Terry; Group II Leader, Mrs. Vernon Early. Mrs. A. Clyde Ferrell presided over a very beautiful and most inspirational Service of Dedication to the officers who will assume their office in October 1968. After the dedication of officers Mrs. Robert Helms led the group in singing the first stanza of "O Love of God Most Full."

Mrs. W. J. Broadwell Program Chairman of the Association introduced Mr. John A. Poe, a missionary to Brazil—Appointed by the Foreign Mission Board in 1956—He works in the field of Evangelism and Religious Education. Mr. Poe spoke on "Love in Action," using a scripture passage from 1 John 4:19-20, 21. He stated that people are in need of living and that everybody needs just a little bit of love and attention. He stressed that we are Ambassadors for Christ if we are in Christ. We are to bring those out of harmony back together. Nothing since time has found anything stronger than love. How can we send our missionaries to preach to those with other color than white when we back home do not love our brother? Can we hear our brother crying out today? Who is your brother? Christ is calling tonight, to go and to witness to the uttermost parts of the world.

The session was closed with a Hymn of Dedication "When I Survey the Wondrous Cross" followed by the benediction given by Rev. Hubert Mumford, Yates Associational Missionary.

Respectfully submitted,
Mrs. Carlton O. Couch, President
Mrs. William T. Dorrity, Recording Secretary

REPORT OF AUDIO-VISUAL COMMITTEE

We are proud to report the purchase of a record player with extension speaker, the motion picture projector used in the CAVE plan with several of our churches for several years, and another filmstrip projector.

Twenty separate tapes have been made from records on hand to give churches an option in recordings. Progress has been made in bringing the associational catalog up to date, and our tape recorder has been modified to take an extension speaker.

Our audio-visual equipment now includes 2 motion picture projectors, 2 filmstrip projectors, 2 screens, 1 portable overhead projector, 1 tape recorder, 1 record player, 1 magnajector, 1 easel, various extension cords and other accessories.

Respectfully submitted,
Floyd Rhodes, Chairman

REPORT OF ASSOCIATIONAL BOARD

The association has conducted its business in six meetings of the associational Board. The board meetings were held at Angier Avenue, November 21, 1967; Homestead Heights, January 16; Holloway Street, February 13; Fieldcrest, May 14; Parkwood, September 10; and Rose of Sharon, October 22.

Among the actions taken in the board meetings were several of importance.

1. At Angier Avenue the Finance Committee recommended that we apply to the State Convention for $2,500 for each of two church sites.
2. The Missions Committee recommended that the larger churches sponsor a mission church as a fast means of church expansion in the association.
3. At Homestead Heights it was decided to move the regular meeting of the associational board heretofore held in January to February when the churches would have had time to complete their budgets.
4. The Missions Committee reported at Holloway Street that the association had needed a church to assume the financial responsibility for the site at the intersection of Sparger and Cole Mill Roads, acquired in 1967. The committee announced that Grey Stone had appropriated $5,000 in their budget for this purpose.
5. At Fieldcrest the Christian Social Ministries Committee requested that Boyce Kimball be employed as an exploratory project in a referral or liaison capacity

with the Welfare Department, courts and social institutions through September, working especially with alcoholics and delinquents of the community.

6. The Evangelism Committee was recognized for a good job in setting up and promoting the "Jim Vaus Meeting."
7. At Parkwood the Rev. Boyce Kimball was recognized for his outstanding work with alcoholics in our pilot program sponsored by the State Convention and the association during the summer of 1968.
8. At Rose of Sharon the board approved the purchase of a future site located on Garrett Road between 15-501 by-pass and old Chapel Hill road at a cost of $15,000. The association has on hand $6,000 for a down payment, and the board approved a request for a loan of $5,000 from the State Convention for the January 1969 payment.
9. The board also approved requests to the State Convention for $2,500 on the Garrett Road property and $2,400 for office help for 1969.
10. The request from Page Road Baptist Church to come under watchcare of the association was approved for presentation to the annual meeting.

There were many other important matters discussed and approved by the board during the year which acts for the association between its annual meetings. We urge every church to take part in the discussions and decisions of the Board by sending their representatives. Each church is entitled to be represented by the pastor and two members.

Churches can assure the success of the Lord's work in the association by participating in the board meetings.

Respectfully submitted,
Bruce C. Little, Moderator

REPORT OF THE CHRISTIAN LIFE COMMITTEE

On June 4, 1968, messengers to the Southern Baptist Convention in session at Houston, Texas, adopted "A Statement Concerning the Crisis in our Nation" which denominational leadership saw as a turning point and a new direction for Southern Baptists. In a call for action the Home Mission Board was assigned the task of "leadership in working with the Convention agencies concerned with the problems related to this crisis." The Christian Life Commission was charged with responsibility for the study and implementation of the crisis statement by local associations and congregations. It is in the spirit of the Houston Convention that the Association Christian Life Committee for 1967-68 has undertaken its work.

Shortly after the Association met last year, a conference on the theme, "The Church's Ministry to the Disadvantaged Family," was held on November 2, at First Baptist Church, Durham. The conference was sponsored jointly by the Yates, New Hope, Cedar Grove, and County Line Associations. The speakers for the conference were Dr. Gardner C. Taylor of Brooklyn, N.Y. and Dr. Warren T. Carr of Winston-Salem.

In a number of meetings over the past several months the work of prior committees has been considered and the committee has concluded that the Christian Life conferences held for the past three years have been worthwhile. Plans have been completed for a fourth conference to be held at Watts Street Baptist Church, Durham, on Monday night, January 13, 1969, beginning at 7:30 P.M. The theme for the conference will be "The Local Church Responding to the Crisis in the Nation."

At this year's Christian Life conference an outstanding feature will be presentation of the conference theme by Dr. Victor T. Glass of the Home Mission Board.

Workshops on the following subjects will explore various aspects of the main theme.

1. The Church and Social Welfare
2. Understanding the Urban Setting
3. The Church Working with Community Agencies
4. How to Organize the Congregation for Effective Christian Witness
5. Resolving Conflict within the Congregation.

Everyone is encouraged to support this Christian life conference by prayer, by attendance, and by encouraging others to attend. Hopefully each church in the Yates Baptist Association will have at least five persons at the conference—one in each of the Workshop sessions. Perhaps some churches will be encouraged to study and implement the crisis statement in their own congregations.

The Christian Life Committee looks forward to a continuation of the meaningful personal relationships that have been established with fellow Christians from the Negro Baptist associations of the Yates Association area. It reports with pleasure that a state convention-sponsored Human Relations Conference will be held in Durham on Thursday, May 1, 1969. Further details will be announced as soon as plans for the conference are complete.

Members of the Committee who have served this year are: Carl N. Harris, Mrs. N. B. Lockwood, E. L. Phillips, and Mrs. Henry Turlington.

Respectfully submitted,
Chris C. Hamlet, Chairman

REPORT OF CONSTITUTION COMMITTEE

Last year at the annual meeting there was a brief discussion of Articles 2 and 4. After considerable investigation during the year it was decided to leave those two Articles as they are with one exception, the changing of the words "Extension Committee" to "Missions Committee" in line with our modern terminology. Thus the Articles will read as follows:

ARTICLE 2. The Association in session shall be composed of the duly elected messengers from the cooperating Baptist churches in Durham County and its adjacent territory, the regularly elected officers of the Association, and the members of the Associational Board.

ARTICLE 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting . . .

In Article 25 we recommend the following changes:

That Section (2) be revised changing the word January to February.

That Section (3) be revised with the addition of the words "the Music Director," the deletion of the word "Associational" in four places, and the changing of the word "President" to "Director" in two places to bring terminology up to date;

Proposed Changes

(3) THE ACTIVITIES COMMITTEE shall be composed of three members with the Sunday School Superintendent, the Training Union Director, the W.M.U. Director, the Brotherhood Director, the Music Director, and the President of the Ministers' Conference, serving as advisory members. It shall be the duty of. . . .

That Section (8) be revised and strengthened to read as follows:

Proposed Reading

(8) THE CHRISTIAN LIFE COMMITTEE shall be composed of five members whose duty it shall be to propose ways in which the Association, its cooperating

churches and individual Christians may work for the promotion of civic righteousness and social uplift, and to provide educational opportunities for keeping our people informed in these areas.

That Section (10) be revised and strengthened as follows:

Proposed Changes

(10) THE RADIO AND TELEVISION COMMITTEE shall be composed of three members whose duty it shall be to work with local stations in the securing of time, to promote programs of religious and of denominational interest, to encourage the churches to use the media of radio and television, and to study the possibility of a regular associational program.

That Section (13) THE NOMINATIONS COMMITTEE include the following paragraph unintentionally left out last year:

It shall also present nominations to the Associational Board to fill any vacancy in the offices for which it nominates to the Association.

That Section (16) be revised as follows:

Proposed Changes

(16) THE CAMP COMMITTEE shall be composed of seven members whose duty it shall be to direct the development and use of the property with the advice and consent of the Associational Board.

That Setcion (19) be revised as follows:

Proposed Changes

(19) THE CHRISTIAN SOCIAL MINISTRIES COMMITTEE shall be composed of nine members, including the Woman's Missionary Society Director and the Mission Action Leader of Brotherhood, whose duty it shall be to identify needs in the Association such as illiteracy, alcoholism and narcotic addiction, juvenile delinquency, unwed mothers, the economically disadvantaged; encourage churches to provide ministries to meet these needs; enlist and offer training for those with interest in these areas; organize and lead the churches cooperatively in some specific area(s) when wise and possible.

REPORT OF THE NON-EVANGELICAL COMMITTEE

The non-evangelical committee is concerned with making Christ known to all who are not Christian. It is further concerned with cultivating better relationships between evangelical Christians and non-evangelical groups. In our area this means that Jews, Roman Catholics, Mormans, Jehovah's Witnesses, Greek Orthodox, and international students have a claim upon our interest.

During the past year several churches have taken the initiative in cultivating friendship and understanding between Baptists, and non-evangelicals. Some groups have visited the Roman Catholic Church and the Jewish Synagogue for services of worship or for a tour of the facilities. Joint worship services, with discussion periods afterward, were engaged in by one Baptist and two non-evangelical churches. Non-evangelical clergymen were invited to the Training Union hour by another church. Several meetings for food and recreation were planned for international students by still another church.

The non-evangelical committee does not claim credit for these gestures of interest. The committee report cites them in order to encourage others to find ways of fostering friendship and concern with individuals as well as groups of non-evangelicals.

As we approach the Crusade of the Americas every church and every Christian is urged to include non-evangelicals in his thinking, his prayers, his plans, and his efforts.

Mission Action Groups of W.M.S. might concentrate on witnessing to Jewish or other friends.

Individuals can send Jewish New Year cards and other tokens of friendship that will be quite meaningful to Jewish friends.

Individuals and churches could cultivate the friendship of international students in varied ways, even by "adopting" one for his stay at Duke or U.N.C. The International House at Duke will be happy to assist. Aside from the possiblility of winning some of them to Christ, consider the reservoir of good will for our country that could be developed.

Through genuine friendship and interest we will win the right to witness. In fact, if we go to others in His spirit we will *be* His witness.

Respectfully submitted,
Robert M. Winecoff, Chairman

*SUBJECT TO REVISION IN FEBRUARY BOARD MEETING

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ending December 31, 1967. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1967 on a basis consistent with that of the preceding year.

Respectfully submitted,
Frank A. Nelson, CPA

1968 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

J. Marse Grant, Editor

REPORT OF RESOLUTIONS COMMITTEE

Be it gladly and gratefully resolved:

That with heart and mind and soul we make this moment a spiritual ascent up God's holy hill to praise Him for His angels of Goodness and Mercy which have followed us all the days of our life. And that, as we mount up the hill, let us go chanting with the Psalmist, "I will sing, yea, I will sing praises unto the Lord."

That we sing praises to God for each of His shepherd-servants who have done the overseeing and superintending work of this Association since we last met. That to our Moderator, Bruce Cornell Little, and to our Clerk, Harrell Perry, and to our Superintendent of Missions, Hubert S. Mumford, and to our Program Committee, and to each other shepherd-office who has laid out himself or herself in toil for the flock of this Association in any capacity, and to each one who has had any part in putting "the song of the Lamb" within our hearts and upon our lips—to each of these shepherd-servants of His let us say, "We do sing praises unto the Lord for the way you have labored to lead us in His paths for His name's sake. And may the Great Shepherd Himself lead you where the still waters of rest flow."

That we sing praises to God for His gracious servant-hosts at the University Church and at the Plainview Church, who prepared a table before us. And not only so, but anointed our heads with the oil of a royal welcome and ran our cups over with unmeasured blessings. And to these gracious hosts let us say, "May the Great Host of all welcome you to His very own table and run your cup over with His tender mercies and loving kindnesses."

That we sing praises to God for "the tie that binds our hearts in Christian love" in this Association, and very particularly for the wonderful warm fellowship that we have had experience of in this annual session of it.

And that, finally, we sing songs of prayer to the Great Shepherd God of the sheep.

That we sing a song of prayer for the family and loved ones of those of our beloved dead who have "walked through the valley of the shadow of death"—that He may make their hearts "comfortable" with His great rod and staff.

That we sing a song of prayer for God to lay His great staff also upon the open war in Vietnam, and upon all the hidden wars elsewhere, and to guide them into the pathway of His own will of peace.

That we sing a song of prayer that God may also place his mighty staff upon this land of ours on the eve of a decisive election, and that He may guide the people to choose leaders who will "hear his voice" and "follow him" as He seeks to lead this land in "the paths of righteousness"—until at last in this land and this world "there shall be one flock, and one shepherd."

That we sing a song of prayer for our own selves, as we go forward into the future, beseeching Him "that leadest Joseph like a flock" to lead us forth into the pathways of ever greater and greater service for "that Great Shepherd of the Sheep," who loved us and gave Himself for us, and washed our red-like-crimson sins and made them white as wool.

Yea, that we beseech Him to lead us gently, and to gather us with his arm, and carry us in His bosom until we are safe home at last in New Jerusalem beyond the wilderness of this world.

"Blessed Jesus, blessed Jesus,
Hear, O hear us when we pray.
"Blessed Jesus, blessed Jesus,
Thou has bought us, Thine we are.

"Blessed Jesus, blessed Jesus,
Thou has loved us, love us still."

Amen.

Gratefully and gladly submitted with
songs of praise to our Shepherd God,

Mrs. Julian M. Motley
Mrs. Don C. Christian
G. Fred Lipe, Chairman

ASSOCIATIONAL FOUNDATION REPORT FOR 1968

During the past year, The North Carolina Baptist Foundation, Inc., has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Membership

Article 2. The Association in session shall be composed of the duly elected messengers from the cooperating Baptist Churches in Durham County and its adjacent territory, the regularly elected officers of the Association, and the members of the Associational Board.

Article 3. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified, and in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.
(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Article 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under the watchcare of the Association. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watchcare of the Association for a period of one year. It is understood that during the period of watchcare such churches will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board. At the end of the year of watchcare, the church or churches may, by a two-thirds vote of the Association, be received into full fellowship of the Association or continued under watchcare or have the request for fellowship rejected. Upon admission to full fellowship, the church or churches shall be authorized to seat duly elected messengers with voting privileges and voting members on the Associational Board.

Article 5. The Association shall have power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or by letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Article 6. Any church may decline to send messengers to the Association at its pleasure. F. Smith, Jr.

29. *(The following was the basis for the motions to follow:

"On February 26, 1969, the Watts Street Baptist Church adopted the following policy:

> Article 1. Reception of Members
> Section A. Members may be received in any one of the following ways:
>
> 1. Upon profession of faith in Jesus Christ as Lord followed by baptism by immersion, such baptism being required of all new converts.
> 2. By transfer of letter from another Christian Church giving evidence of baptism by immersion or by another mode, if that baptism is meaningful to the candidate, and upon the condition that all membership requirements, including confirmation, of the denomination from which he comes have been fully satisfied.
> 3. If a letter cannot be obtained, by statement of the candidate concerning his baptism and church affiliation and by reaffirmation of faith in Jesus Christ as Lord.
> 4. Exceptions to the above requirements may be made when, in the judgment of the minister and the deacons, unusual circumstances justify a change from the norm.")

30. Russell Barbee, pastor of the Bethesda Baptist Church moved the following:

"Brother Moderator, last February the Rev. Robert McClernon, pastor of the Watts Street Baptist Church sent a communication to other pastors in Yates Association informing us of action taken by Watts Street Church which changed their constitution with the reference to their acceptance of members. Their constitution now provides for accepting some members from other churches who have not been baptized by immersion.

Inasmuch as this action constitutes a departure from the generally accepted teachings of Scripture concerning the mode of baptism, and,

Inasmuch as the Scriptures are the basis of doctrine and practice of Baptists, and,

Inasmuch as this action puts their practice in direct contradiction with their own expressed belief concerning the mode of Christian Baptism, and,

Inasmuch as any mode of Baptism other than immersion mars the picture of the death, burial and resurrection of Our Lord, and,

Inasmuch as their action represents a departure from the main stream of Baptist in history, and, furthermore,

Inasmuch as this action by Watts Street Church seriously affects the fellowship of the Association and raises difficult problems concerning the transfer of members,

I, therefore, in the spirit of Christian love, move that we respectfully convey to Mr. McClernon and the Watts Street Churh that we the messengers of the sister churches of Yates Baptist Association, on this day of our Annual Associational meet-

ing go on record as reaffirming our commitment to the Scriptural and historical mode of baptism by immersion, and in stating our opposition to a membership policy among our churches that would accept any members without immersion, and that we respectfully request the Watts Street Church to reconsider their action in this regard." Seconded by Ned Mathews.

31. Ernest G. Holt, pastor of the Guess Road Baptist Church, made the following substitute motion:*

> "Whereas, the action of the Watts Street Baptist Church on February 26, 1969 has brought to our attention their wilful departure from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, that this church be placed under the watchcare of the Yates Baptist Association for the period of one year while the church engages itself in a careful re-examination of this matter.
>
> Be it understood that during this period of watchcare that the church, according to the same provision extended to those churches applying for membership in Yates Baptist Association by our present constitution, will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board; and that the provision of voting be extended to all sessions after this one including the annual session of 1970." This was seconded by Vernon McDaniel.

A HISTORY OF ANGIER AVENUE BAPTIST CHURCH

Every great achievement that has ever been attained had to be built on a solid foundation. Unity, brotherly love, fellowship, and a love for God and His Son, Jesus Christ, and with a desire to advance His Kingdom here on earth is the foundation upon which Angier Avenue Baptist Church stands.

Because of her love for God and a great desire to serve Him, in August 1889, Mrs. Mary A. Wrenn deeded a tract of land to the following trustees of the First Baptist Church to be used for the erection of what became the Third Baptist Church: Thomas J. Rigsbee, T. S. Christian, S. T. Morgan, O. B. Foushee, and H. D. Markham. This land was the ground on which our present building stands.

The Church was officially organized on December 1, 1889, and at this time, East Durham, as it is called, was not a part of the City of Durham. It was a separate and distinct town. It had its own squire and town officials. There were no paved streets, no electric lights, no running water, and the telephone was an instrument that few people knew anything about. The church was lighted with kerosene lamps that hung from either the ceiling or walls of the building. Coal-burning stoves heated the building. People depended on wells for their water supply, and many times during the hot weather of summer, water would often become a treasured item as the wells "ran dry."

However, even though faced with these conditions and many other hardships, these good people were not deterred from their determination and in the Associational report of 1889 they were given recognition for their good works.

On January 1, 1890, Rev. J. F. MacDuffie was called to serve as the first pastor. The church was served well by several great men of God. Following Rev. MacDuffie, were Rev. C. W. Blanchard, Rev. O. C. Horton, Rev. J. C. Owen, Rev. W. F. Fry, Rev. J. O. Alderman, Rev. J. W. Downey, Rev. M. P. Davis, Rev. Q. C. Davis, and Rev. H. F. Brinson. Following Rev. Brinson's resignation, Rev. W. G. Hall was called March 1925. Rev. Hall served the church as Pastor until November 1943. Having served the church for nearly nineteen years, Rev. Hall was forcd to resign due to ill health. He had been named Pastor Emeritus and served in this capacity until his death in August 1950.

Following the resignation of Rev. Hall, Rev. C. N. Royal was called to the pastorate and began his work with us in January 1944.

Rev. Royal, too, like many of his predecessors, was a man not afraid to do great things for God and for the advancement of His Kingdom. Tireless in his efforts, our church, under his pastorate, began to make great strides forward.

The interior of our church took on a new look in 1950 when a new pipe organ was installed at a cost of $15,000.00, with the dedication service being held on April 30, 1950.

Also during this period our church had paid off a huge debt and had purchased additional land adjoining the church property in preparation for future expansion as our church was greatly handicapped because of its need for more Sunday School rooms.

Sunday morning, May 3, 1959, following the morning worship service, the congregation adjourned to the church lawn for the ground breaking program. Following a prayer of dedication by our pastor, the first spades of dirt were raised. Our new building was dedicated and opened on Sunday, July 31, 1960.

Rev. Royal celebrated his twentieth anniversary with our church on January 1, 1964. Mrs. Royal was also very active in our church. She taught a class of young women, in addition to her work as a public school teacher, and took an active part in the Missionary Society and many other facets of our church.

In September 1964, Rev. and Mrs. Royal resigned from our church and moved into their new home on Glendale Avenue.

Rev. John Freeman came to Angier Avenue and served as interim pastor until August 1965.

In August 1965, Rev. Crate Jones and his wonderful family were called to our church. During his ministry here the church has moved forward. A long needed parsonage has been erected and a parking area has been paved. Under the influence of Rev. Jones our music program has grown. Through the leadership and devotion of Mr. and Mrs. Art Fore more choirs have been organized and a deep interest has developed among the youth of our church.

Since that day in December 1889, this church has held a high place in our community, our city, and our state. It has been a shining light for God and for his Son, Jesus Christ. From its early membership of forty four faithful members, it has grown until its membership roll numbers 1,386 followers of Christ.

May our church continue to grow in Grace and Knowledge and ever become a greater light to shine for Him.

HISTORY OF RED MOUNTAIN BAPTIST CHURCH ROUGEMONT, N. C.

The Red Mountain Baptist Church of Rougemont, N. C. was organized in the year of 1881. Services were held under a brush arbor. It is located in the northern section of Durham County.

Three of the charter members were Mr. & Mrs. William Bowling, Mr. James Lunsford. Bro. Jesse Howell had been sent from the Mt. Zion association to preach once a month. Due to age and failing health, he was unable to continue as Pastor. Bro. Wright then was called as Pastor. He was assisted in the first revival by Bro. Morton of Roxboro. There were sixteen persons added to the church at that time. Thus the church grew and was accepted into the Mt. Zion Association in October, 1882.

Other charter members who worked long and hard were Brethern Rufus and James Bowen, Bro. G. W. Jones and others. Some of these are buried in the church cemetery.

It was under the leadership of Bro. E. J. Caldwell, Pastor in 1928 that the church and community decided to build a better house of worship. A brick veneer building was decided upon at a cost of aproximately $9,000.00. The W.M.U. of the church donated $500.00 for the roof. Bro. and Mrs. Bunn Bowling gave the timber that was needed and Bro. Eugene Mangum gave the use of his sawmill and truck for hauling the brick, sawed timber, sand, etc. Many sacrifices were made; much hard work and many long hours were spent in the building of this rural church.

There have been several pastors since the new building was erected. Some of the pastors and some of the accomplishments under their leadership are:

1956-1961—Rev. J. Thad Ashley

The first Pastorium for the church was built. Bro. Ashley, his wife, Doris, and their two daughters were the first occupants of the new pastorium. Training Union was also begun.

1962-1964—Rev. W. Hubert Barnes

During Bro. Barnes pastorate, the church went full time. Additional ground was purchased for the cemetery and other church uses.

October 1964-Feb. 1967—Rev. Otis T. Hooks

Under the leadership of Bro. Hooks, the Sunday School Building was renovated, making room for much needed class rooms. A heating system was installed in the sanctuary and also in the class rooms. During his pastorate a well was dug enabling the church to install a water fountain inside the church.

March 1967-Dec. 1967—Rev. Belvin Cox

Bro. Cox served the church as interim pastor during this time. During the leadership of Bro. Cox, bath rooms were installed in the building.

December 1967—Rev. John G. Bailey

Bro. Bailey is the present pastor and under his leadership, the cemetery has been plotted and blue printed.

At present we are seeking to promote a work among the young people; to evangelize the surrounding community; and to reclaim the inactive members of the church.

REPORT OF THE SUNDAY SCHOOL

The two main functions of the Sunday School are to teach the biblical revelation and to lead in reaching all prospects for the church. The Associational Sunday School Organization seeks to assist the churches in performing these functions.

Several projects were held in our association during the past year. The purpose of these projects was to help interpret the work of the Sunday Schools and to give assistance in performing the work. A one-night orientation meeting was held the early part of October 1968 to help new teachers gain understanding of their teaching task. In February a one-night Church Growth Workshop was presented. Our new State Sunday School Secretary, Rev. Burrel Lucas, led this workshop with the assistance of Reverend Bill Lamb, of the State Department of Evangelism. Two Vacation Bible School Clinics were held in April.

A very encouraging development has been the frequency with which the various churches have called upon individual workers in the associational Sunday School Organization to assist in specialized needs. This has been stressed for several years, and one of the main thrusts for the new year will be a continued stress on this type of specialized help in the churches.

One of our main programs for 1969-70 is to use every opportunity repeatedly to expose the churches to the new program in Sunday School work that will begin in October 1970. Several of these meetings have been planned and appear in the associational calendar. Other meetings will be announced as the need arises and the opportunity presents itself.

We continue to urge the churches to feel free to call on any of the staff of the Associational Sunday School Organization for assistance in any way.

Respectfully submitted,
Anthony Z. Gurganus, Superintendent

REPORT OF BROTHERHOOD

With mission study and mission action as the two main tasks in Brotherhood work, your associational Brotherhood Council naturally rejoices in the ever-increasing mission activities being reported through our churches. We also rejoice in the parallel mission activities in our sister organization, the Woman's Missionary Union.

We trust that an increasing number of churches, whether or not they have the Brotherhood organization, will put real emphasis upon mission activities. Churches may carry out this task through special committees of men, through deacons, associate deacons, a missions committee and other ways. We must not be deterred by technicalities. We need to minimize meetings and programs and emphasize service for others.

In January several of our churches observed Baptist Men's Day. This day always draws attention to the importance of our laymen in the Church and in God's Kingdom. Some churches had only one worship service conducted by the men; others had a whole week of activities.

During the year we have had several important events as an Associational Brotherhood.

On January 28 our annual Ladies' Night was held at Braggtown. It consisted of a period of fellowship, banquet and worship services. The banquet was served by the ladies of the host church. Bob Holleman presided. Mr. Frank Ingram, Missionary of the Mount Zion Association, spoke on "Humorous Incidents while Witnessing." Laughter was never more hearty! At the 7:30 service Mr. Claiborne Ross, Association Director, presided and Mr. Ingram spoke on the "Do's and Dont's of Witnessing."

A well-organized RA track meet was held on April 12 at Durham High School with Messrs. Jim Barringer and Ray Hertzog, associational RA leaders, in charge.

The spring RA Campout was held at the Yates Camp on April 25, 26. Special speaker for the occasion was the Reverend Bill Jackson, Director of the State RA Camp Caraway, outside of Asheboro, North Carolina. After his talk, a hike was taken and he pointed out some interesting things in the woods. The rest of the morning was given to competitions between the various church groups.

At the spring Baptist Men's Meeting at Lowe's Grove, emphasis was given to the various tasks and emphases of this organization. Edwin Clements, Bob Watson, Aubrey Wheeler, Bob Terrell, Jim Barringer, and Ray Hertzog all spoke. At this meeting the Superintendent of Missions had the privilege of presenting a trophy to Aubrey Wheeler for his many years of service with the Associational Brotherhood Organization.

Yates Association Royal Ambassadors brought home several ribbons from the first State RA Track Meet at Wake Forest University, Winston-Salem, on May 17. Church groups winning included Angier Avenue, Calvary, and Guess Road.

The Annual Man-Boy Rally was held at Bethesda on July 19. Mr. Bob Joyce, of the Durham YMCA, demonstrated some calisthenics and let the boys try them. Classes on RA work were conducted for both boys and counselors, followed by a hamburger supper. The evening was concluded with a message by Coach Johnny

Clements of State College, Raleigh, and a member of the Fellowship of Christian Athletes.

The last two events of the year were another RA Campout on September 5-7 at the Yates Camp and the annual Workshop at Lakewood on September 23.

Respectfully submitted,
Claiborne Ross, Director

REPORT OF THE MUSIC COUNCIL

The Music Council met six times during the past season in executive meetings to plan the work of the council for the season, and make some tentative plans for the next year.

On Sunday afternoon, October 20, 1968, the eighth annual Yates Association Hymn Sing was held at Mount Moriah Baptist Church. Choirs from Lakewood, Temple, Yates and Angier Avenue participated. Hymns were favorites of members of Yates Association churches—chosen in a poll taken throughout the churches of this association. There was an excellent attendance for this most inspiring and enjoyable hour of worship and praise through song.

A choir was used for the opening of each session (Tuesday morning, Tuesday afternoon, and Wednesday morning) of the 1968 Annual Associational meeting in October. This Associational Choir did a grand job and contributed in a fine way to the three worship periods.

The Annual Choral Clinic for choir members and music leaders in the churches of our Association was held at Calvary Baptist Church on Monday, February 10, 1969. About 55 people from 12 churches attended. About ten of the number were guests from outside the association. Guest leader for the clinic was Fred Kelly of Winston-Salem. Many who attended the clinic felt it was the finest we have held, though it was not the largest in attendance. Mr. Kelly did an outsanding job. Best attendance from any one church was that of the host church, Calvary.

An area choral clinic slated for March at Hope Valley Church did not work out. The committee decided that, in the future, such area clinics would only be held if there was sufficient pre-registration to warrant it.

The council wishes to commend very highly the work of James Staples and Grady Long (and any others who work with them) in the grand job they have done along with the youth of our association in the Youth Choir—especially their preparation and various presentations of the folk musical "Good News." They have really done an exceptional job, and have been (and continue to be) a blessing to many.

As this report is being prepared, the Music Council is making final plans for the 1969 Hymn Sing, the 1969 annual meeting (associational choir for this meeting), and the 1970 Choral Clinic.

We would like to say, as we have in the past, that we, the members of the Yates Association Music Council, stand ready to give assistance to any church of the association, so far as time, opportunity, and ability permit. Call on us. We will help in any way we can.

Respectfully submitted,
John T. Laverty, Director

REPORT OF THE WOMAN'S MISSIONARY UNION

The year 1968-1969 has presented many new ideas in the work of Woman's Missionary Union. We do believe that adapting to these new ideas and making changes in methods has made the performance of our tasks easier and more effective. We are still in a period of transition, but sense a settling down and going to work again with more enthusiasm which a greater emphasis, Mission Action, has helped to motivate.

The theme of the year was "A Church Fulfilling Its Mission" with major thrusts of emphasis being the Crusade of the Americas and Project 500. Our participating churches in the Crusade are still feeling the effects of these efforts. We are happy that there were many new missions and churches begun in response to the Project 500.

The meetings of WMU this year have been exciting. The Annual WMU meeting was held on a stormy Tuesday evening, April 15, but 452 WMU ladies braved the elements and enjoyed the fellowship. Speakers for the evening could not have been better for this type of meeting. They were: Mr. Carson Blanton, Superintendent of Union Mission, Roanoke Rapids; Mrs. Judson Lennon, Foreign Missionary to Thailand; Mrs. James T. Lochridge, Missionary to the Philippines; and Miss Sara Ann Hobbs, Executive Secretary of the State WMU Convention.

One of the highlights of our year was the August bi-annual WMU meeting held at Gorman Church. The young people of our churches were invited and they responded beautifully. The 352 in attendance heard the Grey Stone Youth Choir, under the direction of James Staples, present fifteen minutes of contemporary sacred folk music. Campus Crusade for Christ was represented, and from the testimonies of three young people, many learned for the first time the vital impact that this organization is making on our College Campuses across the land. The W. A. Mitchiners from Oxford brought our meeting to a climax with a trip around the world by slides and audio-aids. The aim for this meeting was to impress upon the minds of those in attendance, that if the world is to be won for Christ it is to be done through the dedication of individuals, who have been called by Christ to carry the gospel to the peoples around the world.

ASSOCIATIONAL YOUTH ORGANIZATIONS

The Young Women's Auxiliary has held quarterly meetings with well-planned programs. New YWA organizations have been formed in Park View Church, Lakewood Church, and Mount Herman Church. The Gorman Baptist Church has reorganized their YWA's, and there is continued efforts being made to have this important organization in all of our churches.

The Girl's Auxiliary has held quarterly meetings with good attendances, and has helped to organize Junior and Intermediate GA work in the Red Mountain Church. This is a very active organization, and their outreach is great.

The Sunbeam Band held its third consecutive Sunbeam Day Camp with 81 enrolled at the Yates Campground. Child evangelism workers were enlisted to tell the character and Bible stories, and other leaders to help with art and crafts.

The Women's Missionary Union ministry at Murdoch Center is continuing with 5th Sunday visitation to the cottages at the Center. Also there are five churches, Angier Avenue, First, Page Road, Grey Stone, and Grace, who minister monthly to the Gateway House. Our opportunities are almost endless in this institution, and we are grateful for the doors that are opened to our ministry.

Women's Missionary Union work in 1969-70 is to present to us even greater challenges with more changes in terminology, and organizational plans. We pray that God will continue to use this organization for his honor and glory and for the propagation of the gospel. Women were found faithful and loyal to God all through the Bible and were used in great ways by God, and since have been found faithful and loyal and used in serving God when needs are presented. With the future happening all around us, it is our desire to be found in the midst of it doing God's Will.

Respectfully submitted,
Mrs. Robert E. Gray, Director

REPORT OF CAMP COMMITTEE

During the past winter three things happened. 1. The wells were tested and found to be producing one gallon a minute instead of 4½ gallons. 2. The Durham County Health Department inspected the camp, urged us to get a more adequate water supply and unify the system, improve the kitchen facilities, and take care of a few other technicalities. 3. We had run out of funds available for making these improvements.

Through the help of the Finance Committee and the approval of the associational board, money was borrowed from "Quarter per Quarter" funds to drill additional wells. Dr. Jasper Stuckey, retired state geologist, Mr. Steve Conrad, present state geologist, Mr. Ed Berry, state hydrologist, and even an old-timer with a peach-tree fork were all consulted in agreeing on proper locations. Two wells were drilled, one to a depth of 295 feet and the other to 595 feet. The first well produced only ½ gallon per minute and will not be used. The second well produces over 7 gallons a minute and will give us adequate water for resident camps next summer if we install at least a 10,000 gallon storage tank.

During the last few weeks we have also consulted with various companies to get accurate costs for putting the camp in good condition for increased use. The capital improvements and maintenance items in the budget reflect the results of this tedious task.

With adequate funds during the coming months we will have a substantial water supply, the gradual replacement of tents by screened-in cabins, a lighted outdoor chapel, improved kitchen facilities, a freezer, an additional refrigerator, storage for canned goods, and many other items that will bring pride to all of us. We also anticipate providing accident insurance coverage in the immediate future for all campers using the grounds.

We rejoice in the proposal of the Finance Committee and board to unify our entire financial program including the bond retirement. Looking to the future we have kept informed on the progress of the "Falls of the Neuse" project and we have consulted with owners of neighboring properties.

Over 2,000 people from 24 churches used the grounds during the past year. We expect the number of people to double this year with resident camps next summer. It will not be unreasonable to expect someone from every church to attend a resident camp next summer.

Up to this time the camp has been available by reservation to members of our churches and their guests, and BSU members at Duke and U.N.C., but, through a technicality, the same privilege of inviting guests has not been extended to the associational organizations and committees. *The Camp Committee therefore recommends for clarification (1) that we continue the policy of limiting reservations to the groups listed above but (2) that the associational organizations and committees be given the same privilege as churches in inviting guests.*

The Camp Committee also recommends, *(1) that the first building at the Yates Camp— the caretaker's house—be named the Johnson-Taylor Building, in honor of the first camp committee chairman, O. A. Johnson, and in memory of the executive-secretary of the Foreign Mission Board of the SBC, (2) that an appropriate occasion be set aside for this dedication service during the coming year, and (3) that suitable plaques be installed on both the house and the Nichols-Maddry Lodge.*

We regret that many of our church leaders have never visited our Yates Camp. For this reason we have completed a set of slides with audio-tape to enable our people to "visit the camp" within their own church buildings.

We rejoice in the number of young people who, during church retreats, camps, and other meetings, have committed their lives to Jesus Christ as Saviour and Lord and/or have made decisions for special Christian service.

We remember the words of the speaker at the dedication of the Nichols-Maddry Lodge on Sunday, October 10, 1965: "Time spent in planning, working, and praying, to say nothing of the thousands of dollars invested in these grounds, will be a loss to the kingdom of God unless training and missionary education are at the heart of activities experienced here.

Respectfully submitted,
George Love, Chairman

REPORT OF FELLOWSHIP COMMITTEE

This year the Fellowship Committee undertook two surveys to fulfill its assignment of promoting a good relationship between pastors and churches.

The first was "A Study of the Length of Pastorates and the Arrangements Made with Pastors in the Yates Baptist Association." It was made through the cooperation of the clerks and treasurers of the churches. It was undertaken to assist the churches in understanding the situation regarding pastoral employment, the shortness of tenure, and the loss of men to the pastoral ministry. Its intent was also to help each church in its pastoral relationship by enabling it to see what arrangements other churches are making with their pastors.

The second was "A Study of Procedures Used by Pulpit Committees in the Yates Association." It was made through the cooperation of the last chairman of the Pulpit Committee in the church and the pastors who were called to the churches. Its purpose was to analyze the wide variety of approaches used by the churches and to suggest improvements in procedural practices.

Both of these studies have been made available to the churches through the associational office.

Respectfully submitted,
B. E. White, Jr., Chairman

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Kingdom of God is at hand and the Christian Social Ministries Committee wishes its work to witness to this truth.

Our major emphasis has been to give support and guidance to the program of Adult and Juvenile Rehabilitation. We have encouraged a climate of understanding in the churches and tried to involve interested persons in programs of assistance to problem drinkers and their families—of course supplementing the work of the Community Social Agencies.

We have consulted with the State Convention and the Home Mission Board and applied to them through the Finance Committee and the association board for supplementary funds for this program in 1970.

We suggest that the name of our ministry be changed from "Juvenile and Adult Rehabilitation" to "Youth and Family Services" in line with the terminology of these denominational agencies.

We wrote the governor of our state and our local representatives urging their support for budget appropriations for vocational rehabilitation for the 1.1 million Physically and mentally ill of our state.

One of our great disappointments was that we were unable to follow through with some resident camps for disadvantaged persons at the Yates Camp this past summer. Among the obstacles hindering us was the policy of the association in limiting the privilege of inviting guests to the churches.

Because of this technicality our committee has not felt free to plan resident camps for such groups as juvenile delinquents, economically disadvantaged, mentally retarded, rheumatoid arthritics, and others. *We recommend that the Christian Social Ministries Committee be given the same privilege of inviting others as the churches have so that we can go ahead with our camp program for next summer.*

In September and early October "The School in Christian Social Ministries" and a "Seminar" offered information and training for those persons who wanted to be "enablers" to persons in need. The committee feels this was a well-organized and worthwhile opportunity. Hopefully, those who attended are better prepared to help persons in need.

We would like to commend the work of the Reverend Boyce Kimball to you. He has worked diligently and faithfully and creatively at his task as your Minister of Juvenile and Adult Rehabilitation.

We look forward to continuing with our rehabilitation of the alcoholic and his family, to helping the non-reader by implementing a program for them, to aiding youth in conflict and to holding at least three weeks of camp for disadvantaged persons this next year.

Respectfully submitted,
Mrs. W. M. Upchurch, Jr., Chairman

REPORT OF EVANGELISM COMMITTEE

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously. In our association the Crusade was greatly used by our Lord. A look at the record is sufficient. There was 607 additions by baptism and 852 by letter.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experinced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people—usually the leaders. This definitely says something to us for the future.
2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places, and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some *"musts"* for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ—Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue stead-fastly therein.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted,
W. Gattis Perry, Chairman

REPORT OF ASSOCIATIONAL BOARD

The board was busier than usual this past year with five regular meetings in November, February, May, September and October, plus three special meetings in April, June and July.

February

Reverend Tony Gurganus, Superintendent of the S.S. organization, announced the Church Growth Workshop on February 13 with Reverend Merle Lucas and Reverend William Lamb from the State Convention.

Reverend W. Gattis Perry, Chairman of the Evangelism Committee, stressed the Rally on Sunday, March 16, with Charlie B. Howard as guest preacher, and reported the number of churches planning to participate in the Crusade of the Americas.

Mr. A. B. Stone, Jr., presented the revised 1969 budget, totalling $43,324, which was adopted.

A special board meeting was set up for Tuesday, April 8, IF IT WAS NEEDED.

April

It was reported 1) that the $5,000 expected from sources outside the association to be paid on the Garrett Road property was not available, 2) that a special meeting of the Executive, Finance, Missions, and Trustee Committees had been called to authorize borrowing that amount plus interest of $135 from "Quarter per Quarter" funds (rather than going to a bank or private individual); 3) that $1,000 had been ok'd by the state convention toward our rehabilitation program (an increase of $400 over anticipated funds).

It was reported that $2500 on church expansion had been received from the state convention. It was voted to pay this amount plus $400 (unanticipated funds mentioned above) and $135 from the general fund to reimburse "Quarter per Quarter" funds (leaving $2100 still owed).

Mr. A. B. Stone, Jr., brought the joint request of the Camp and Finance Committees to borrow another $5000 from "Quarter per Quarter" funds to drill additional wells at the Yates Camp. The existing wells had reduced in output from 4½ gallons per minute to 1 gallon per minute, making resident camps impossible. Adjoining property with a potential water supply was not available. In the past a state hydrologist had been consulted in deciding on the location of wells. The next time it was proposed to consult with state geologists as well.

The board finally voted unanimously to borrow the additional $5000 and to authorize the trustees to borrow money from outside sources if an emergency should arise in redeeming bonds or coupons in the fall.

The board also voted to cancel "Operation Renewal" with Leon Kilbreth, of Greensboro, scheduled in May.

May

It was announced that the Durham County Health Department had inspected the Yates Camp and had made some specific recommendations toward upgrading the water system, kitchen, and food storage facilities.

It was voted to have extra board meetings on June 17, July 22, and August 12, IF NECESSARY.

July

The Finance Committee stressed the need of funds for the retirement of the bonds in the fall. It was revealed that 26 of the 47 churches, plus Page Road and Parkwood, had not had a part in "Quarter per Quarter" funds thus far.

It was reported that two wells had been drilled at a cost of $3850, one producing ½ gallon per minute and one producing about 5 gallons per minute, and work had been stopped at that point.

The coming Week of Prayer for Association Missions was stressed.

September

The Finance Committee announced a goal of 4% of the offering plate dollar as a basis of support from the churches for the 1970 budget.

It was announced that Dr. W. L. Howse of the Baptist S. S. Board, Nashville, would teach "A Dynamic Church" at Temple on October 21.

The Superintendent of Missions brought a recommendation from a representative group of youth leaders: that *(1) a youth council be set up consisting of one senior high and one junior high representative from each church, that (2) a youth council advisory committee of 5 be authorized to work with these young people, (3) that the Committee on Committees be instructed to nominate such a committee at the annual meeting, and (4) that the following people be elected as a temporary committee until that time: Grady Long Chairman; Bob Oates, David Peach, Gary Moore, and Jim Staples.*

It was passed.

Finally, a motion was passed to send a letter to the Durham City Council urging the adoption of a legally satisfactory Blue Law.

October

The wording of a letter to the Durham City Council was adopted as folows:

"The official Board of the Yates Baptist Association, in session on Tuesday, October 14, voted to express itself (1) as pleased with the overwhelming vote by the council recently in favor of the revised Blue Law, (2) as regretting the delay caused by a legal technicality in the amendment, and (3) as urging the council to pursue its efforts with all haste to adopt a legally satisfactory law that will provide and secure for the future a uniform day of rest for the people of the Durham community."

It was reported that the possible purchase and removal to the Yates Camp of the old Matthew Tyson Yates Homestead in the Mount Pisgah community seemed to be very remote at present. It was voted to table the matter for the time being.

Mr. A. B. Stone, Jr., Chairman of the Finance Committee, brought the 1970 Financial Goals for approval, stating that 1) it was a unified approach including the bond retirement, the WMU budget, as well as the regular budget items, 2) it included income anticipated from the Baptist State Convention and the Home Mission Board as well as from the churches, 3) it included increases in a few items of the missions section as we looked to meetings next year in preparation for the '70's, and 4) that the Finance Committee would be taking a hard look at all the financial goals in preparing the actual budget for the February board meeting.

Three applications for state convention funds were presented and approved: 1) $2400 for office help, 2) $2500 for Garrett Road property, 3) parkwood Church's request for $1200 as supplement to pastor's salary.

The Superintendent of Missions stressed the cost of printing the Minutes each year because of the number of copies printed (many of which are never used nor distributed in the churches) and also the number of pages. Mr. Mumford stated that the deletion of state convention reports in the association minutes would be quite appropriate according to the Research and Statistics Department of the Baptist S. S. Board, Nashville. The board thereupon voted to delete state convention reports from the minutes although the reports can be distributed in the Book of Reports and in other ways.

Finally the moderator read a letter from the Olive Chapel Church thanking the Yates Association profusely for past courtesies and stating that it was joining the Raleigh Association because its people had so many ties with Raleigh rather than Durham.

Instead of having so many separate reports presented this year, I have been asked to consolidate a few within my report as moderator. They follow.

Histories of Angier Avenue and Red Mountain: (These histories are not included in the Book of Reports but should be included in the Minutes.)

Although no time in the annual meeting is allotted for the following reports, they should be included in our printed minutes.

Audio-Visual Aids: During the year we joined the CAVE plan in order to acquire audio-visuals through the Broadman Press at minimum cost. No additional equipment has been purchased but several filmstrips and slide sets have been acquired for the use of the churches. (Harold Moore, Chairman)

Student Work: During the year a Church-Student Workshop was held at Grey Stone Church in Durham. Students from the B.S.U. organizations at U.N.C. and Duke made separate basic presentations relating to student life, challenges, and concerns. Discussions followed. One other panel member from North Carolina College could not be present.

Analysis of the workshop: Excellent sharing—Attendance poor—Recommend other such workshops be held and that they be slightly more structured—Recommend a time when calendar is not so full and that pastors help support better attendance. (Delmar Parkerson, Chairman)

Libraries: During the year members of the Committee visited several churches upon invitation.

On April 14, 15 an Associational Workshop was held at Carrboro with Mr. Ralph Riley, Minister of Education of the Mount Vernon Baptist Church in Richmond and an approved consultant of the Church Library Department in Nashville, conducting the teaching sessions. One of the highlights of the meetings was the showing of the film "The Ministry of the Church Library." Topics for discussion were: cataloging, processing books, vertical files, audio-visuals, and promoting the use of the library materials.

The Library staff of the Carrboro Baptist Church served as hosts for the sessions. (Mrs. W. Alvis Crabtree, Chairman)

Ordinations: During the year October 1, 1968-October 1, 1969, the Ordinations Committee met as follows:

November 15, 1968, at the request of Watts Street Church to examine Mr. Paul Clark, Jr., and Mr. Allen Page.

July 22, 1969, at the request of Fieldcrest Church to examine Mr. John W. Hancock.

September 11, 1969, at the request of Braggtown Church to examine Mr. Lawrence Bullard.

After these candidates were examined, the respective churches were notified of the affirmative action of this committee and they proceeded with their plans to ordain these men into the Christian ministry. (Lawrence H. Knott, Chairman)

Deacons: On November 26, 1968, the Evangelism & the Deacons Committees jointly sponsored a men's mass meeting at Yates Church. The main purpose of the meeting was to point the Crusade of the Americas.

A program of songs, scripture and prayer preceded the message, "The Imprisoned Christ," by the Reverend Charles McMillan, Pastor of Kinnett Memorial Church in Burlington. Because of the unusually busy schedule in the association, no spring meeting was held. (D. W. Porterfield, Chairman)

Christian Life: The Christian Life Committee held a number of meetings during the year. These meetings were held for the purpose of planning and presenting two conferences.

The fourth associational Christian Life Conference was held at Watts Street Baptist Church, Durham, on January 13, 1969. The Conference Theme, "The Local Church Responding to the Crisis in the Nation," was presented by Dr. Victor T. Glass of the Home Mission Board. Various aspects of the main theme were explored in workshops on the following subjects: 1. "The Church and Social Welfare," 2. "The Church in an Urban Setting," 3. "The Church Working with Community Agencies," 4. "Possibilities for Effective Christian Witness," 5. "Resolving Conflict within the Congregation."

Later in the year the Committee joined the State Convention, Department of Inter-racial Cooperation, in co-sponsoring an Area Conference on Human Relations. This conference was held at Yates Baptist Church, Durham, on May 1, 1969. Principal speakers for the conference were Dr. W. R. Grigg and Dr. Emmanuel McCall, associates in the Department of Work with National Baptists of the Home Mission Board.

In the year ahead the Committee will seek to find new ways of bringing special areas of Christian social concern to the attention of our churches and our people. Possibilities include a conference on citizenship and dramatic presentations by our young people on drugs, alcohol, etc. We will seek to maintain and strengthen our ties with fellow Christians from the Negro Baptist associations of our area. Plans for specific activities will be announced as they are developed.

Members of the Committee who have served this year are: Carl N. Harris, E. L. Phillips, Reverend R. F. Smith, Jr., and Mrs. Henry Turlington. (Chris C. Hamlet, Chairman)

Auditor: I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1968. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1968, on a basis consistent with that of the preceding year.

Progress Report

JUVENILE/ADULT REHABILITATION PROGRAM

(Youth and Family Services)

June 1, 1968 to the Present

During the first few months of experimentation in this project, progress was slow. With comparatively no guidelines from any source and financial support a month to month proposition above and beyond the regular budget, the Christian Social Ministries Committee proceeded in faith and with the conviction that the Lord was in the effort.

With the program included in the 1969 budget we have been able to give better concentration to the task at hand. Progress has been encouraging. Emphases, procedures, and relationships have seemed to fall in place. Each month has brought greater satisfaction, understanding, and appreciation by church leaders, State Convention and Home Mission Board personnel.

Let us share with you a few satisfying aspects of our ministry to unfortunates thus far.

First, we have gained a good working relationship with John Umstead Hospital, Durham Unit, and the Alcoholic Rehabilitation Center, both at Butner. Several patients have come for counseling after being discharged.

Second, an increasingly close relationship has been developed with the Durham County Dept. of Social Services (Welfare Dept.). I have had the privilege of visiting with caseworkers in homes of clients. In crisis situations we have supplied food, clothing and other necessities. At times like these we have also had opportunities to minister to their spiritual needs—in personal witnessing and by getting them in touch with a local church for a follow-up ministry. I have visited many patients, especially alcoholics, in hospitals and rest homes at the request of caseworkers.

Third, we have developed a mutually helpful relationship with the judicial and penal departments of Durham City and County. As a result, several persons have been sent to rehabilitation centers rather than correctional institutions. I have been given permission to visit and work with persons in jail, prison camps, the courts, and even the County Home, where some are sent to work.

Fourth, I have been serving as chaplain and a member of the board of directors of the Flynn Home on Holloway Street for male alcoholics. This includes a Bible study on Tuesday evenings and dropping in for coffee and fellowship from time to time. I have had many opportunities for talking with these men personally about their hopes and dreams for the future and about their relationship with the Lord.

Fifth, we have had the opportunity to work with Mrs. Olga Davis and the Durham County Alcohol Information Center. She is doing an excellent service in the interest of prevention and treatment of alcoholism.

Sixth, we have had several opportunities to cooperate with the Employment Security Commission, helping alcoholics and other unfortunate people to find employment. Sometimes I have been the liaison between the unemployed person and the employer.

Seventh, I have had many opportunities to counsel with people in my office on various problems—alcoholism, youth and marital problems. When these problems were too complex for me to handle, I referred them to the proper community agency for additional help.

Eighth, we have provided training opportunities for the members of our churches. We held a Workshop on Alcoholism in the fall of 1968. We have just completed a

School in Christian Social Ministries in September with speakers including a psychiatrist, a judge, a welfare worker, and a minister. We also had a Seminar on October 6 with classes in the areas of juvenile rehabilitation, adult rehabilitation, unfortunate people (aged, sick, cripple, etc.), non-readers, ex-prisoners and prisoners, unwed mothers, and abandoned young mothers and divorcees.

Ninth, I have been invited to participate in the weekly staff meetings of the newly organized Durham County Community Mental Health Center, directed by Dr. John Giragos.

Finally, I have had the privilege of speaking in about 25 of our Yates Association churches. I try to picture the extent of human need in our metropolitan area, and tell the people what our churches are doing cooperatively through the association to meet some of those needs. We have had many fine responses from churches with food, clothes, and money for benevolent purposes. Two or three churches sent in their V.B.S. mission offerings. Several people have responded by taking needy people to doctors, hospitals for treatment, to church clothes closets, even to stores.

In the future we anticipate an even closer working relationship with the community social agencies and more of our churches as they become better prepared for ministering to physical, mental and social as well as spiritual needs of people. We expect great service opportunities through the Durham County Community Mental Health Center.

We are also looking forward to working more closely with the agencies and institutions of Chatham and Orange counties, especially Chapel Hill. One of our pastors is already working with Youth Corps in Chatham County.

In working with Captain J. H. Belton and the Durham County Prison Department, I will have the privilege of a thirty-minute session with some of the men who are to be released within a month. They will be able to "speak their minds," tell where their families are, where they hope to live, what type of work they can do, and whether or not they have any assurance of work when they are released. I then may visit the family, see the living conditions, and check on the anticipated employment.

We hope to have a much closer working relationship with the Durham Unit at John Umstead Hospital, and the Alcoholic Rehabilitation Center, both at Butner. Already a better follow-up program for released persons has been initiated by Dr. Peter Holden, the director; there will be a better referral procedure to churches and a young man has been assigned to me for keeping track of persons who have been released.

During the last few days of September I met with Mr. David Blackwelder, an instructor in the School of Chaplaincy of Duke University, and the Rev. Fred Terry, pastor of the West Durham Baptist Church, with a three-fold purpose: to get better acquainted, to discuss how greater emphasis could be given to mental health and counseling as a vital part of the ministry of the local church, and also to initiate plans for starting additional A.A. (Alcoholics Anonymous) Groups in the area, possibly among our black alcoholic friends or even at John Umstead Hospital, Durham Unit. (In recent days we have also learned of the possibility of a group in Rougemont.)

We also hope to work more closely with personnel of the Employment Security Commission and the Vocation Rehabilitation program in helping these unfortunates to find employment.

One area of major concern for the future is "Helping Youth in Trouble." We look forward to working more closely with experts in this field. We hope this program will include the "big brother" and a "big sister" approach with people in our churches.

Already Dr. Sherrill Stevens, new chairman of the Christian Social Ministries

Committee, Mr. Fred Elkins, chief probation officer of the Durham County Juvenile Courts, and I have had a very profitable preliminary meeting to discuss ways in which the churches of Yates Association can become more involved in working with youth in trouble and their families.

Perhaps in the future we may be able to lend a hand to what is already being done in our community in the areas of foster home care and day-care for children of working mothers who cannot pay.

We are also looking forward with great anticipation to the time when the Yates Camp will have adequate facilities for a much broader and more comprehensive program including a ministry for unfortunate youth. Only as we can see people brought closer together, and closer to God; only as we can see people overcoming their selfishness, their prejudices, their narrow concepts of the Christian life; only as we can see their enlarged understanding of the work of God in human personality as well as nature; only as we can see individuals "grow in grace and in the knowledge of Jesus" can we justify the $100,000 investment on Wake Forest Road.

I look to the future with great optimism!

Respectfully submitted,
Boyce G. Kimball

REPORT OF MISSIONS COMMITTEE

During this past year it did not seem wise nor even possible to consider the purchase of any more land as a church site. As an association we will be making payments on the Garrett Road property (between the old Chapel Hill Road and the Chapel Hill Boulevard) for two more years. Grey Stone Church is still making payments on the Cole Mill Road property as a possible church site.

During the last twelve months the Page Road Church in the Bethesda community has been under the watchcare of the association. *We recommend that this church be accepted into a full participating relationship with Yates Association with all the rights, privileges and responsibilities thereto.* We rejoice in the progress already made by this new group (Membership 76, S.S. enrollment 95, Budget $17,380).

We do, however, encourage them to seek a permanent location further from the mother church. In the past the association has urged a distance of approximately two miles so that church fields join, rather than overlap.

We also recommend that the Parkwood Church be brought under the watchcare of the association for the coming year. It has been a mission of Yates Church since October 21, 1964. It was organized as a church this October 5 with 211 members. There have been 87 additions during the last association year.

Respectfully submitted,
Coy Yates, Chairman

A Summary of the Work

CITY AND METROPOLITAN COMMITTEE—YATES BAPTIST ASSOCIATION

Meeting at the Olive Branch Baptist Church October 28, 1964, Yates Association asked "the Moderator to appoint a Special Committee to study the needs and possibilities of our Association's ministry in the inner city." Thus the "City and Metropolitan Missions Study Committee" came into being. A Committee was appointed by the Moderator, but did not function. Meeting at Guess Road in 1966 the Association elected a new Committee to perform this study. This Committee has remained basically intact for the past three (3) years and has pursued its task with vigor, determination and dedication.

We began our work three (3) years ago in an attempt to define and clarify our objectives. Our concern and interests seemed to naturally move in two directions. First, we felt we must understand the nature and character of the Metropolitan Durham area. Accordingly, studies were made of the population trends and concentrations, projected land uses, plans for urban redevelopments, church locations and memberships, and thoroughfare projections. Secondly, we undertook a depth study of the nature and mission of an Association. This led us to look at our Association in the light of it origin, past history, and purpose. It seemed to us that if we are going to be able to devise a program for our body, we must clearly understand who we are, where we are supposed to go, as well as how we are supposed to go there. As a committee we have tried to come to grips with our message, our mission, and our method. If we can understand and agree upon the purpose and objectives involved in the answers to these questions, then we will be able to project a program for the Association to pursue.

On the surface, the answers to the questions above might seem simple and clearly defined. But a deeper look will reveal that the matter is quite complex. For example, there is no universal agreement as to the constituency of an Association. Is it made up to messengers or churches, or both? Again, there are divergent opinions regarding the basis of cooperation in an Association. Is it doctrinal, financial, mutual strengthening, or mission or fellowship? Or is it all of these?

Developments within our Association since the last Annual Meeting have caused, not only our Committee, but the entire Association to become aware of the need to define an Association. This is a basic and fundamental need. We have occupied ourselves with an attempt to do this in our latest meetings. We have come to the place where we feel that the Association needs to define itself. When this is done, we will be able to pursue our task of attempting to develop a structure and program to suit the needs and possibilities of our day.

SEEKING TO DEFINE AN ASSOCIATION!

> A Southern Baptist association is a channel through which Christ can work; it is made up of autonomous, cooperating Southern Baptist churches generally in a given area. Its work is carried out through individuals, activities, meeting and organizations, as it provides service to and implementation for its participating churches in Christian ministries and missions. (Drafted by Study Committee)

Part of the task of re-structuring the work of an association is to set forth a clear definition of its purpose and function. This has required many hours of study.

The churches of a Baptist Association work in cooperation with the Baptist State Convention and the Southern Baptist Convention, this being a voluntary relationship. In studying the constitutions of these larger bodies, it was noticed that the commonly shared purposes are the promotion of missions, Christian Education, evangelism, social services and other work pertaining to the Kingdom of God. For a church to be a member of either of these two bodies it must contribute financially to some object of the convention's work and be in sympathy with its purpose.

Should associational membership requirements be more in line with State and Southern Baptist practices?

There is also a growing conviction that the churches should be engaged in a broader outreach in seeking to minister to people outside the church fellowship. Heretofore the associational structure has been one focused on helping the churches—mainly in a promotional way. This is necessary but not all-inclusive. There is an honest attempt being made to apply the message of redemption to a sick society.

We feel that the association should be something through which our Lord can work instead of something which we do for Him. We feel it should minister to the needs of the churches, but also provide a way for the Lord to use us in a collective way in a larger work.

We sincerely present this definition for your thoughtful consideration.

WHAT THE ASSOCIATION HAS BEEN DOING

Work presently being done by the Yates Association is indicated by referral to the minutes of the Twentieth Annual Session 1968. Particular attention is directed to the Business Proceedings PP 24-33 and to the Reports Section PP 34-69. The statistical tables show results numerically.

The 1968 "Progress Report" of the City and Metropolitan Missions Study Committee points out—

1. That our churches are in a rapidly growing area.
2. The needs of our churches are different these days from when our association was formed.
3. That the Association has been looked upon as the "servant" of the churches, existing for the purpose of promoting and helping to strengthen the programs that are going on in the churches.
4. That the Association has existed primarily for the benefit of the churches.
5. That the Association should become an instrument through which the churches,

working together, can pursue mission objectives that they cannot pursue working alone.

6. That more emphasis should be placed on "mission" and less emphasis on church promotion.

The Christian Social Ministries Committee, Mrs. W. M. Upchurch, Jr., Chairman, has taken the lead to determine the needs in the areas of illiteracy, alcoholism, narcotic addiction, mental health, juvenile delinquency, economically disadvantaged through workshops with experienced professional personnel in these fields. It might be said the Association has been helping the churchs in their promotion but now the emphasis is to help the churches help themselves. There are fewer promotional meetings. A minister for juvenile and adult rehabilitation has been employed, Reverend Boyce Kimball.

Our conclusion is that the associational organizations need to be restructured to meet the needs we face today and shall face tomorrow.

John Clayton

WHAT THE ASSOCIATION OUGHT TO BE DOING

These remarks are intended to be neither disparaging about the past nor all-conclusive about the future. Our committee work these past three years has both increased our appreciation of some of the things our association has been doing, and opened our eyes to the changing scene of mission endeavor. Much of what our association has endeavored to do in the past has been right and beneficial and should be continued, but a great deal of our effort has been largely wasted because cognizance was not taken of the unique challenges of an urban age. We, of this committee, then advocate not the scuttling of our associational ship, but that it be refitted and that it embark on a new course.

It would be helpful here to enunciate a few principles in our philosophy of associational missions.

(1) Our association, though autonomous, exists for the sake of the churches and the mission of such churches, not vice versa.

(2) Our association, if it is to justify its existence, and in the interest of efficiency, should concentrate its energies on work that the churches cannot effectively do separately. To put it another way, the association should serve as an organizing center for mission activity on a scale broad enough to require the support of the combined resources and personnel of all the churches which constitute such an association.

(3) Our association, because of the voluntary nature of its structure as an instrument of cooperative ministry, should not be thought of as a "super church," having all that the local church has organizationally except the congregation. Rather, it is construed to be an agency of the churches and completely dependent upon same for its support and direction.

With these principles in mind, then, we propose that our association give priority to the following:

(1) Serve as reservoir of the best programs and methods of church development, providing materials, audio-visuals, and tracts to those churches which request them;

(2) Keep currently on file a list of resource personnel in the areas of church organization, Sunday School, Training Union, and mission organizations. With this file the associational office can serve as liaison between churches needing help and those persons qualified to give such help.

(3) Suspend the *formal* organizations of Sunday School, Training Union, and Music after lists of qualified resource personnel have been established.

(4) Provide organizational training opportunities based upon need expressed by a church or churches;
(5) Create a Missions Committee including the Associational leaders in W.M.U. and Brotherhood, Chairman of Evangelism, and Chairman of Christian Social Ministries. This committee would lead the association to concentrate its time and leadership energies on mission opportunities in the Triangle area along the following lines:

- (a) Identify the needs of people in our area.
- (b) Devise programs for meeting these needs.
- (c) Discover interested personnel in our cooperating churches who would be willing to labor together to meet specific needs.
- (d) Experiment and innovate with various approaches until a workable solution is found for a given problem.
- (e) Enlist teams of laymen who believe in associational missions, having seen how fruitful it can be, to visit our churches by invitation and tell the story of what is being done. In this way both prayer and financial support will grow.
- (f) Enlarge the associational staff as mission projects are increased and financial resources become available. Our ministry of juvenile-adult rehabilitation is a first step in this direction.

RESOLUTIONS COMMITTEE REPORT

Resolved, that

We bring to mind the words of the Apostle Paul in the spirit of this Thanksgiving season . . . "Thanks be to God, which giveth us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." (1 Cor. 15:57)

We thank the Moderator, Bruce C. Little for his untiring patience in conducting the business of the meeting; the Clerk, Harrell Perry for his quiet faithfulness in recording the business of the meeting; the Associational Missionary, Hubert Mumford in his untiring efforts to promote the business of the Lord in the Yates Association; the Program Committee in their foresight for planning a suitable agenda in keeping with the limited time available to messengers; the other Committees in the constancy of their work to produce a report from the year's activity; and the others who contributed to the inspiration and implementation of the program.

We thank the Yates Baptist Church and the Gorman Baptist Church for their provision of food and hospitality to the messengers; and the First Baptist Church for the use of its sanctuary and facilities for the "M" night program.

We recall with thanksgiving the memory of those beloved dead who have departed from our midst during the past year into the presence of the Lord.

We beseech the prayer of this Association for our country and the ideals of those who established it upon Christian principles; we beseech the prayer of this Association for our youth and for wisdom to guide them in Christian paths; we pray for the ministry of this Association in all walks of life, as the personal responsibility of each member of our constituent churches.

We express our gratitude to the Lord Jesus Christ for His spiritual and material blessings in our midst and beseech Him for guidance in the work of this Association in the coming year. May He challenge us to reach upward and outward to greater goals in the Kingdom work.

Gratefully submitted,
Mrs. John A. Freeman

Article 2. The Association in session shall be composed of the duly elected messengers from the cooperating Baptist Churches in Durham County and its adjacent territory, the regularly elected officers of the Association, and the members of the Associational Board.

Article 3. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified, and in the following ratio:

(1) Three for the first hundred members or fraction thereof and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Article 4. Report Section

HISTORY OF GREY STONE BAPTIST CHURCH

The West Durham Baptist Church was organized on October 21, 1894, as a mission of the First Baptist Church of Durham, holding its meetings in a building on what is now Ninth Street. There were seventeen charter members and the Rev. W. A. Smith became pastor in 1896. Only one charter member, Mrs. Dora Melvin Agner, survives.

On June 18, 1897, the church building was destroyed by a tornado. Three days later the membership met and voted to erect a building on Blacknall Street, now Alexander Avenue. From 1896-1927 pastors serving the church in constant growth were the Rev. Smith, J. C. Owens (interim), W. C. Barrett, C. S. Cashwell, C. A. Sigman, O. W. Triplette, E. S. Pierce, B. V. Ferguson, J. Ben Eller, T. M. Green and Edward Stubblefield.

In 1927 when Rev. C. F. Hudson was called as pastor the church membership had exceeded eight hundred. During this time the church had to choose between making extensive improvements to the old building or building a new one. On March 8, 1933, the church voted to buy a site at the corner of 15th Street and Hillsborough Road and adopted plans for the new building. The cornerstone was laid in July of 1933. Lack of funds delayed the work of the building. Rev. Hudson resigned on October 31, 1935.

Rev. B. E. Morris was called and began his work on the first Sunday in January of 1936. He soon convinced the church leaders that it was time to complete the new building. On January 26 of the same year the building committee reported to a called conference and recommended that the building be completed. The church entered its new building on August 2, 1936.

On May 16, 1943, the church voted to establish a nursery school and purchased a house located at 2618 Hillsborough Road. The school opened October 18, 1943, with an enrollment of 8 pupils, a superintendent, and 3 helpers. In 1952 the old nursery building was sold and and the school moved to its present location, next to the church, on land purchased from the Erwin Mills. A personnel building also was built across 15th Street.

The growth of the City of Durham, the birth of several new churches in the vicinity of West Durham and a conflict with a church with the same name made it desirable that the West Durham Baptist Church name be changed. On Sunday morning, December 11, 1949, the members carefully considered a list of names and selected the name of Grey Stone Baptist Church by a majority vote.

In 1956 Erwin Mills gave a house and a lot at 222 Alexander Avenue and a mission was started. (Duke University has purchased this property and the mission has been closed.)

Rev. Morris enjoyed a period of 21 fruitful years and resigned on December 21, 1956, to go to Charlotte, N. C., for retirement. Rev. Malbert Smith, Jr., became the present pastor on August 4, 1957.

The Sunday School continued to grow and the need for additional space was recognized. In 1960 plans for a new building were adopted. The building was completed at a cost of $200,000 and the Sunday School began to utilize the new facility in 1962.

A Family Night Program was started in November 1957, and still serves as a means for fellowship, organizational meetings, choir rehearsals and worship service. Moments of Meditation is provided by calling a local number. The Grey Stone Seniors was organized several years ago for elderly members of the church and their friends. This provides them with Bible Study, fellowship, meals, ceramics and occasional trips.

Under the direction of Mr. James Staples, who came to the church in November of 1965 as Minister of Music-Youth, the church now has five choirs, several ensembles and an outstanding youth program. The Youth Choir goes on a tour each year, singing and witnessing in many cities throughout the United States. This choir and the ensemble groups perform for many Civic Clubs and other functions. Youth Retreats are scheduled for several times a year.

The church membership has had an extensive growth under the leadership of Pastor Smith, the membership now being 2,150. The budget has grown from $49,837.20 in 1957 to $165,000.00 in 1969. The Day School will have an enrollment this coming year of approximately 150.

Some other highlights are: Three parking lots located adjacent to the church property; personnel building has been converted to a youth building; T. V. Program "World and the Word" to be resumed shortly; plans are underway for a new kitchen and dining area; and future plans for expansion.

Value of church property is $1,200,000.00

HISTORY OF EPHESUS BAPTIST CHURCH

Within the community that came to be known as Ephesus, around 1875, there began to arise a need for a place to worship; so with the help of S. M. Pope, G. E. Pope and a Methodist minister, Rev. P. H. Massey, the need began to be erased. With the help of Mr. Massey, services were held under a brush arbor that the Pope brothers had built. For about 6 years services were held under the arbor or in homes in the form of prayer meetings; and then, around 1881, a house of worship was built with the gifts of materials and personal labor on land donated by S. M. Pope.

Mr. Massey continued to work with the people until in 1891 he told them that unless they organized a Baptist church, he would organize a Methodist church. On December 11, 1891, with the aid of 15 charter members from the neighboring Berea Baptist Church, Pope's Chapel was organized. The name was soon changed to Ephesus and Mr. J. C. Hocutt was called as the first pastor. The first church clerk was L. W. Leigh, and the first deacons were George E. Pope and A. N. Leigh. George E. Pope was the first Sunday School Superintendent.

In October 1892, the church was voted into the association and these minutes include some of its first records. There had been added to the church roll by letter, Wily and Geneva Blackwood and J. C. Hocutt, with five being baptized at Pickett's Mill on the first Sunday in September. These were Teck Pope, G. M. Pope, Vella Leigh, C. A. Pope, and R. H. Blackwood. The Sunday School enrollment was 54, and the total school expenses were $4.50.

Many people during the next years shared in the work and the blessings at Ephesus. John T. Pope was the second clerk, followed by C. R. Pope who served in this capacity for 35 years. The second baptizing was held in September 1893, also at Pickett's Mill, and included J. A. Sparrow, J. W. King, R. H. Pope, G. D. King and Salena Pope.

The church building remained unpainted and unimproved during these early years. Many students from Carolina walked through the woods in those days and helped with the worship, or in any way they could. A well was dug in 1906 at the cost of $18.50 and this became the outside gathering spot for the younger generation. The students talked the members into enlarging the auditorium by adding an enclosed vestibule to the south for the pulpit and then urged the members to paint the church (white trimmed in green). G. D. King was elected deacon about this time.

G. M. Pope and his family had moved away from the community for several years, but they returned in 1918. He soon assumed the office of Sunday School Superintendent which he held for over 20 years, along with other faithful duties which he has continued to perform at Ephesus. About the time of his return to the community, G. M. Pope and J. W. Cannady were elected deacons of the church. Many things began to go forward around this era.

The W. M. U. was organized in 1921 and Mrs. Myrtle Spaulding was the first President. Then Mrs. G. M. Pope was elected President and she served in this office for 19 years. The W.M.U. through its missionary endeavor has been felt around the world due to the devoted efforts of the women at Ephesus.

The first Building Committee was elected in February 1922 composed of G. M. Pope, W. C. Hudson, and J. W. King. The original church building was covered and two Sunday School rooms added at a cost of $382.41.

Many pastors had served during this time; some of them serving twice. About 1923 we began to receive from Wake Forest able ministerial students, who though they did not stay long, left a lasting impression on the people and on the church.

Although we had had a B.Y.P.U. organization for years, the first B.Y.P.U. Director, B. W. Clark, was elected in January 1934. B. W. Clark and S. M. Green had been ordained as deacons sometime prior to this date and both men worked diligently in all phases of the Lord's work at Ephesus.

Around 1934 a need for a Recreation Center arose, and a log cabin was built with a small kitchen in the rear. Many wonderful suppers were held here and many good projects were financed for the good of the church. An increase in enrollment began to be noticed at this time, along with the need for more room. The Young People's Class with their teacher, B. W. Clark, began to discuss this need and decided to do something about it. A supper was held on January 16, 1943, in the church cabin, with Mr. and Mrs. B. W. Clark acting as host and hostess, and the proposal that we build a new church at Ephesus was presented with goals and plans for getting the job done. The Church approved the plan. Many projects were engaged in by the congregation. One was to purchase surplus Camp Butner barracks, tear them down, and move them so the lumber could be used for the church and parsonage.

On May 3, 1948, C. R. Pope turned the first spade of ground to begin the new church. Prior to this ceremony, the old church had been moved from its site and the cabin had been doubled in size to accommodate the congregation while the new building was being built. The menfolk cut and hauled the logs for the cabin, but the building was erected mostly through the efforts of W. C. Hudson and Gordon Pope. A parsonage had been built at the same time the church was being built on land donated by B. W. Clark.

In October 1948 we moved into the new church. This was a proud moment for all, and a day that C. R. Pope on January 22, 1943, had prayed to be allowed to see.

On October 14, 1951, at a Homecoming Day, the mortgage was burned by C. R. Pope, indicating that the church was ours—a momentous moment in the lives of all.

Ephesus was growing in nurture and admonition of the Lord and in 1957 another ground-breaking exercise was held to begin an annex for the already overcrowded church. C. R. Pope, as the oldest living member of the church, and Curtis R. Booker, as the youngest member, took part in this ceremony.

The last building project to date has been the building of a $25,000 parsonage adjacent to the church. On April 4, 1965 G. M. Pope turned the first spade of earth to begin this project. This project was completed in the fall of 1965.

On December 11, 1966 Ephesus celebrated its 75th anniversary recalling its humble beginning, citing its progress during the years and projecting hope for a great future in the Lord. Since that date some physical improvements have included tapping on to the Chapel Hill water supply, remodeling and installing heat in our recreational cabin (which long ago officially became the Scout Hut) and air conditioning our Church Sanctuary.

Untold names and people have had a part in the history of Ephesus for the past 79 years. No one is outstanding, it has taken the sweat and prayers of everyone to enable us to say we are proud to be called Ephesians. By comparing the records, we note that the 1892 budget was $90.00 compared to $32,000 for 1970. Church enrollment in 1892 was 24 compared to 382 in 1970 and Sunday School enrollment in 1892 was 54 compared to 274 in 1970. The Lord has richly blessed us with every good gift, and under His direction, we know we will continue to advance the cause of Christ's kingdom on this earth.

REPORT OF THE SUNDAY SCHOOL

The Associational Bible Teaching Program staff has been busy during these first ten months of 1970.

Let me introduce the staff and tell of their activities. Mrs. Elwood Bagwell, Preschool (Birth-5); Mrs. W. A. Godwin, Children's (6-11) Division; Rev. Al

Childress, Youth (12-17); Rev. Malcolm Cadd, Adult (18 up). I have the responsibility of coordinating the work and leading the General Officers.

The activities of the year include a two-day training clinic, *The 70's Conference,* held in Greensboro, January 20-21. Next came the *Yates Planning the 70's Clinic,* at Yates Church on February 17. On March 9, Burrel F. Lucas, of Raleigh, led our pastors in a review of *"Administering the Bible Teaching Program."* Then came our two Vacation Bible School Clinics at Park View Baptist Church. These clinics (morning and evening) were held on April 21 with approximately 300 attending the two sessions. This work was led by our V. B. S. staff who attended the State Clinic, January 5-7, at Wingate College. Assisting us in this clinic we had Mrs. Lannie Harwood, Primary Worker, and Miss Nannie Mae Herndon, Beginner Worker, in addition to Rev. Cadd and Rev. Childress. The final meetings in preparation for the new Bible Teaching Program came September 21, 22 and 24 at Grey Stone at which time an age group approach was led by our staff. In these three evenings, approximately one-third of our churches and two hundred people were assisted in their local church work.

We are planning at least one more activity for this Fall. Seventeen Sunday School Directors have asked that we provide a one night question and answer meeting early in November. The purpose of this one evening activity will be to help provide the answers to the questions and problems that may have arisen in the first month of the new program. We will be writing you about this meeting.

Respectfully submitted,
Ray L. Cumbee, Director

REPORT OF THE BROTHERHOOD

The Associational program has, as all other departments of Southern Baptist Convention, been geared to the "Shaping of the Seventies." The meetings for said planning have been held in order from Murphy to Manteo for organizational instructions. The portfolio has just about been completed.

Ready to go to work, the workshop was efficiently manned by our Baptist Men's Consultant, Brother Ben Connell from Brotherhood office in Memphis, Tennessee, September 14-15th at Grace Church.

The transition of the Sunbeams to the Royal Ambassadors will give new blood to the Brotherhood, rendering the entire school program in two sections of activity first through six, and seven through twelve gradewise. Then, the husband, wife, or man, woman team counselors may act to complete a needed cycle for ages six through eight.

This year has revealed new impetus to mission study, activity, and approaching fruition of planned purpose appears on the horizon. He must move forward together!

Respectfully submitted,
Claiborne C. Ross, Director

REPORT OF CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Christian Social Ministries Committee has endeavored during 1969-70 to encourage the continued development of this area of Christian service. The work of the committee has followed two parallel and closely interrelated lines. These are: (1) Encouraging the churches to become more involved in Christian Social Ministries, and (2) Giving support and guidance to our local program of Youth and Family Services which is a cooperative ministry jointly supported by Yates Association, the North Carolina Baptist State Convention, and the Home Mission Board of the Southern Baptist Convention.

Specific illustrations of things the committee has done to encourage people in the churches to become more active in Christian Social Ministries are: (1) Provided liaison to encourage the Associational Youth Organization to gather and give small personal Christmas gifts to 115 teen-aged youth in rehabilitative confinement at C. A. Dillon School in Butner, (2) Prepared and presented a program of information and challenge concerning Christian Social Ministries at the annual Yates Association Brotherhood Ladies Night at Temple Church on January 27, 1970, and (3) Sponsored a major training conference on Youth Development and Rehabilitation at Edgemont Church on May 7, 1970. In addition we have encouraged the people of the churches to support the food pantry and clothes closet which are vital to the local ministry of Youth and Family Services. The committee conducted a survey during the year in an attempt to discover for your information what the local churches are doing in the area of Christian Social Ministries. The number and scope of these projects are encouraging. We learned that 41 churches are helping with food for needy families, and 24 churches are helping with clothes. Three churches have tutorial programs, 4 churches have programs for retarded persons, and 5 churches have work in the area of juvenile rehabilitation. More than half of the churches reported some work with the various institutions at Butner. A broad variety of other ministry projects was reported also.

The work of the Rev. Boyce Kimball is a cooperative ministry for which primary guidance is provided by this associational committee. We present for information and historical record some indication of the scope of that program during the past year. His work included 287 counseling sessions with 104 problem drinkers or members of their families. He assisted in the admission of 37 persons to the Alcoholic Rehabilitation Center at Butner, and did followup work with 23 of these after release. Boyce made 38 visits to the Flynn Fellowship Home for Alcoholics at which he conducted a regular Bible teaching program. He had 9 speaking engagements with 5 AA groups. During the year he made 26 visits in court and jail on behalf of alcoholics and others in trouble. A new work has been developed in which he seeks to assist persons being released from confinement at the Guess Road Prison Camp to make the transition back into open society. Boyce has already worked with 29 of these releasees and their families. Working with the Durham County Department of Social Services, and using the resources of the associational pantry which are supplied by the churches, he has assisted 176 families including 613 persons with food, clothes, or money. He has been called on for 94 speaking engagements in 44 of our churches. He has spoken about his work before 3 civic clubs and 23 social service groups.

When we consider what has been done we are grateful to God and to Yates Association Baptists. When we study our planning charts showing some of the things that need to be done, we find an exciting challenge for Christian service open before us. We urge increased active involvement of the churches in Christian Social Ministris and continued faithful support for the local program of cooperative ministry in Youth and Family Services.

Respectfully submitted,
Sherrill Stevens, Chairman

REPORT OF DEACON'S COMMITTEE

Watts Street Church was host church on November 25, 1969, for the Deacon's Forum. Dr. Garland A. Hendricks, Professor of Church-Community Development, delivered the address. His topic was, "Do's and Don't's When Calling a Pastor."

Because of the many churches in our area without a pastor, it was felt by the Associational Deacons, that this would be a very timely and helpful topic, and that the many pulpit committees who are now seeking a pastor could use the information obtained advantageously.

Following the address by Dr. Hendricks, the audience had an opportunity to ask Dr. Hendricks and three other experts questions from the floor. The three other participants were Mr. Robert Bruhn, Administrative Assistant of N. C. Baptist State Convention, Mr. Roy Watson, Layman from Durham Memorial Church, and Rev. B. E. White, Pastor of Park View Church.

A very lively discussion followed with a great deal of interest being placed on the subject. Because of the unusual interest shown, the Associational office has made available, in booklet form, the address as delivered by Dr. Hendricks. Pulpit committees may obtain these forms from the Associational office. Our next meeting is expected to be held in January of 1971.

Respectfully submitted,
D. W. Porterfield, Chairman

REPORT OF INSTITUTIONAL COMMITTEE

The Institutional Committee met early in the year and discussed methods of communicating with the churches concerning our institutions and the best manner for promoting our three special offerings—Hospital, Homes for the Aging, and the Childrens' Homes.

Since many churches are contributing through unified budgets to these institutions, "Appreciation Day" should be observed in our churches at the appropriate time in the year.

Each chairman was asked to send out mail at the appropriate time to the churches in observance of "Appreciation Day," asking interested members in the churches to help promote and enlighten the people in the various organizations, for we know informed people will respond to these great causes.

Respectfully submitted,
Mrs. W. Jethro Broadwell, Chairman

REPORT OF YOUTH COUNCIL ADVISORY COMMITTEE

Due to an increasing awareness of a concern for youth expressed by many of our associational leaders the Youth Council Advisory Committee was formed this past year. After several meetings an organization was established for a Youth Council. Each church was asked to elect or appoint two representatives, one from the Junior High School division and one from the Senior High School division, to serve on the council. Response was made by sixteen of our churches for the first meeting. During the year eight more churches have sent representatives.

The Youth Council has met regularly the first Sunday of each month and is continuing this year with this schedule. The young people who have participated have shown a great interest in the council and have carried out several projects with great enthusiasm. This has been a most encouraging work.

One major project has been a newspaper, the *Yates Yell*, that has had four editions this year. The purpose of the newspaper is to inform the churches of the activities of the Youth Council and of the youth in our churches. An attempt has been made to distribute it to all of our churches.

Associational Youth Night, held March 14, was a project of the Youth Council. Several churches and many young people took part on the program. The meeting was well attended with twenty-nine churches represented.

A Mission Vacation Bible School was sponsored by the Youth Council with several churches helping in some way. The school was held in a rented duplex home located on Mangum Street at Cleveland Street. An average attendance of seventy-five attested to the need of such a project. Churches wishing to sponsor such a school next summer are encouraged to do so through our associational organizations.

The Advisory Committee members have served as advisors to the Youth Council through working with the Youth Council organization. This has been our function and our work over the past year. I wish to thank those who have served so faithfully on the committee, the Youth Council, its president, Martin Rigsbee, and the youth of Yates Association for their work and their enthusiastic response.

This is a new organization within our Association. We encourage your participation and your suggestions for a better way to serve you.

Respectfully submitted,
David G. Peach, Chairman

REPORT OF THE MUSIC COUNCIL

The Music Council of the Yates Baptist Association met five times during the past season in executive meetings to plan the work of the council for the season, and make some tentative plans for the next year.

On Sunday afternoon, October 19, 1969, the ninth annual Yates Association Hymn Sing was held at Grace Baptist Church. Choirs from Hope Valley, Trinity, Mount Hermon, Grace, and Braggtown participated. Hymns were favorites of members of the Yates Association churches—chosen in a poll taken throughout the member churches. There was a good attendance for this inspiring and enjoyable hour of worship and praise through song.

A choir was used for the opening of each session (Tuesday morning, Tuesday afternoon, and Wednesday morning) of the 1969 Annual Associational meeting in October. This Associational Choir did a grand job and contributed in a fine way to the three worship periods.

The Annual Choral Clinic for choir members and music leaders in the churches was held at Watts Street Baptist Church on Monday, February 23, 1970. About 50 people attended, representing 20 churches. Guest leader for the clinic was Dr. William G. Sasser of Rocky Mount. The largest attendance of any one church were those from Ebenezer.

The council wishes to commend very highly the youth choir work done by the associational youth council, and those who lead them. James Staples directed this fine group in a number of performances of the folk musical "Good News" at the N. C. State Fair in 1969. Many excellent reports were given as to these appearances of the group. As this is written, the group is scheduled to give several performances this year at the fair of "Tell It Like It Is." This group has done an exceptional job, and continues to be a blessing to many.

Also as this report is being prepared, the Music Council is making final plans for the 1970 Hymn Sing, the 1970 Annual Meeting (associational choir for this meeting), and the 1971 Choral Clinic scheduled for February 22.

We would like to say again, as we have in the past, that we, the members of the Yates Association Music Council, stand ready to give assistance to any church of the association, so far as time, opportunity, and ability permit. Call on us. We will help in any way we can.

Respectfully submitted,
John T. Laverty, Director

REPORT OF ORDINATIONS COMMITTEE

During the year October 1, 1969—October 1, 1970, the Ordinations Committee met on May 4, 1970,

(1) at the request of Watts Street Church to examine Mr. William Hall

(2) at the request of Angier Avenue Church to examine Mr. Art Fore.

After these candidates were examined, the respective churches were notified of the affirmative action of this committee and they proceeded with their plans to ordain these men into the Christian ministry.

Respectfully submitted,
Lawrence H. Knott, Chairman

REPORT OF LIBRARY COMMITTEE

In January the Yates Association had representation at a Library Leadership Workshop in Greensboro with approved consultants conducting the sessions and one held in Raleigh in February.

An Associational Workshop was held at Yates Baptist Church in February. Main purpose: To acquaint churches with the ordering and processing new church literature.

The Library Committee will visit churches in need of assistance upon invitation.

Respectfully submitted,
Elizabeth S. Fisher, Chairman

REPORT OF WOMAN'S MISSIONARY UNION

The year 1970 has found Woman's Missionary Union with an unchanging purpose and minimum organizational changes. The year has been a progressive one for many of our church WMU's with mission action spearheading the move forward.

The theme of the year was "Living the Spirit of Christ in Belief and Relevance." The 1969-70 Watchword was taken from 1 John 3:18—"Our love should not be just words and talk; it must be true love, which shows itself in action."

The annual WMU meeting was held April 14 at the Guess Road Church with 333 in attendance. Highlighting the evening was an appearance of "Miss North Carolina," Miss Patsy Johnson of Winston-Salem. The content of her speech was contemporary and pertinent to the Christian in today's world. Her musical selection of Gounod's "O Divine Redeemer" was superably executed and enjoyed by those attending. Miss Kathryn Bullard, WMS (BW) Director of State WMU previewed the minor changes and presented names of new curriculum materials, and age-groupings. Mrs. Calhoun Johnson, Missionary to Chile brought an inspiring close to our meeting. The spirit of God could be felt as this dedicated lady spoke of the importance of the home life here in America and in Chile. Music for the meeting was led by David Pierceall, Minister of Music at Guess Road. Group I Chairman, Miss Peggy Clayton, was hostess for the meal.

Dr. John Eddins, Professor of Theology of Southeastern Seminary, was guest speaker at the bi-annual meeting held at Mt. Moriah August 24th. Mrs. C. E. Brown, Associational WMU Associate Director presided and guest soloist was Mac Meredith of Grace Church. There were 69 in attendance.

In June a prayer retreat was held at Camp Mundo Vista near Asheboro. Mrs. V. J. Chance presented a most inspiring program for so apt a setting for prayer. Rev. and Mrs. Harry Byrd, Missionaries to Guatemala concluded the service telling us about their experiences in Guatemala.

The WMU Leadership Workshop was held at Grace Church, September 14, 15, and 17th, with 258 enrolled. Age-level conferences were provided and proved to be beneficial in helping new leaders to become more prepared for their tasks.

The Youth Organizations of the association have held quarterly meetings with well planned programs. The Sunbeam Band held its fourth consecutive Day Camp at the Yates Campground under the leadership of Mrs. E. F. Dollar.

The Woman's Missionary Union ministry at Murdoch Center is continuing with Fifth Sunday visitation to the cottages at the Center. Also there are five churches, Angier Avenue, First, Page Road, Grey Stone, and Grace, who minister monthly to the Gateway House.

The outreach possibilities for ministries is numberless through the organization of Woman's Missionary Union, and it is an earnest desire of our women that needs of people might be met through our organizations.

Respectfully submitted,
Mrs. Robert E. Gray, Director

REPORT OF "SHAPING THE 70'S" COMMITTEE

The Yates Baptist Associational Shaping the Seventies Clinic was held at Yates Baptist Church on February 17, 1970. Every church but five was represented with one or more persons present at the Clinic with a total attendance of over 300. Since the initial clinic all the major organizations have had follow-up sessions in their respective meetings. The leaders of these organizations have done a tremendous job in preparing the people in the churches of our association for the changes of the seventies.

Respectfully submitted,
Robert E. Gray, Chairman

REPORT OF STUDENT WORK COMMITTEE

In student work, 1969-70 was a year of dormancy. No money was budgeted for student work. Nor did the committee do any meaningful work with students.

The committee did meet with the Baptist chaplains of Duke and U. N. C., and the chairman met twice at length with the Superintendent of Missions and Jim Greene, State B.S.U. Secretary, in an attempt to find plausible ways of relating our churches to the students of local campuses.

Pursuit of the local inquiry awaits completion of a state-wide study being made by Dr. Crouch and a study committee which is evaluating all student work. Hopefully the state study, and our own, will produce some practical suggestions for more mutually helpful relationships between local university students and Yates churches.

Until a revised approach is offered three suggestions about student work are made: (1) that every church try to maintain close and meaningful contact with all its students, (2) that churches interested in students at local campuses try to establish a working relationship with chaplains and student groups, (3) that the committee, reduced in size, continue its attempt to find suitable ways of promoting work with students.

Respectfully submitted,
Robert Winecoff, Chairman

REPORT OF NON-EVANGELICAL COMMITTEE

The Non-Evangelical Committee has concerned itself this year with understanding other faith groups and trying to create working relationships with them. We have met with Jewish and Catholic leaders for discussions dealing with creating a climate of respect for our faith groups. We have shared in a service at the local Synagogue and heard of our faith-roots in the Jewish faith as seen in the Old Testament. We have sought to find many ways to present Christianity as understanding as well as missionary.

We hope that the climate for mutual efforts and respect has been improved through our efforts.

Respectfully submitted,
Aubrey Quakenbush, Chairman

REPORT OF MISSIONS COMMITTEE

The Missions Committee recommends the addition of Parkwood Baptist Church into our Association.

Our committee will have suggestions for a telephone survey for our churches to consider next spring (1971).

Respectfully submitted,
Malbert Smith, Jr., Chairman

REPORT OF THE FELLOWSHIP COMMITTEE

The duty of this committee is to promote a good relationship between pastors and churches and to serve in an advisory capacity upon request whenever the fellowship of any church is endangered.

In compliment with this assignment the chairman assisted in the fall deacons' forum and helped with the publication by the Association of "Do and Don't When Calling a Pastor" by Dr. Garland Hendricks. In addition, other publications about the work of the pulpit committee were made available to the churches in the associational office.

The committee completed its fourth and last survey and study about the relationship between pastors and churches—"Pastors' Feelings about Pulpit Committees." This and the previous surveys by the committee are also available at the associational office.

Respectfully submitted,
B. E. White, Jr., Chairman

REPORT OF EVANGELISM COMMITTEE

The Evangelism Committee in assuming its responsibility adopted the following guidelines:

a. To be inconspicuous as a committee, working prayerfully to undergird the work of evangelism in our association;
b. To seek to implement evangelism on an area-wide level;
c. To provide sound inspiration toward a continuing concern for the unsaved; and,
d. To stimulate direct, personal evangelism among our people.

Recognizing specifically that the role and responsibility of lay-witnessing is imperative in New Testament evangelism, we have explored possible ways of assisting our church leaders in their effort to arouse an obedient and effective response on the part of all our people to this mandate of Christ.

An attempt was made in February with good response to organize a Car Caravan of laymen from our churches in attendance at the Tuesday evening session of the state Conference on Evangelism in Greensboro.

Plans are being completed in preparation for a Bible and Lay-Witness Conference to be held on March eight and nine, 1971. This conference, aimed at the layman, will offer sound Bible instruction and practical training in witnessing .

In looking toward the spring conference, A Church Evangelism Rally has been scheduled to be held at Yates Church on Monday evening, November thirty. Dr. Thomas L. Neely of S. C. will speak at this rally and bring the Bible message in the March 1971 conference. At this rally also will be shown the color movie, "Like a Mighty Army," introducing the Lay Evangelism Training Ministry of the Coral Ridge Presbyterian Church, Ft. Lauderdale, Florida.

The twenty-fifth statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February one and two, 1971.

Your Committee urgently requests our people to give priority to prayer and to promote full participation in local church, associational and area-wide evangelism programs and events.

Joseph W. Kemp, in a presidential address to the Baptist Union of New Zealand, said: "We are summoned to evangelism; for revival we are cast upon the sovereign grace of God." Mendel Taylor in his book, *Exploring Evangelism*, wrote: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church."

Julian M. Motley, Chairman

REPORT OF "THE MEMBERSHIP PRACTICES STUDY COMMITTEE OF THE YATES BAPTIST ASSOCIATION"

The Membership Practices Study Committee has sought to discharge its responsibility with objectivity and with spiritual sensitivity. This report includes the committee's method and basis of procedure, its conclusions, and its recommendations. A summary of the questionnaire submitted to the churches may be found under separate cover.

1. A REVIEW OF THE ASSOCIATIONAL ACTION

In early 1969 the Watts Street Baptist Church voted to accept members "by transfer of letter from another Christian church giving evidence of baptism by immersion or by another mode, if that baptism is meaningful to the candidate, upon the condition that all membership requirements, including confirmation, of the denomination from which he comes have been fully satisfied."

At the 1969 Annual Meeting of the Yates Baptist Association a motion was made that the Association "go on record as reaffirming our commitment to the scriptural and historical mode of baptism by immersion, and in stating our opposition to a membership policy among our churches that will accept any members without immersion, and that we respectfully request the Watts Street Church to reconsider their action in this regard." A substitute motion was made to place the Watts Street Church under "watchcare . . . while the church engages itself in a careful re-examination of the matter." After much debate, the substitute motion was defeated, and in relation to the original motion the Association voted to "refer the question of membership in the churches of this association to the Associational Board; that we request the Board to study the practices of all the churches in the Association; and that the Board make appropriate report." The Board appointed a Membership Practices Study Committee consisting of two laymen, two pastors, and an educational director: Bruce Little, Chairman; Bill Brogden, Aaron Conn, B. E. White, Jr., and Robert Winecoff. The moderator at the Board Meeting instructed the committee "to deal with the substance of the original motion and its referral and bring back its conclusion to this Board."

2. DIFFICULTY IN DETERMINING OUR ASSIGNMENT

The Membership Practices Study Committee had considerable difficulty in determining its assignment and exactly what it was to do. Those who made major motions in the debate at the Annual Meeting were interviewed with the exception of one man who had moved out of the area. After this, the Committee determined that it should study the whole scope of church membership and not just the immersion question. It was also decided to prepare a survey form to determine the membership practices of the churches, to request "each pastor . . . to answer this questionnaire with the help of his church clerk, deacon chairman, and representatives to the Associational Board, so that the answers will reflect the practices of the church and not any personal opinions," and to publish and make available to the Board an anonymous compilation of this study before the 1970 Annual Meeting. The committee further decided to make a definite recommendation to the Association based on its study of the survey reports.

3. THE PROBLEM OF DEFINING CHURCH MEMBERSHIP

For both defining the nature of church membership and preparing the questionnaire the committee sought to determine: Who is a member of a Baptist church? When is a person a member? What makes him a member? This may seem to be an oversimplification of the obvious, but it is not since different churches receive members under different arrangements. Most of our Baptist churches receive members through baptism and transfer of membership. Many have additional requirements. Some others receive people in some kind of watchcare relationship, associate membership, or what is commonly called open membership—receiving unimmersed Christians as full members of the church. *Are these people members of the church or not?* We felt that knowing if the membership of these persons was retained elsewhere, if they were reported as members to the Association, if they could vote or hold church office, and if they could be granted letters—all this would help to determine an answer to these perplexing questions.

4. THE NEW TESTAMENT AS A SOURCE OF AUTHORITY

In studying *the nature of church membership*, we turned first of all to the New Testament as the source of our authority, for it is our guide for faith and practice. However, we did not find in the New Testament any specific information about watchcare, associate membership, open membership, or transfer of membership. In fact, there were no membership rolls, church letters, or associational reports listing church membership. In the New Testament church there were no classifications of church membership such as watchcare, associate, or open membership. All members were equal in status.

We further found that there was only one baptism—believers' baptism by immersion. The time for baptism was at the beginning of the Christian life. Infant baptism or the baptism of believers by a mode other than immersion was unknown. Since there were also no denominations, there was therefore no problem about how to receive a person into a Baptist church who had been baptized as an infant or as a believer by some mode other than immersion. The New Testament teaches baptism by immersion as a salvation symbol more than it does as an act of entrance into the church which is only implied. Since this is so, should a Baptist church require candidates for membership who have been Christians for many years and who have confirmed their infant baptism, to undergo immersion, which properly belongs at the beginning of the Christian life? Should a believer who was baptized by some mode other than immersion at the time of his profession of faith be required to be immersed? The New Testament is silent on those questions because no such problems had yet arisen.

5. THE HISTORIC PRACTICES OF BAPTISTS

Next we turned to Baptist history. When the Baptist movement began in England in the first part of the seventeenth century, our forefathers stressed believers' baptism. Many of the early Baptists had been Christians for many years, but they wanted to be baptized as a symbol of their faith. They rejected infant baptism as invalid for them because it was *before* their faith instead of *after* it. However, they were baptized by affusion—pouring—instead of immersion. Around 1644 Baptists first began to immerse because they considered it the proper New Testament method. All along the emphasis has been on the meaning of baptism rather than the mode, on spiritual significance rather than the physical form. Historically, the accent has been on believers' baptism with immersion as the most adequate symbol of faith. Yet as far back as the early days of the Baptist movement John Bunyan advocated open membership in Baptist churches. Some Baptist churches in England have practiced open membership for over two hundred years. In the main, however, Baptists have immersed those who have been baptized as infants who have sought membership in Baptist churches, particularly in our country and the South.

6. THE CURRENT PRACTICES OF BAPTISTS

The committee also sought to find out how widespread the practice of open membership currently is among Baptists. In an address to the 1965 Baptist World Alliance, G. R. Beasley-Murray stated that "most Baptists outside the U.S.A. have no hesitation in recognizing the validity of other churches' baptism when it is applied to those who confess their faith." *A Baptist Manual of Faith and Practice* published by the American Baptist Convention discusses the case for and against open membership and concludes that "individual churches must choose." In a survey of Superintendents of Missions in North Carolina to the question, "Does your association have a church or churches that individuals may join under some circumstances without being immersed?" eight answered affirmatively.

Open membership has been the subject of controversy in the Mecklenburg Association in North Carolina which resulted in three churches no longer being affiliated with that association. In 1960 after much controversy our own association rejected the application of the Binkley Memorial Baptist Church because of its membership practices. These four churches, however, are still affiliated with the Baptist State Convention, and the Southern Baptist Convention.

7. THE CONSTITUTION OF OUR ASSOCIATION

We also carefully examined the Constitution of our Association to determine the relationship of the churches to the Association. We found a constitutional conflict in that the Association is officially composed of messengers from the churches as well as the association officers and associational board members, but it operates as though it were composed of churches. The Association by two-thirds vote may "withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists." However, there is no satisfactory definition to which we can turn to clarify what are orthodox principles, nor is there complete agreement among Baptists as to what they believe about some things.

According to the Constitution the Association is organized on the basis of cooperating in the cause of missions and ministry, for its purpose "shall be to devise, recommend, and promote measures for increasing the harmony and spiritual powers of the cooperating churches, to assist in developing and directing their energies, resources, and gifts in advancing the Redeemer's Kingdom, and to cooperate with the

Baptist State Convention of North Carolina and the Southern Baptist Convention in all religious, educational, missionary, Sunday School, Training Union, Brotherhood, Music, Woman's Missionary Union, and other work fostered by said conventions."

8. THINGS TO NOTICE IN THE QUESTIONNAIRE SURVEY

As directed by the Association, we undertook to survey the membership practices of all our churches. The results of our questionnaire have been anonymously compiled and published under separate cover. We have carefully studied the responses of 37 churches and request you to note the results and consider some of the implications.

A. Note that every one of our churches has as the basis for membership a profession of faith in Jesus Christ as Saviour and Lord and require all new converts to be baptized by immersion unless hindered by some providential reason.

B. Note that none of our churches with elect unimmersed members as messengers, or grant them letters to other Baptist churches without notation.

C. Note that a number of our churches do not have a written constitution or policy statement in relation to membership policy.

D. Note that some of our churches require a valid immersion to be administered by an ordained minister. Consider the fact that in the New Testament Deacon Phillip baptized the eunuch.

E. Note the varying concepts of what makes an immersion valid and the difference in practice in accepting or rejecting alien immersion. Consider the problem caused by these practices in transferring church letters.

F. Note the number of churches which have baptized pre-school children, a practice which some churches would question as closely akin to infant baptism.

G. Note the number of churches that will allow an unimmersed Christian to exercise a ministry in the church without being a member.

H. Note the number of churches that would deny in theory or practice membership to anyone because of his race. Consider Galations 3: 27-28: "For as many of you as have been baptized into Christ have put on Christ. There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female; for ye are one in Christ Jesus."

I. Note the difference in practice in receiving and granting church letters to churches of other denominations. Consider that apparently in some of our churches there is no way to get off the roll but to die or join another Baptist church.

J. Note the number of churches that do not require detailed instruction as to the symbolic meaning of baptism.

K. Note that some churches report that in the past they have made some kind of exception about membership requirements.

9. SOME QUESTIONS WE HAVE NOT ANSWERED

There have been a number of questions to arise in our discussion with which we would like to acquaint the churches and request them to further discuss and study:

A. What makes a baptism valid? The person administering the baptism? The way a person is baptized? The faith of the person being baptized?

B. Are people who have been baptized as infants and who later confirm their baptism to be considered as not having been baptized in any sense? Is a believer's baptism by affusion a valid baptism?

C. If we accept other churches as true Christian churches should we receive and grant letters of transfer to and from them?

D. Is an association composed of churches or of messengers? Are churches members of an association?

E. Should a person who has been a Christian many years and who accepts his baptism as valid be asked to undergo immersion? On the other hand, why would a person want to be a Baptist if he is not willing to be immersed?

F. If a church rejects an immersed Christian for membership, or a new convert who requests baptism, solely because of the color of his skin, what should the reaction of the Association be?

G. Are the ethical commands of Jesus on the same level as his command to immerse? Is there a difference in that which is form and that which is faith in action in the church's understanding of its mission?

H. Is a difference in local church membership practices a valid reason for dividing the Association and failing to do together what we need to do?

10. DIFFICULTIES IN REACHING CONCLUSIONS

It should be obvious that this committee has had a great deal of difficulty in reaching any conclusions. We have met fifteen times over a period of eight months. Our seven-page questionnaire, in which we tried to cover the wide variety of membership practices among Baptists about which we knew, was returned to us not only with indications of many differences in practice but also with 185 exceptions or comments about our questions written on the questionnaire itself.

We have further discovered that the controversy over membership practices involves a conflict in some important Baptist principles. The Bible and Baptists teach believers' baptism by immersion. But Baptists also strongly believe in soul freedom—the right of the individual and the church to believe and act as conscience and the Holy Spirit lead. Baptists believe also in the competency of the individual and the church to interpret God's word in the Scriptures. What shall we do about membership practices when some appeal to conscience and Scripture as their source of authority? Baptists are aware that we cannot dictate to any autonomous church anything concerning its membership practices no matter how much we may disapprove of them. Nor can Baptists draw up a standard, or creed, or even a confession of faith, and ask the churches to subscribe to it.

One of the things we have learned is that relatively few unimmersed Christians have been received into our churches. Compared with our 26,941 members they are few indeed. All are aware that we have been an association which has had unimmersed Christians in the membership of its churches for a year and a half. However, the fact is we have been an association which has had unimmersed Christians in the membership of its churches for many years. The membership practices of some our churches have not been generally known until now.

We are also keenly conscious of the larger scope of this discussion because it involves the whole denomination. This matter will increasingly become a problem in the South, and what we do may well have some influence on what other associations may do.

The questionnaire made obvious the variety of membership practices among the churches of our association. If the Association were to withdraw fellowship from churches on the basis of the original motion before it which calls for our disapproval of any church "that would accept *any* members without immersion" we find the following number of churches in question in receiving unimmersed persons:

- one church which practices open membership
- one church which receives associate members
- one church which receives under permanent watchcare (we have had difficulty in determining whether unimmersed Christians received by four other churches under watchcare were accepted in a temporary or permanent relationship)
- five churches which have received elderly or infirm persons who were unable to be immersed and have added them to the church roll or reported them to the Association as members.

From the variety of responses to the questionnaire we hope that you can understand that it has been with the greatest difficulty that we have been able to reach any decision at all.
We call upon the Yates Baptist Association:

CONCLUSIONS WHICH WE HAVE REACHED

1. to reaffirm its commitment to the scriptural and historical tradition of believers' baptism by immersion as a symbol of death, burial, and resurrection.
2. to restudy and revise its constitution so that there may be consistency in outlining whether the Association is composed of messengers or churches.
3. to acknowledge that since there is such a great variety of membership practices in the churches that the basis of membership in the churches not be considered in formulating the basis of membership in the Association.
4. to begin again the greatly needed study of how we can work together as an association for the cause of Christ in city and metropolitan missions.
5. to join together in the spirit of Christian unity acknowledging that we are Baptists and brethren despite our differences, and to pledge anew our respect for each other's convictions.

We admonish the churches of the Yates Baptist Association:

1. to continue to baptize by immersion all new converts and to define the relationship to the church of those candidates for baptism who are unable for some reason to be immersed.
2. to instruct carefully every baptismal candidate as to the symbolic meaning of baptism, and to stress the meaning as well as the mode in accordance with the New Testament teaching.
3. to examine carefully all candidates for membership from other denominations as to their conversion experience, to explain to them what Baptists believe and why, and to encourage them to be baptized by immersion as a confession of their faith.
4. to require any candidates for membership from other denominations who seek to be related to a church by transfer through watchcare, associate membership, or open membership practices to have confirmed their baptism in a confession of faith before a church of the denomination from which they come.
5. to note on church letters transferring membership to another Baptist church that the person named has not been immersed so as to inform any sister church.

REPORT OF CAMP COMMITTEE

The following document entitled "Condensed History and Status Report Yates Association Camp—May 1970" was prepared by the Association Camp Committee for the use of the Special Camp Committee. This special committee was authorized at the 1969 Annual Meeting of the Yates Baptist Association. Because of a widespread interest in this area of our associational activity and because it accurately reflects the aims and intentions of the present Camp Committee, we offer the same as a part of our annual report:

CONDENSED HISTORY AND STATUS REPORT YATES ASSOCIATION CAMP—MAY 1970

The Yates Baptist Association at its annual meeting on October 26, 1954, voted to establish a campgrounds for the use of the association and its agencies. Fifteen months later in January 1956, the Associational Board voted to purchase 55.6 acres of land on the Wake Forest Highway in Wake County about one mile beyond the Durham County line.

In 1956 and 1957 some interior roads were built, a fish pond was constructed and stocked and a 1200 square foot open shelter was built. Tables and benches, an outdoor furnace and outside dry toilets were also provided.

A caretaker's home was built in 1960 and in 1961 a professional planner was engaged to prepare a master plan for development of the entire camp area.

In 1963 more roads were built, parking areas were cleared, tents were purchased, charcoal grilles and picnic tables were installed and some play equipment was purchased.

The land area of the camp was increased to 83 acres with the purchase of 27.4 additional acres in 1964. Also during this year a ball field was cleared.

Much development occurred during 1965. A lodge was finished and dedicated, a full time caretaker was employed and restrooms were provided in the tenting area.

A cold water bath house with showers for the tent area and an outdoor chapel were added in 1968.

From early in its history the camp suffered from an inadequate water supply. During the years at least six different wells were drilled in an effort to alleviate this problem. Only in 1969 did these efforts meet with reasonable success. The sixth well provides a flow of some seven gallons per minute. The other producing wells afford some three gallons per minute. So at long last the water problem seems to be resolved. With a good storage facility the ten gallons per minute will allow the campgrounds to be utilized to its fullest potential.

Because of the uncertainty of the water supply, the master plan which was commenced in 1961 was never fully completed. With this matter apparently solved, the master plan has now been completed and awaits the approval of the association and adequate funding.

The initial funds for the purchase of land for the camp site came from the member churches on a pro rata basis. In addition, individual gifts were accepted for early development.

The caretaker's home was constructed in 1960 by borrowing from a local savings and loan association.

From 1954 till 1963 there was no effective plan for the financial support of the development of the facility. A plan known as the "quarter per quarter" campaign was advanced and adopted in 1963 which called on all members of the member churches of the association to give at the rate of $1.00 per year. This plan met with moderate success and provided about $6,000 per year for campgrounds purposes. This sum afforded some funds for capital expansion. On the basis of the response to this program of finance, the Association agreed in *1964* to raise money for this purpose by issuing bonds.

All the monies from this issue have long been expended, the principal results of the use of these monies are the lodge building and several almost useless holes in the ground, mute evidences of the several efforts to satisfy the need for an adequate water supply.

From inception to 1969 the camp operated on a budget separate and apart from the regular budget of the association. Commencing with the 1970 budget the affairs of the camp have been assimilated into the regular associational budget and agreement has been made to discontinue the "quarter per quarter" campaign.

The 1970 Budget affords $1,680 for a caretaker, $2,500 for maintenance, $9,300 interest and debt retirement, and no funds for capital improvements.

The mortgage on the caretaker's home is scheduled for retirement in March 1975. Monthly payments on this account are at the rate of $125 per month.

The nominal amount of $6,300 per year is required for retirement of the bonds which were issued in 1964. This sum includes principal and interest and the final payment of these obligations is scheduled for September 1979.

In view of these obligations good judgment would seem to dictate the following financial policy: (1) conduct principally a holding operation, providing services at about the existing level until 1976 or 1977. The $125 per month for the caretaker's home mortgage will have been discharged in early 1975. At that time the $125 per month can be diverted to bond retirement. By mid 1977 debt should stand at less than $12,000.

(2) Anticipate borrowing $75,000 to $80,000 in mid 1977 to discharge the then existing debts, using the remainder to complete as much as possible of the items then remaining of the master plan.

(3) Conduct "low key" campaign among churches and individuals to accomplish several of the most pressing needs of the camp commencing in 1970.

(4) Some "fee for use" system should be devised and put into effect to afford some revenue. This revenue would be used to offset some of the cost of maintenance. It is not anticipated that proceeds from this source would ever be sufficient to defray the cost of operation. As long as the camp is in existence, some funds will be needed from the regular associational budget to keep the camp in operation.

It must be reported that the campgrounds will be considerably diminished with the development of the Neuse River basin. Such land as we lose will be on a reimbursed basis. There is a most urgent need to replace this land beforehand. This is made imperative by reason that the land absolutely cannot be replaced after such loss is incurred.

Negotiations are under way for the acquisition of the land mentioned above. When the negotiations are complete, a report and recommendation will follow.

With the completion of the master plan the Association should have an excellent facility. Though relatively small in size, it should afford to the Association and its member churches a very high quality facility. In future years the availability of such a camp could be a most valuable asset in the efforts of the Association to minister to its people.

In the meantime it would seem imperative that all concerned persons and committees should intensify efforts to put to the most effective use the camp as it is now developed. The Association should endeavor to maintain experienced and knowledgeable persons on committee assignment. From this date till complete development is accomplished, those who serve in this area of associational activity should diligently be working on plans and programs which it expects to implement at that time. All the while giving due attention to the here and now as well as the short range operations.

In recent months it has been suggested that the Yates Baptist Association might have made serious error when it attempted to engage in a camp operation. It would appear at this moment that the move was wise indeed, perhaps even visionary. People are of a certainty going to use facilities such as this, in fact, the demand for such campgrounds as this will greatly expand in the near future.

If the Association expects to provide just another campground for just some more people who want to camp, then no good case can be made for its retention. It does seem reasonable and feasible for the Association to provide a spiritually oriented camp where the quality of the experience might be measurd by the nature of the gathering than by the accommodations. In such a light one must ask the question, "Can we afford not to provide such an atmosphere for our people?" By the year 1985 this facility can in all probability be offering accommodations on a year-round basis for as many as 200 persons per day.

In conclusion it would seem that all concerned must run the race with patience. All have perhaps been guilty of wanting instant success. Many have been disappointed because of the burdensome problems which have come to their attention and the endless need for attention and support. Truly it would have been nice if all could have gone well. It just didn't work out that way. There will be other trials and tribulations along the way. If there is no resolution, if there is no commitment, if there is no faith or vision in what this project might mean in the work of our Christian churches, then the entire idea should be abandoned and at once.

When the camp lodge was dedicated in October 10, 1965, Mrs. Charles A. Maddry in her address there said, "'Time spent in planning, working, and praying, to say nothing of the thousands of dollars invested in these grounds, will be a loss to the kingdom of God unless training and missionary education are at the heart of activities experienced here."

From the Baptist State Convention Newsletter of May 1970, "Surveys made among pastors and missionaries indicate that more initial responses are made to God's call to vocational Christian service in camps and assemblies than from any other single force."

Who says "Quit"?

As a supplement to the above document we further report the following:

On June 30, 1970, after long negotiations the Yates Baptist Association was able to obtain an option on 13 acres of land immediately adjoining the Association campgrounds. This land generally lies to the North and East of the property now owned by the Association. This option is to expire on November 1, 1970, unless exercised. The total purchase price of $8,000 is payable on the following terms:

$2,500	on or before	November 1, 1970
$2,000	" " "	November 1, 1971
$1,800	" " "	November 1, 1972
$1,700	" " "	November 1, 1973

Unpaid balances would be subject to an annual interest rate of 6% and there would be no penalty for prepayment of any installment.

Believing that the Association has no funds at this time for this purpose, yet desiring to retain an option position on this 13 acres, your Camp Committee has arranged with a friend of the Association to exercise this option.

If it meets with the approval of this assembly, this friend of the Association does agree to hold in his possession this same tract of land and at any time prior to January 1, 1975, to convey the same to the Association for the exact amount of monies expended, i.e., principal, interest, taxes, and legal expenses, plus interest at the rate of 6% per annum.

The above agreement is subject only to the condition that in the event any portion of this land is taken by any government or its agency, the transfer price of the remaining land would be reduced by the amount of the proceeds of such a transaction.

A. B. Stone, Jr., Chairman

Progress Report

YOUTH AND FAMILY SERVICES

During the past year I feel that "The Youth and Family Services" Department of our Yates Baptist Association has made some very significant progress in many areas of Christian Social Ministries. The following report will be the listing and discussion of these programs and also some anticipated programs for the future.

First, I have begun what I feel is a most significant program at the Guess Road Prison Camp. This is where I take a man with me one Thursday evening a month to talk with the inmates who are being released the following month. In these conversations we find out if possible where they are going when released, whom they will contact, if they have a job, and if they have a church home among other things. If they live outside of Durham, I will write a letter to whomever they suggest giving them the above information. If they live in Durham and the person they suggest to be contacted has a phone, I will call for them. I am pleased to report that several have jobs as a result of these contacts. Many of them got their old jobs back.

Second, we have provided training opportunities for the members of our churches. On May 7, 1970, we had a Seminar on "Youth," the theme of which was "The Struggle of Growing Up." The resource personnel for this Seminar were: 1) Chaplain Maurice Briggs, School of Pastoral Care in Winston-Salem; 2) Alvis Whitted, Principal, C. A. Dillon School of Correction, Butner, N. C.; 3) Dr. Sherrill Stevens, Chairman, Christian Social Ministries Committee; 4) Rev. J. Edwin Bullock, Secretary, Brotherhood Department of the Baptist State Convention; 5) Dr. George Maddox, Clinical Sociologist of Duke University; 6) Mrs. James P. Morgan, Clinical Psychologist for the State Department of Social Services (Children's Division).

Third, an increasingly close relationship has been developed with the Durham County Community Mental Health Center. With increasing frequency we are giving and receiving referrals of persons who are in need of better mental health or who are in crisis situations.

Fourth, we are continually trying to improve the follow-up program for people who are coming out of the John Umstead Hospital, Durham Unit, and the Alcoholic Rehabilitation Center in Butner. We are doing much of this through the Vocational Rehabilitation worker at the Alcoholic Rehabilitation Center at Butner and also through the local Department of Social Services.

Fifth, with increasing frequency I am having opportunities for personal counseling sessions in the office with alcoholics, prisoners and their families. The sources from which they are coming are social agencies and institutions, churches, and on their own.

Sixth, I have had opportunities to speak in forty-three of our churches in the Yates Baptist Association. I also have had many opportunities to speak to agencies, institutions, A. A. groups, and civic clubs in the past year.

Finally, I have had several opportunities to go into other associations and other states to represent and speak on behalf of our State Convention and Home Mission Board. One such opportunity was going to an underprivileged Boys' Camp in Maryland last summer as Camp Missionary for the Home Mission Board. And the highlight of the week was that on two occasions we gave the boys an opportunity to make public their profession of faith in Christ and to rededicate their lives to Him. Out of a hundred boys, at least two-thirds of them made some kind of commitment to Christ that week. What made this even more significant was that the Camp Director told me that the most of these boys did not know who their father was and many did not know either parent. I believe this kind of ministry could be effectively undertaken at our Yates Association Camp.

In the future we anticipate a very close working relationship with the Governor's Study Committee of North Carolina's Penal System, Attorney Ralph Strayhorn, Chairman. Out of this relationship we hope to discover more concrete ways in which we as an Association can better work with prison releasees, both adult and youth offenders.

In the future we are looking forward to working more closely with our Department of Social Services (Welfare Department) in all the ways in which we have been working and also in receiving names and addresses of people who cannot read and would like to learn. We hope also to develop with them a better system of referring to churches some of the people in need and crisis situations for more extended ministry both physically and spiritually.

During the coming year our plans are to develop programs in the area of work with "one-parent families," many of which are alcohol and crime related. We shall continue the programs already underway in other areas and try to implement a planned program of work with non-readers.

Boyce G. Kimball, Director

REPORT OF ASSOCIATIONAL BOARD

The Association has conducted its business in five meetings of the Associational Board. The board meetings were held at Mt. Moriah, November 18, 1969; Cheek Heights, February 10, 1970; Carrboro, May 12, 1970; Hope Valley, September 8, 1970; and Olive Branch, October 13, 1970.

Included among the actions taken by the board are the following highly significant ones:

1. The Moderator appointed the personnel of two committees authorized at the Annual Meeting of 1969. Both committees were understood to be special and would be dissolved upon completion of their final reports:

a. *The Camp Study Committee:*
Rev. Ray Hodge, Chairman; Rev. David Osborne, Burke Hobgood, Ellis Thomas, and Stewart Rigsbee

b. *The Church Membership Practices Committee:*
Bruce Little, Chairman, Rev. Robert Winecoff, Rev. B. E. White, Jr., Rev. Bill Brogden, and Aaron Conn.

2. Rev. Crate Jones, Secretary of the City and Metropolitan Study Committee presented a recommendation from that committee that it remain dormant until reactivated by its chairman, Rev. Russell Barbee. This motion was approved.

3. Rev. Leon Addleton, Chairman of the Committee on Committees, recommended the following members for the Youth Council Advisory Committee and moved their election: David Peach, Chairman; Rev. Malcolm Cadd, Co-Chairman; Jim Staples; Al Childress; Steve Ackerman; Miss Nannie Mae Herndon; and Mrs. Martin Rigsbee. This committee was approved.

4. In January the Association officially entered into a cooperative missions ministry with the State Convention and the Home Mission Board through the work of Boyce Kimball, our Director of Youth and Family Services.

5. Rev. Vernon McDaniel moved that "the Constitution Committee be advised to bring recommendations to the Association as to the feasibility of changing the method of budget presentation to include that of a concrete budget based on realistic expenditures over previous years and that the associational fiscal year be altered as needed." This motion was approved.

6. A motion was approved that "the week of April 16-21, 1972, be adopted as the time for our next Association World Mission Conference (School of Missions)."

7. It was voted to have a Stewardship Development Program and correlate it with the annual Week of Prayer for Associational Missions, August 23-30, with lay-speakers enlisted, instructed and offered to the churches. The moderator was asked to appoint a committee of five to carry out this project. He appointed Rev. Everette Smith, Chairman; Lloyd Senter; Curtis Crutchfield, Jr.; Buck Dean; George Parks; J. William Bonner.

8. The following were selected by the Board as candidates for the State General Board: 1. Coy Yates; 2. Downey Booth; 3. Rev. Ray Hodge; 4. Rev. B. E. White, Jr.

9. Mr. Hurley Mulkey, Chairman of the Finance Committee, presented a proposed budget calling for expenditure of $62,629 as goals for the calendar year 1971. This was approved for presentation to the Annual Meeting.

10. Rev. Ray Hodge, Chairman of the Camp Study Committee, brought a report of the scope and work of the committee. The report revealed the extent of use of the camp, financial contributions made to the camp, projected plans for the camp, and the lack of any stated purpose for a camp in Yates Association.

Noting that the regular Camp Committee had now formulated specific plans for completion of the camp, and that the regular committee would bring a detailed report of their plans to the Annual Meeting, the special Study Committee made two recommendations: (1) that the regular Camp Committee be asked to formulate a formal statement of purpose for a Yates Association Camp; (2) that the churches be informed of the Camp Committee's report, so as to be prepared to hear the report and to express the will of the churches for the continuation and support of the camp or discontinuation of it.

11. The report of the Special Membership Practices Study Committee was submitted to the board. The report contained a summary of the results of a survey of the membership practices of 37 of the churches in the Yates Association. In addition these included 10 conclusions that the committee made on the basis of their study. Two recommendations were made: (1) that no further action be taken relative to the relationship of Watts Street Church to the Association or any other church insofar as its membership practices are concerned. That all churches continue to do their God-appointed tasks in our associational territory. (2) that this report with its recommendations be presented to the 1970 Annual Meeting on Tuesday afternoon for appropriate action.

A substitute motion was made by Ray Hodge, that the Associational Board recommend the Study Committee for its excellent work and that the report of the committee be passed on to the Annual Assn. Meeting for its consideration, without any recommendation from the Board.

As a perusal of the above actions reveals, much that was undertaken during the year remains yet unresolved. It is hoped that the Annual Meeting will produce such resolution in a spirit of concern, unity consistent with adherence to truth and love expressed by respect for the views of one another, and a determination to press forward with our strategy for fulfilling the Great Commission in our part of the world insofar as that strategy depends upon the work of the Yates Baptist Association.

Reports from the following committees should be considered as an addenda to this official associational board report: Christian Life, Deacons, Fellowship, Institution, Libraries, Non-Evangelicals, Ordinations, Student Work, and Stewardship Development.

Respectfully submitted,
Ned L. Mathews, Moderator

REPORT OF CHRISTIAN LIFE COMMITTEE

The work of the Christian Life Committee during the past year has been done individually or within individual churches. The annual seminar sponsored by the committee in recent years was not held during 1970 because of budgetary considerations. These programs have dealt especially with problems connected with race or poverty, and often in collaboration with other associations affiliated with the General Baptist Convention.

We have been aware, however, that the development of attitudes and the implementation of activities which will aid in solution to our difficulties must be accomplished through individual churches and action groups. There is some indication of progress at this point, but there is also clear evidence that the progress is neither adequate nor general.

On the negative side, for example, the survey of church membership practices shows that only 29 churches (of the 37 responding) are even theoretically open to confessing Christians of whatever race. Of these 29, correspondents of 17 churches were in grave doubt that Christians who happened to be black in color would actually be accepted, were they to offer themselves for membership. Members of the committee are distressed over this. Whenever one of our churches fails to practice openly the spirit of love and brotherhood and refuses to accept as fellow worshippers and full brothers all who confess their faith in the Lord Jesus Christ, we are still far from the biblical spirit. In Christ there is no distinction.

On the other hand, several churches are known to have discussed these matters seriously during the past year and have been changing their views in recognition of the larger Christian fellowship to which we belong. Members of your Christian Life Committee are pleased by this progress. We remind ourselves that even the great Christian leaders Barnabas and Peter stumbled for too long a time over questions arising out of social and nationalistic prejudices (See Galations 2: 11-20).

Several churches have sponsored a Vacation Bible School which has not been limited in any way by social considerations. The Youth Council of the Association itself sponsored a Vacation Bible School this year in which black children were in the majority. Some churches also have Day Care Centers which are open to families of all races. Dr. O. L. Sherrill and other black ministers have been featured guests in some of our churches during the past year.

Your committee is deeply appreciative of every effort to heal the tragic hurts of prejudice that have wounded so grievously our society and our churches in the past. We urge our fellow Christians of Yates Association to encourage one another in the expression of Christian love and acceptance without regard to race, color, or circumstance.

Respectfully submitted,
Henry Turlington, Chairman

REPORT OF STEWARDSHIP DEVELOPMENT COMMITTEE

In the February board meeting our committee was authorized and the moderator was instructed to appoint a committee of five.

Our committee had several planning meetings. We enlisted 19 laymen and instructed them. We also were able to enlist twenty-nine churches, and then had a luncheon meeting of the pastors for discussion and suggestions.

These lay-speakers were invited to twenty-nine churches on the two Sundays of the "Week of Prayer for Associational Missions," August 23-30. It was suggested that the laymen speak according to the wishes of the host pastors both in the length of time and the subject matter. Most of them spoke for ten minutes on "What the Association Means to Me!"

Churches participating were: Angier Ave., Bethesda, Braggtown, Calvary, Carrboro, Cheek Heights, Cresset, Ebenezer, Edgemont, Fieldcrest, Gorman, Grace, Guess Road, Immanuel, Lakewood, Lowe's Grove, Mt. Carmel, Mt. Gilead, Mt. Hermon, Mt. Moriah, Mt. Pisgah, Olive Branch, Park View, Plainview, Rose of Sharon, Temple, Trinity, Westwood, and Yates.

Laymen were: Jim Barringer, D. J. Booth, E. L. Bradley, Fred Chamblee, Don Christian, John Clayton, Ed Clements, James Harris, Bob Hollemon, B. C. Little, Buddy Lynam, B. Ray Olive, Buddy Owens, A. C. Pledger, Claiborne Ross, Vernon S. Sparrow, A. B. Stone, Jr., Ellis Thomas, Coy Yates.

The effort was highly successful with definite plans being made for enlisting additional laymen for the Week of Prayer in 1971 and possibly other times during the year.

Respectfully submitted,
Everette Smith, Chairman

Respectfully submitted,
Mrs. W. J. McGhee, Treasurer

This statement represents the balance in the old and separate W.M.U. Budget on September 30, 1969, plus monies received directly into the Association W.M.U. treasury from church W.M.U. organizations in this transitional year without going through the regular associational records.

These special contributions were caused last year when churches for various reasons were not able to increase their regular associational "pledges" to include the W.M.U.

REPORT OF AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1969. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1969, on a basis consistent with that of the preceding year.

Auditor

REPORT OF THE RESOLUTIONS COMMITTEE

October 28, 1970

Resolved, that we express grateful appreciation

To the Rev. Ned L. Mathews, Moderator of this Association, for his tactful and efficient presiding at the Annual Meeting of this Yates Association on October 27, 28, 1970; to Mr. Harrell Perry for his faithful recording of the minutes of the meeting, and for those of previous years; to the Rev. Hubert S. Mumford, Associational Missionary, for his faithful planning and conduct of the Lord's work through the Yates Association beyond the call of duty; to the Program Committee for their thoughtful planning of time to meet the needs of required action, plus the furnishing of inspirational speakers and features; to the Membership Practices Study Committee for their unselfish expenditure of time and effort to offer a comprehensive report to the Association; and to all other committees and the Executive Board for faithfully pursuing their duties during the year just past in preparation for this meeting;

To the Park View Church for the use of their building and their gracious hospitality in providing lunch; to the Grace Church for the use of their building and facilities to present the evening program; and to the Faith Church for graciously providing a place for meeting and lunch.

We remember with love and appreciation the lives and influence of those who have been taken from our midst by death in the past year to rest in the Lord.

We beseech the prayers of all messengers and members of churches in the Yates Association to follow the leadership of the Holy Spirit in fellowship and in working out their program for the coming Associational year, and that in particular each examine his own resolve and influence in leading the Young People of the churches in fruits of the Spirit and in ways of the Lord.

"Wherefore I also, after I heard of your faith in the Lord Jesus, and love unto all the saints, cease not to give thanks for you, making mention of you in my prayers; That the God of our Lord Jesus Christ, the father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: the eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, and what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power," (Ephesians 1:15-19).

Respectfully submitted,
